

Azolla caroliniana

QQ plot residuals

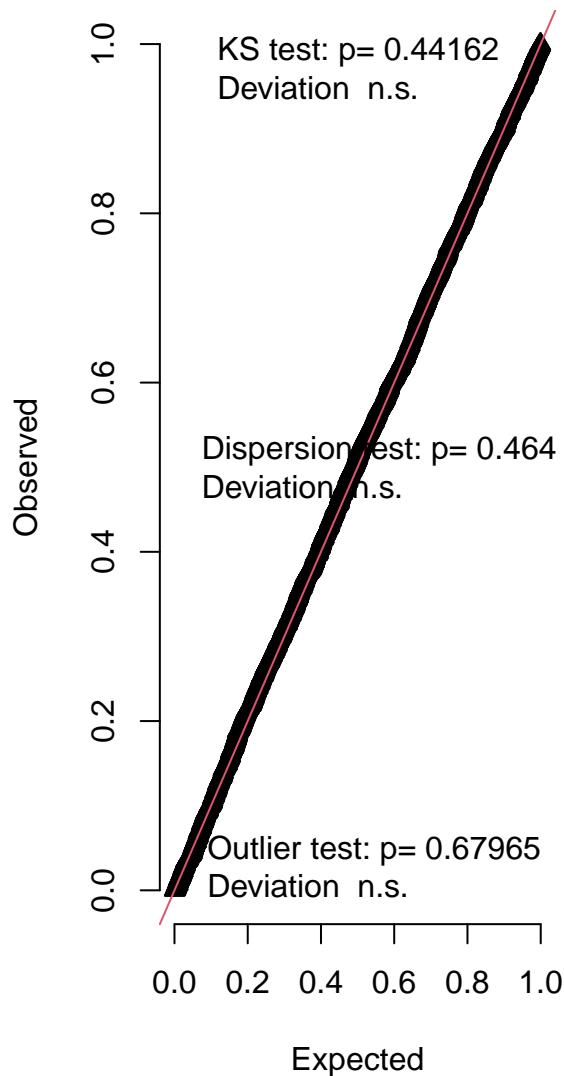

Residual vs. predicted

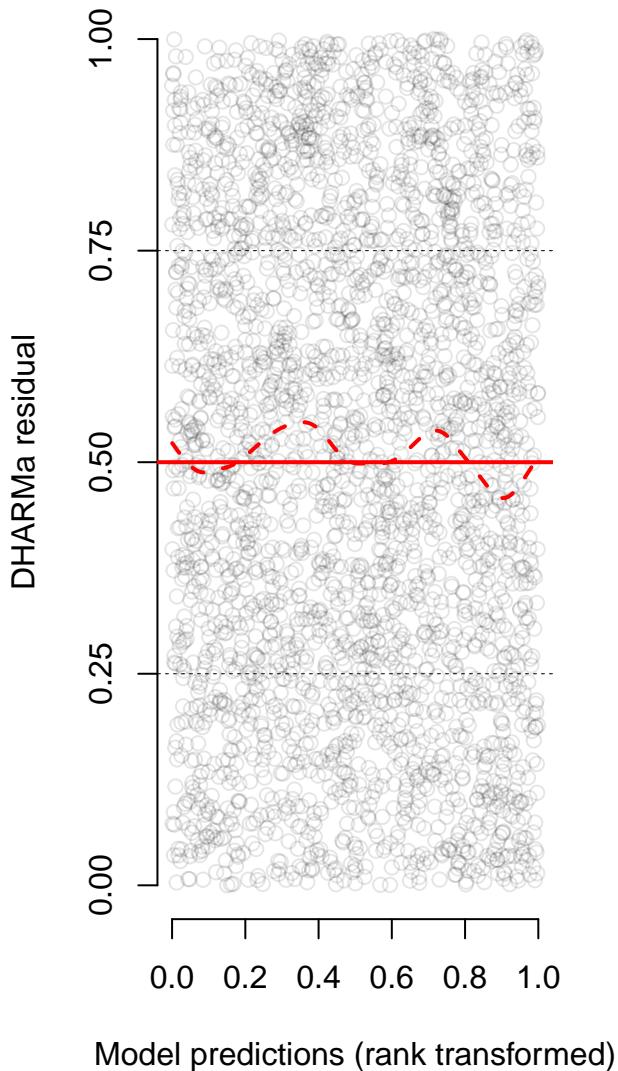

Bacopa caroliniana

QQ plot residuals

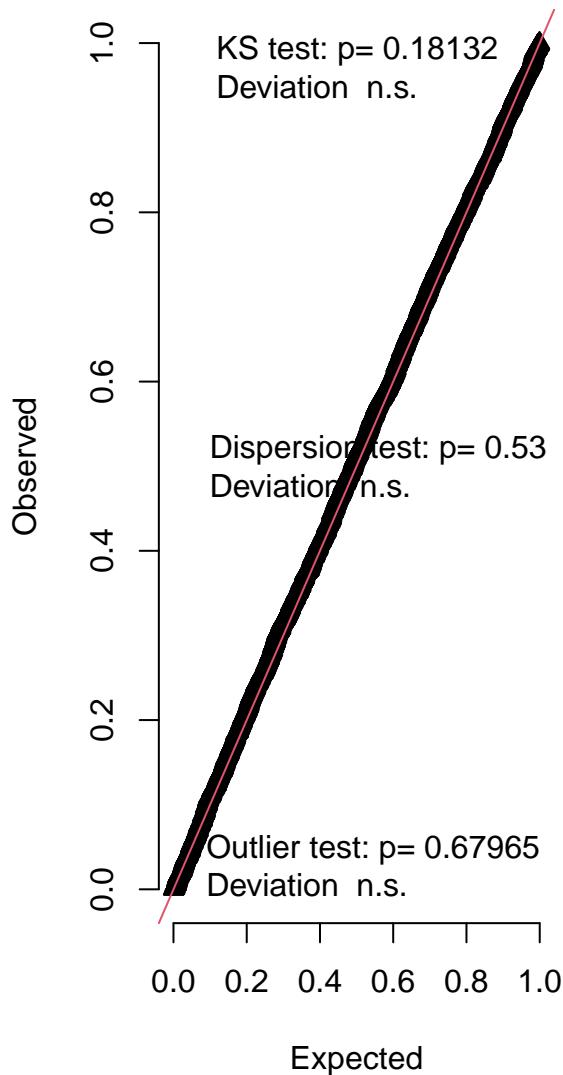

Residual vs. predicted

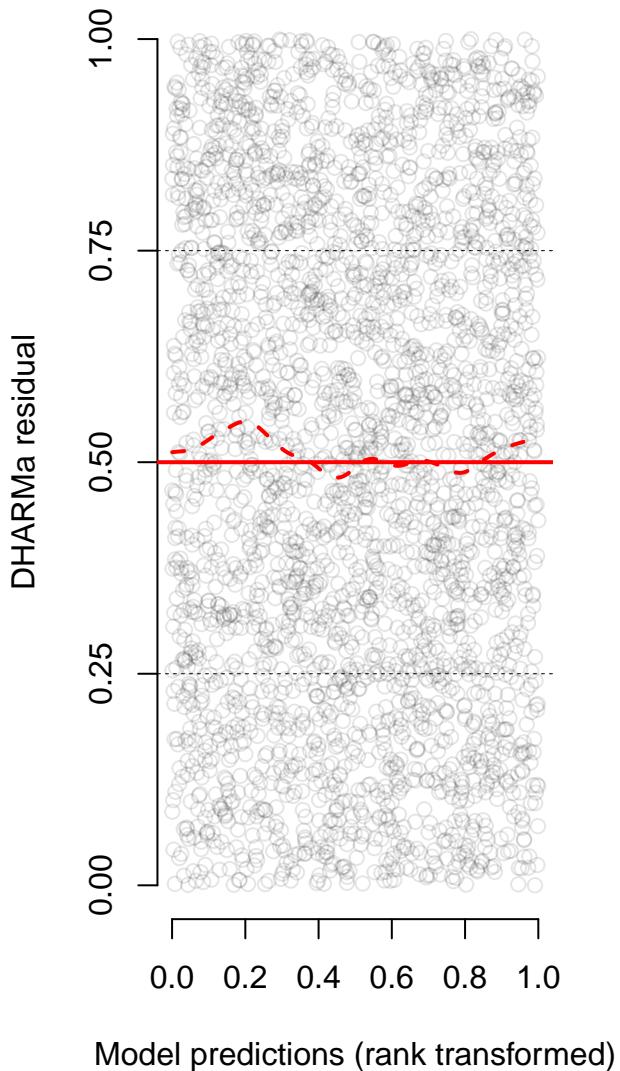

Bacopa monnieri

QQ plot residuals

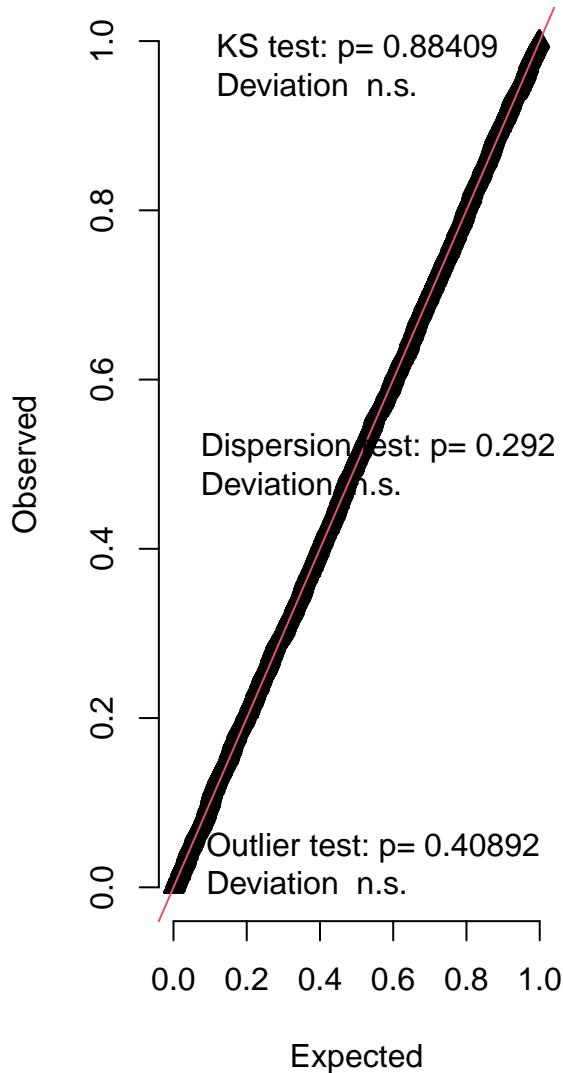

Residual vs. predicted

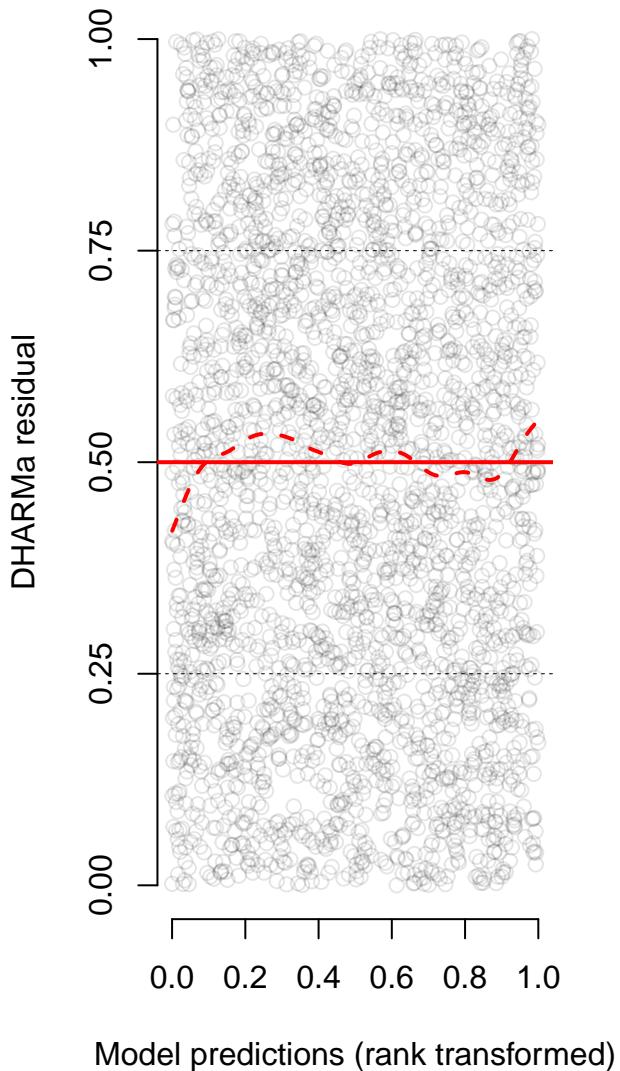

Bidens spp.

QQ plot residuals

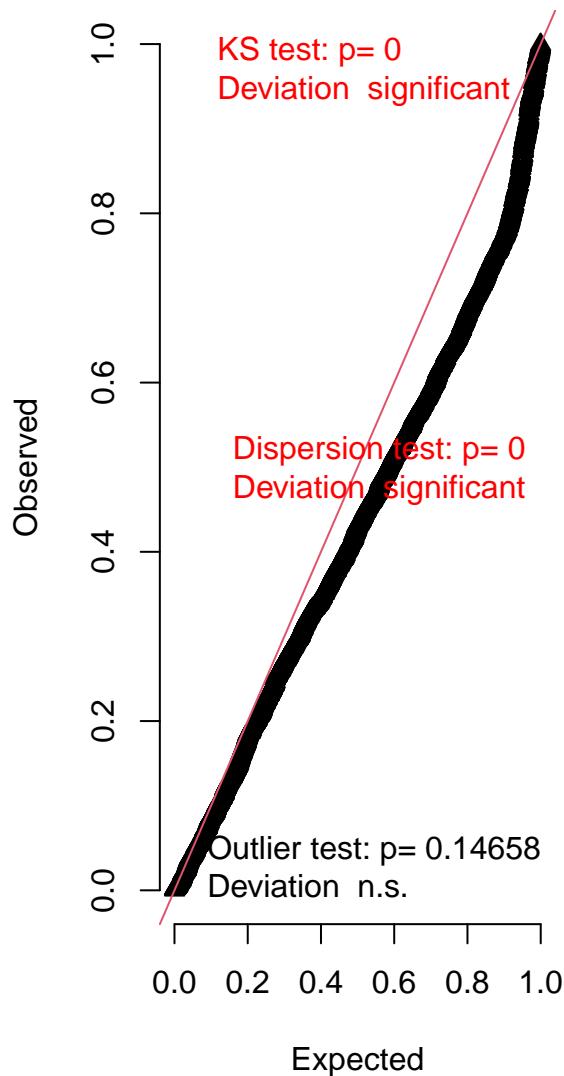

Residual vs. predicted

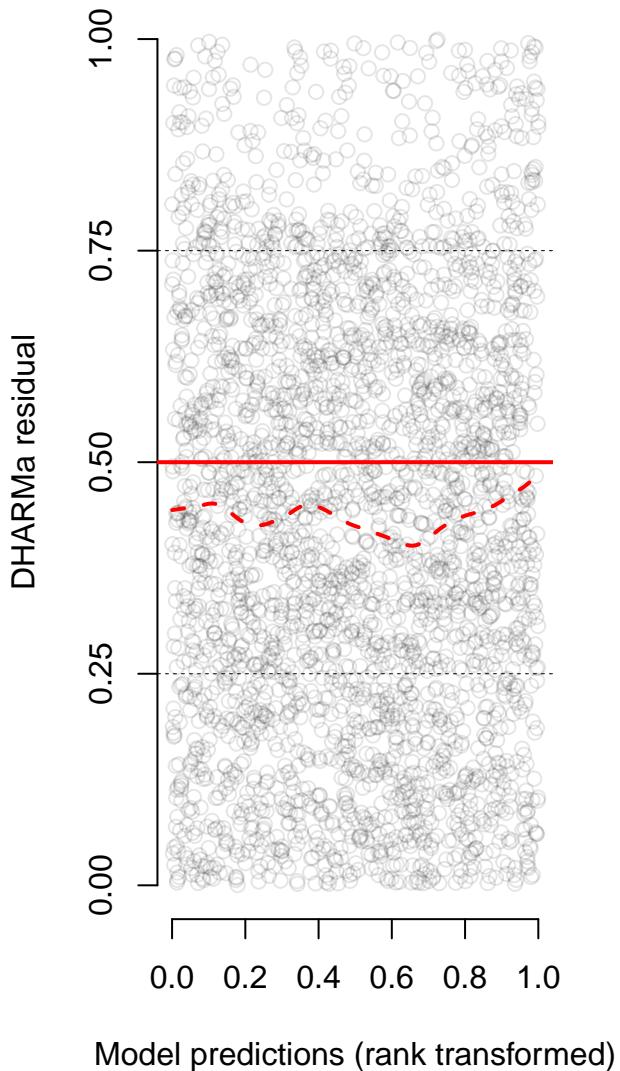

Brasenia schreberi

QQ plot residuals

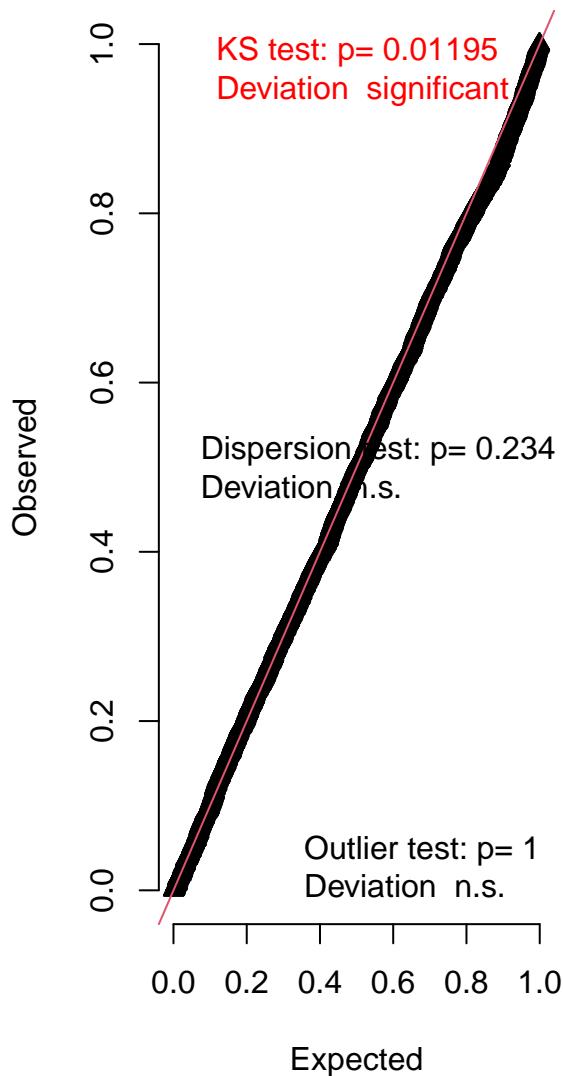

Residual vs. predicted

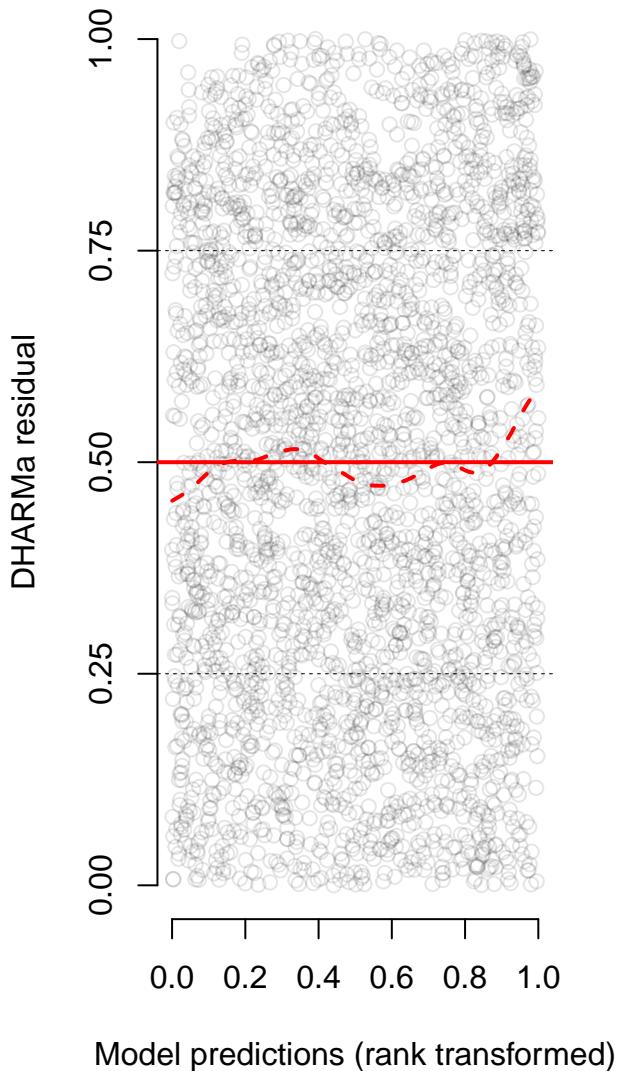

Cabomba caroliniana

QQ plot residuals

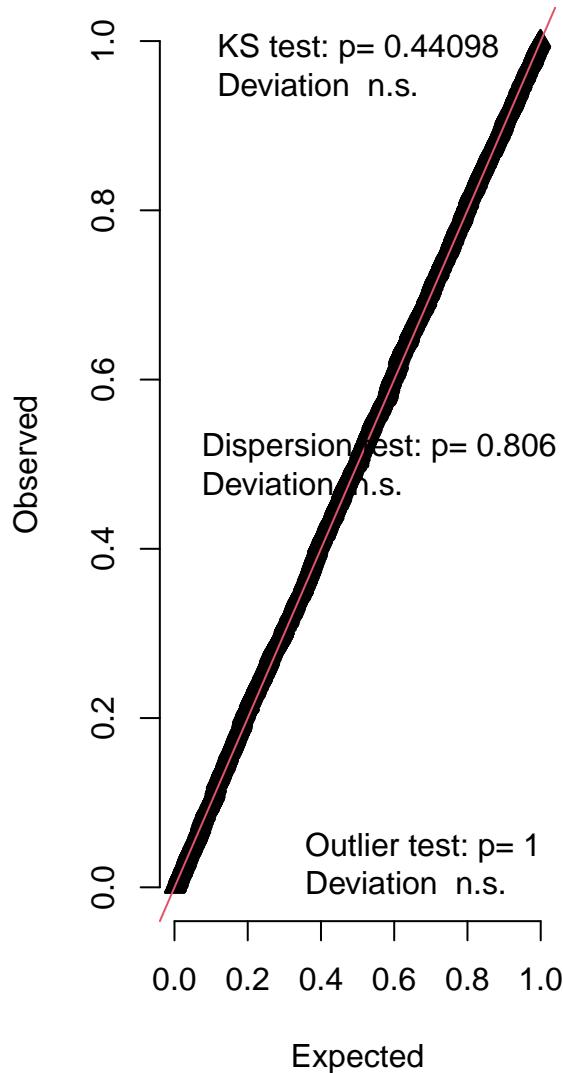

Residual vs. predicted

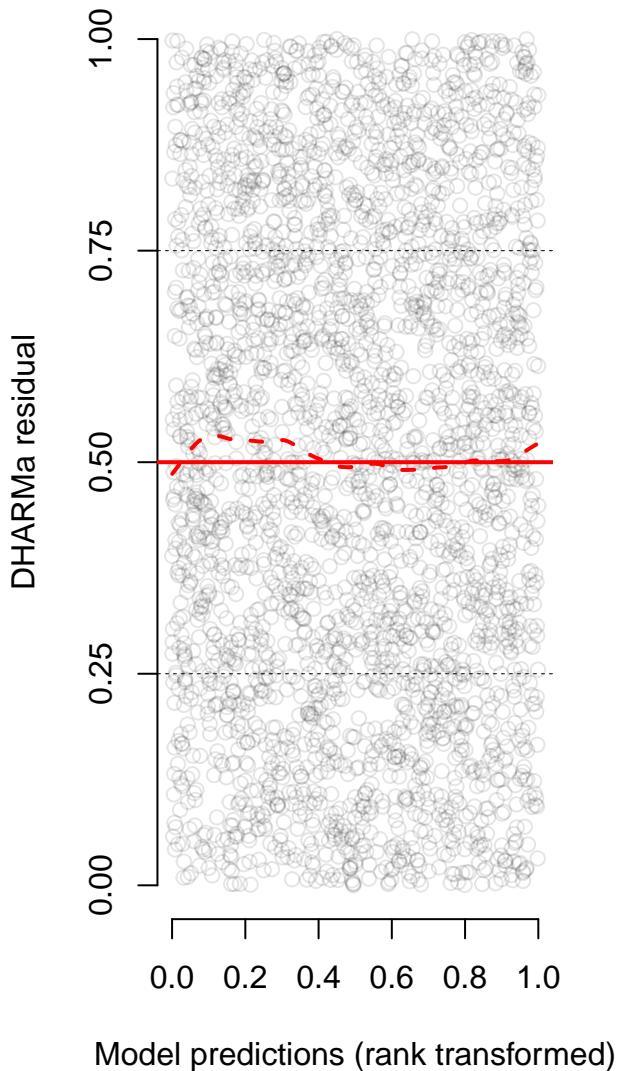

Carex spp.

QQ plot residuals

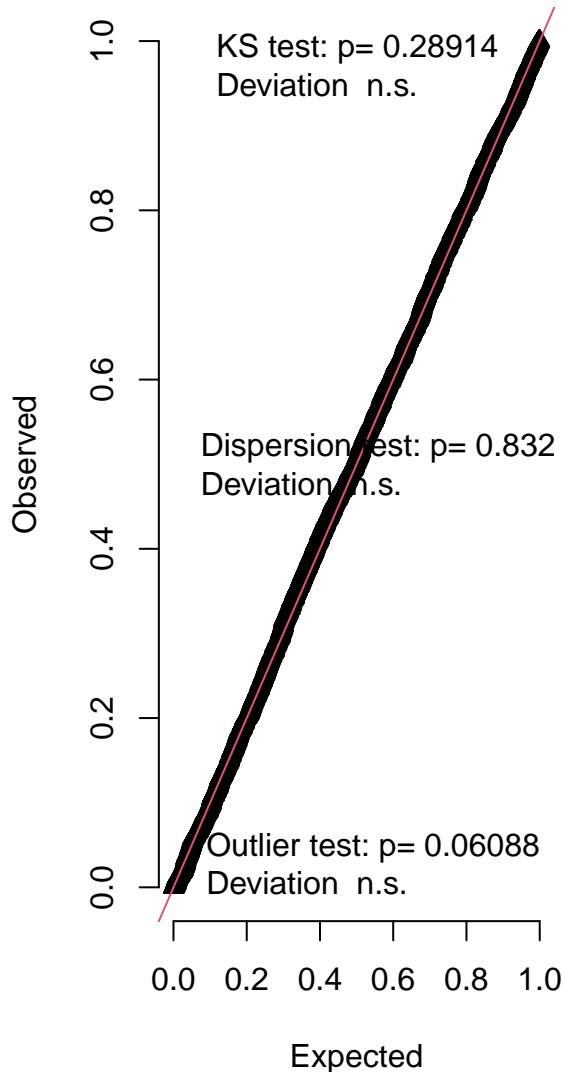

Residual vs. predicted

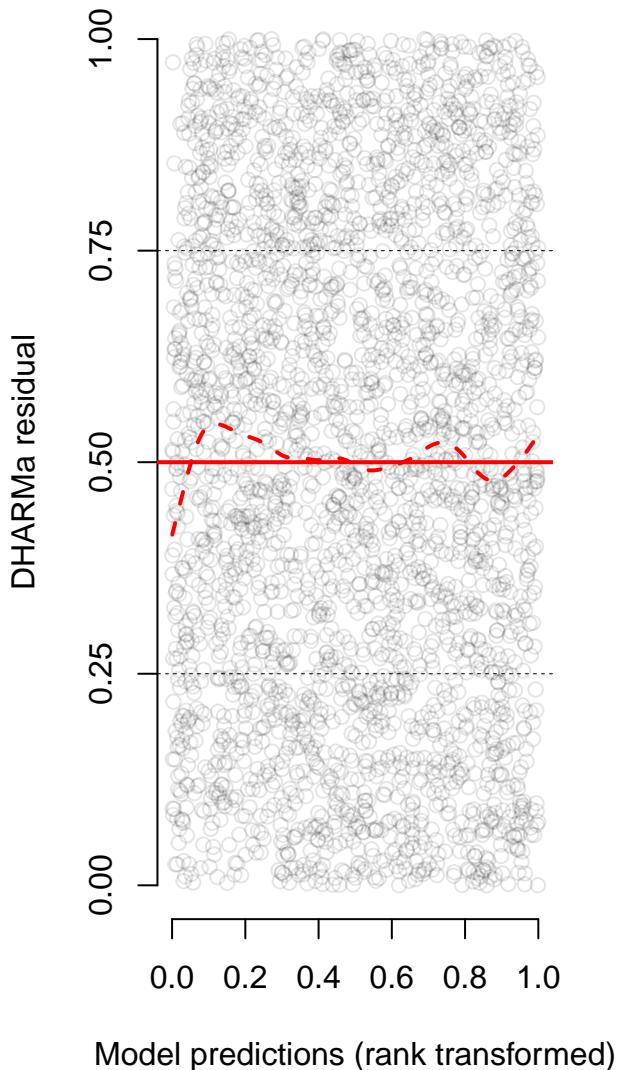

Cephalanthus occidentalis

QQ plot residuals

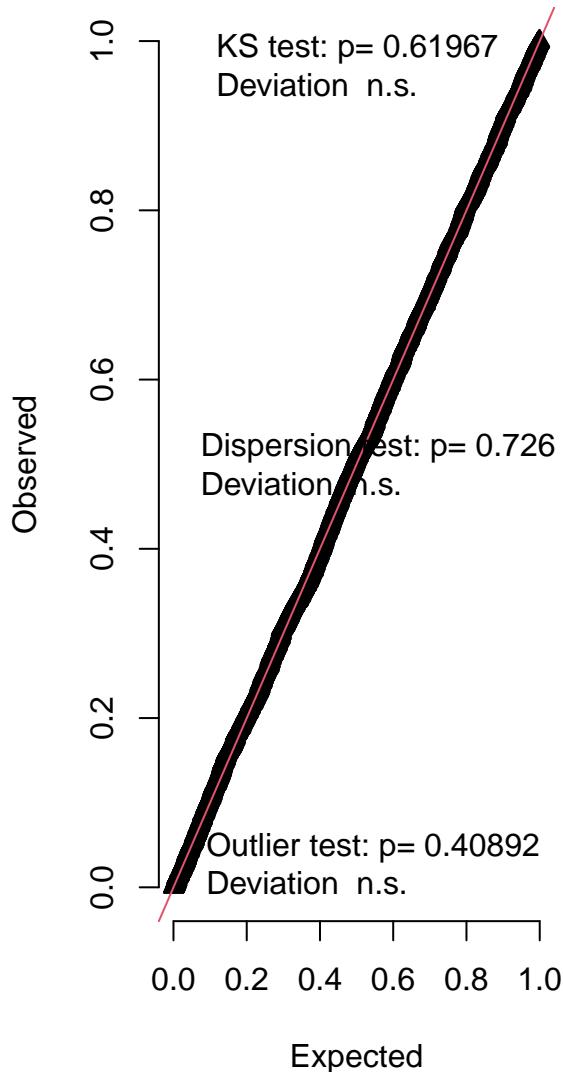

Residual vs. predicted

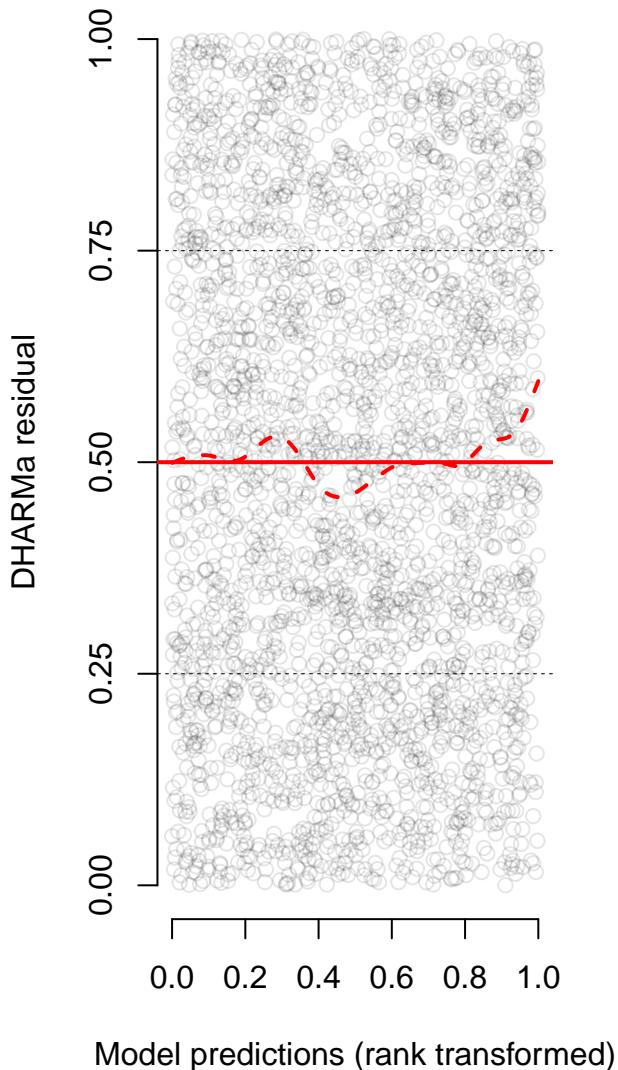

Ceratophyllum demersum

QQ plot residuals

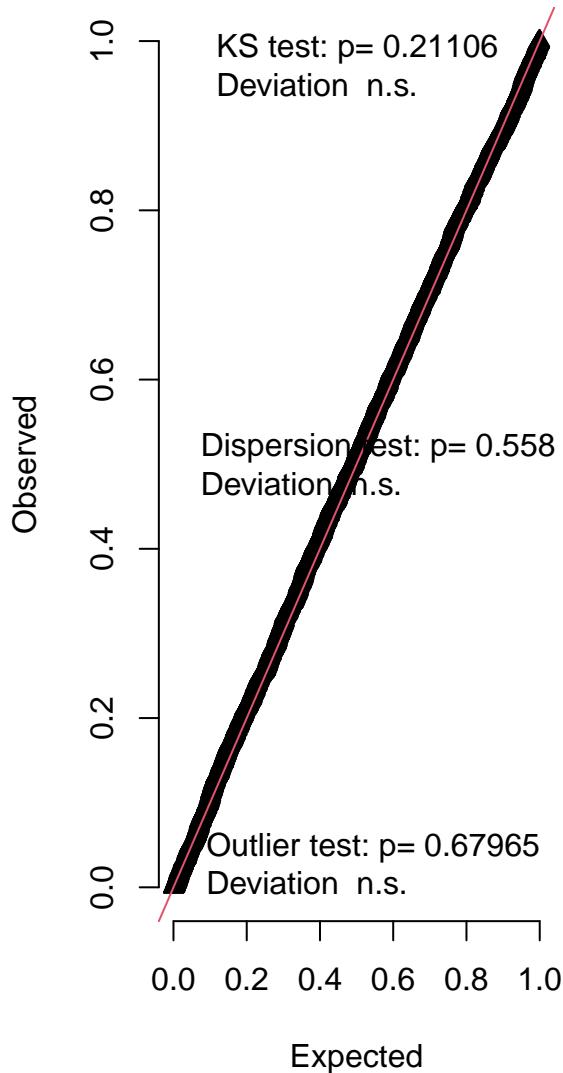

Residual vs. predicted

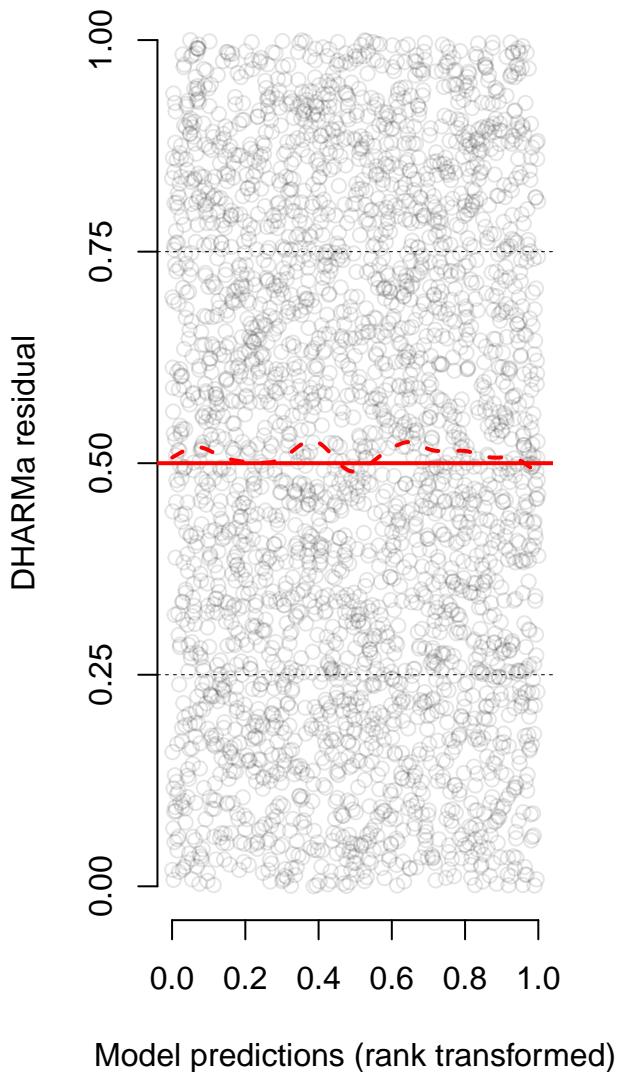

Chara spp.

QQ plot residuals

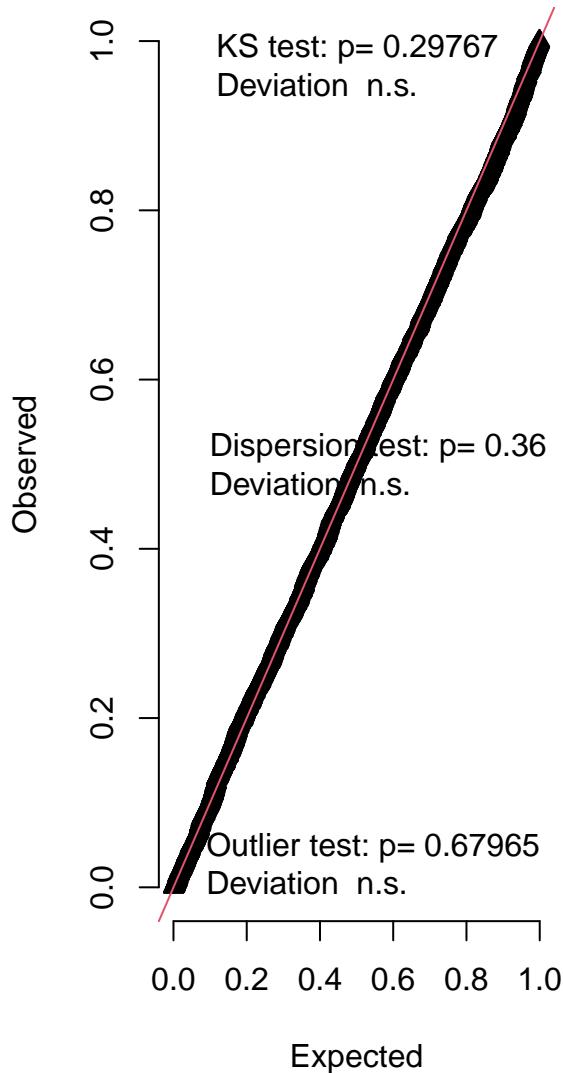

Residual vs. predicted

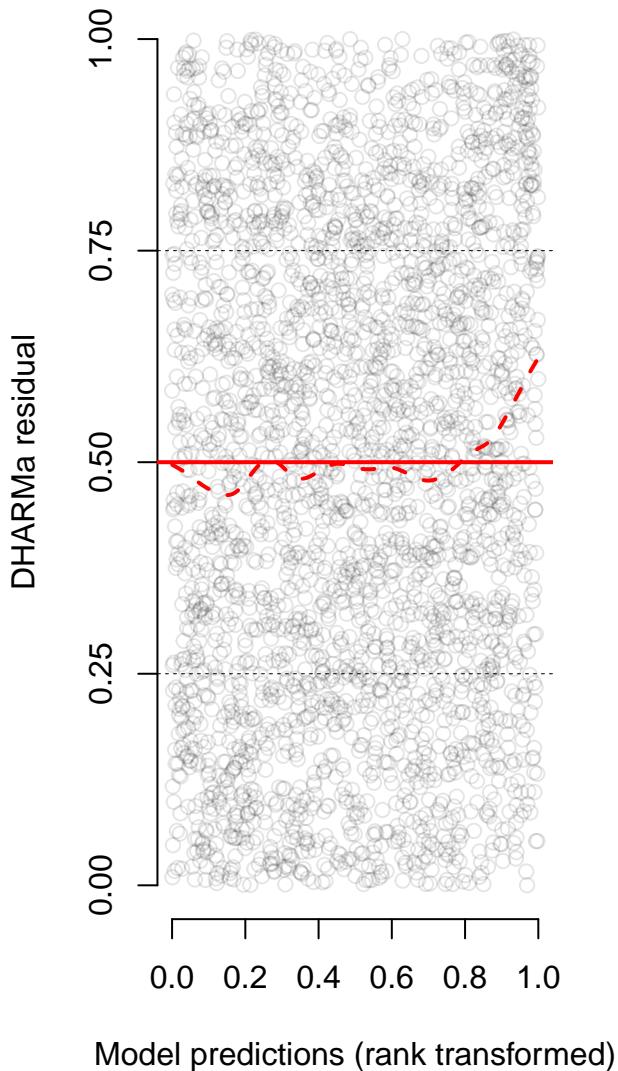

Cicuta maculata

QQ plot residuals

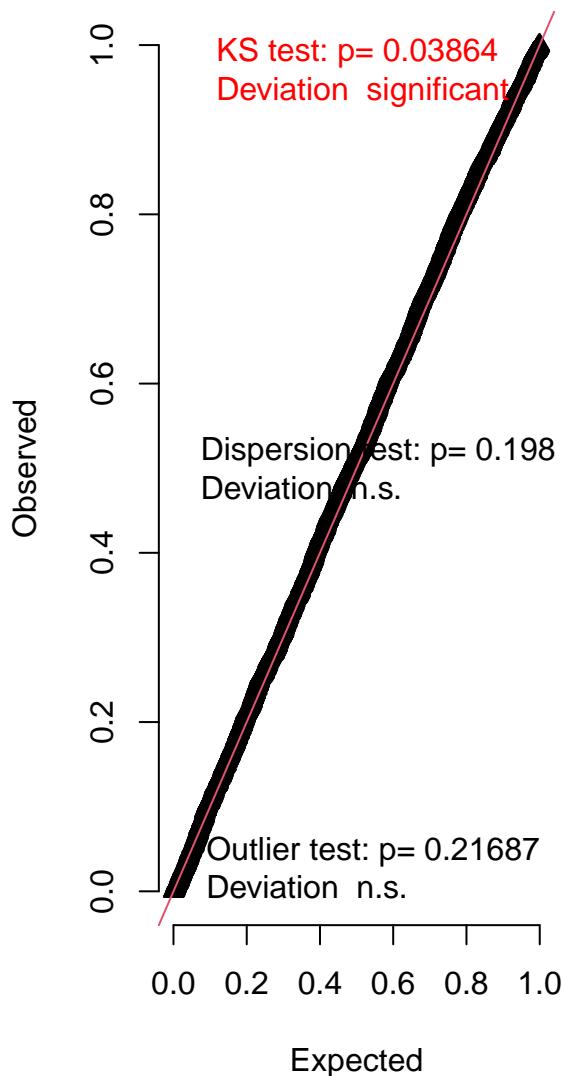

Residual vs. predicted

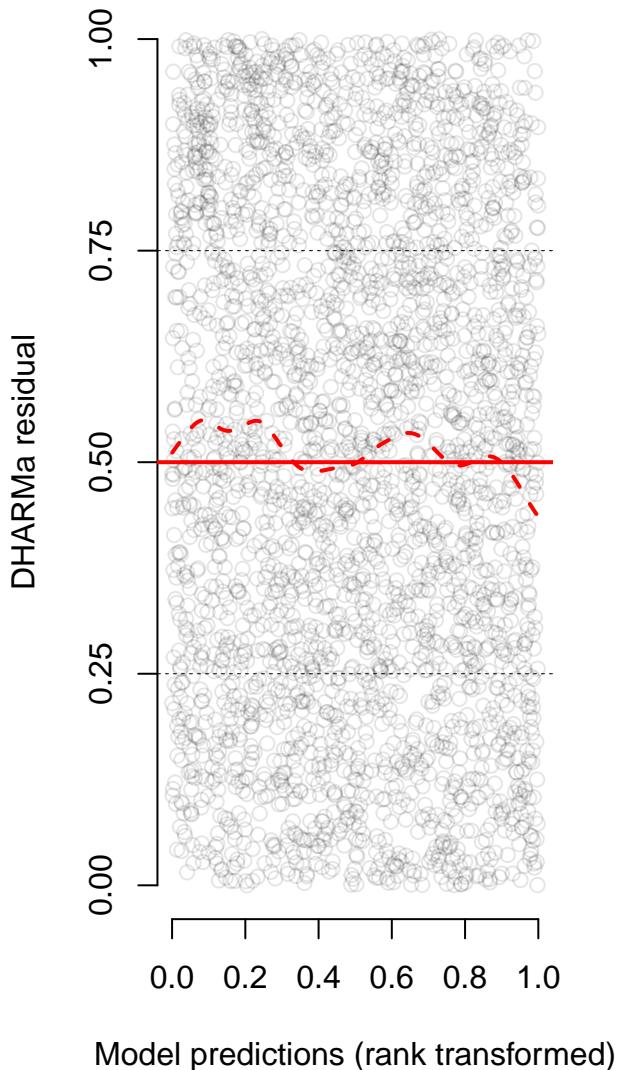

Cladium jamaicense

QQ plot residuals

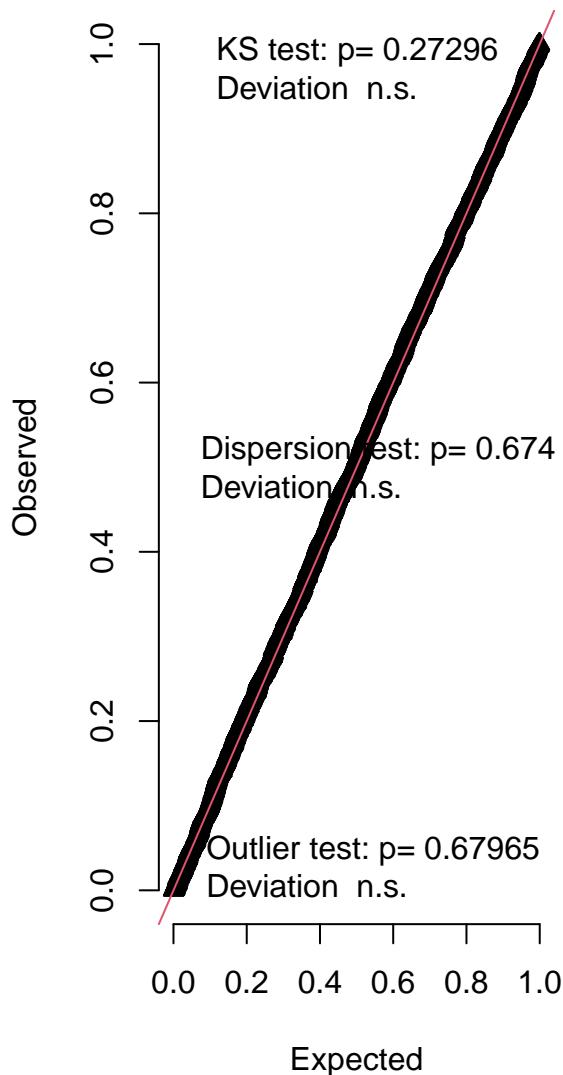

Residual vs. predicted

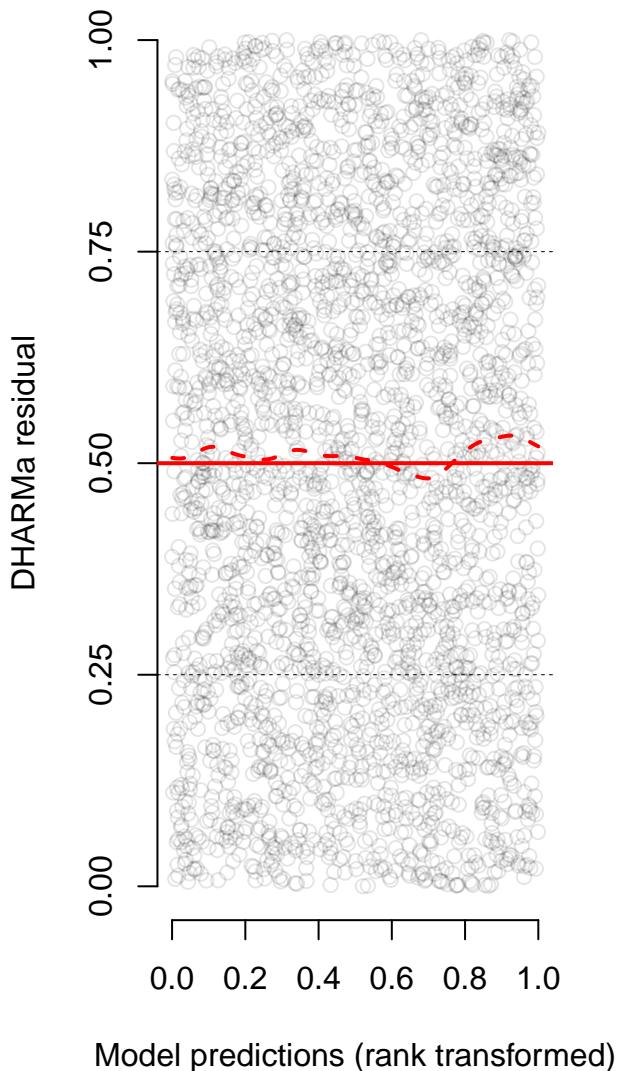

Crinum americanum

QQ plot residuals

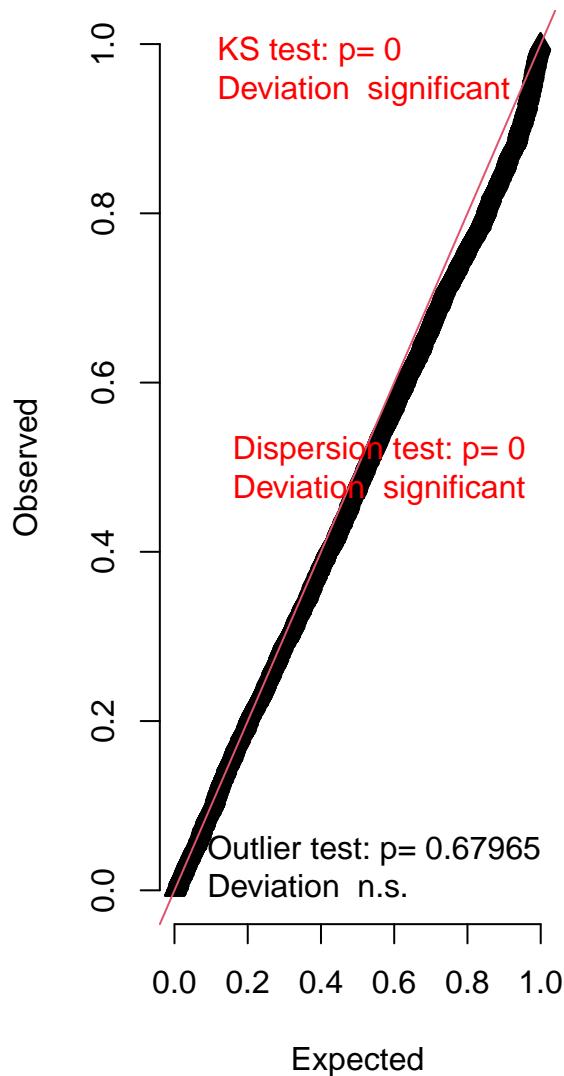

Residual vs. predicted

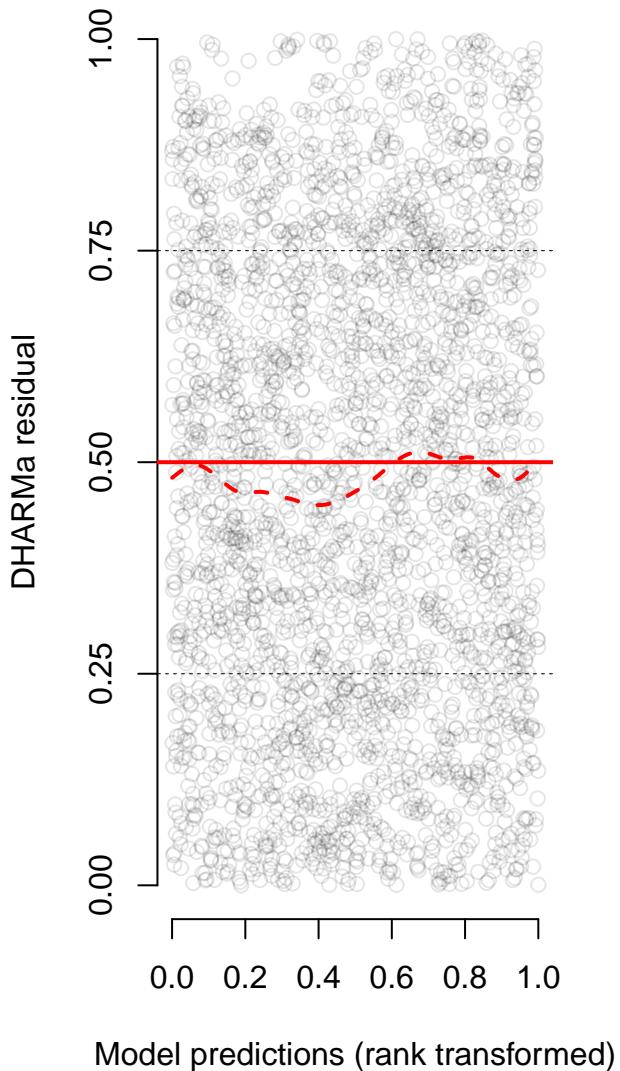

Cyperus articulatus

QQ plot residuals

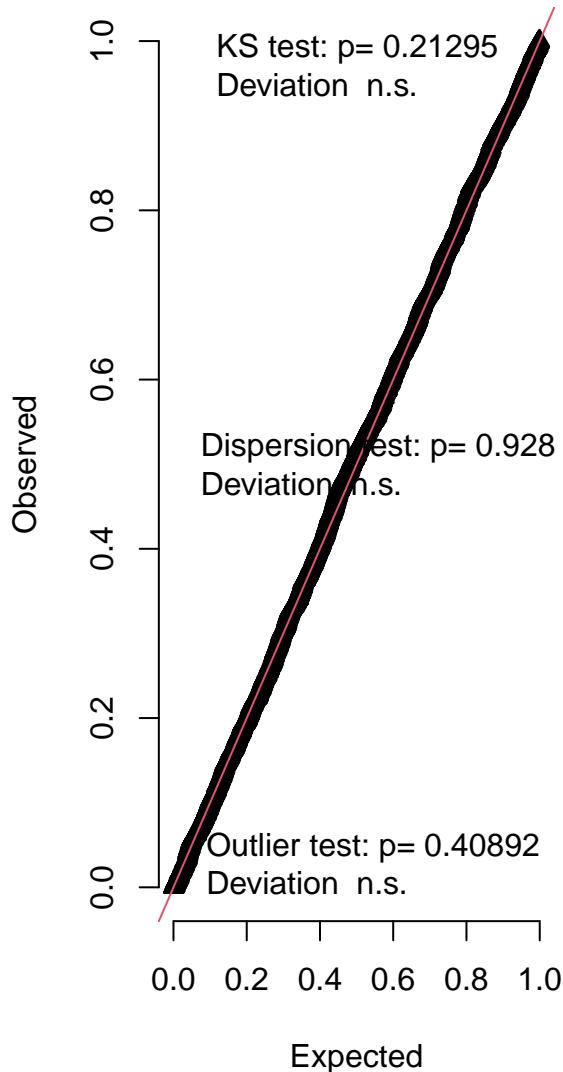

Residual vs. predicted

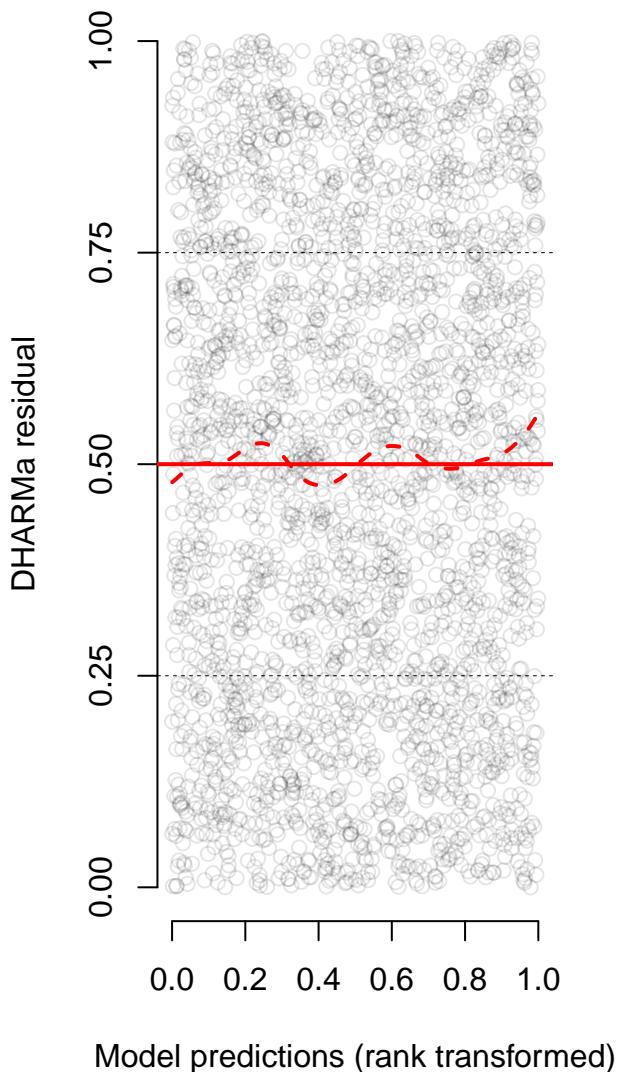

Cyperus spp. (other natives)

QQ plot residuals

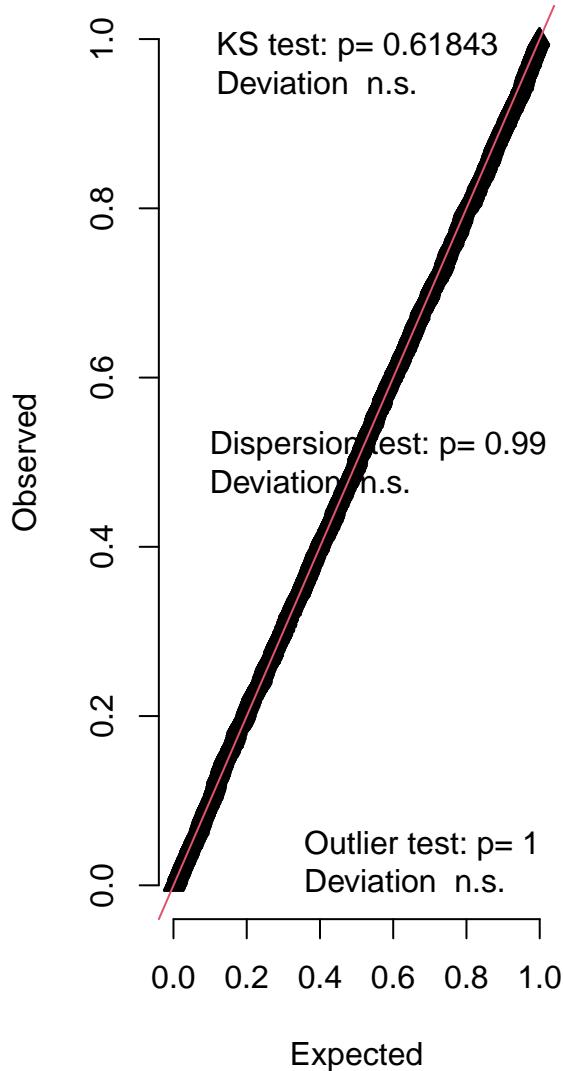

Residual vs. predicted

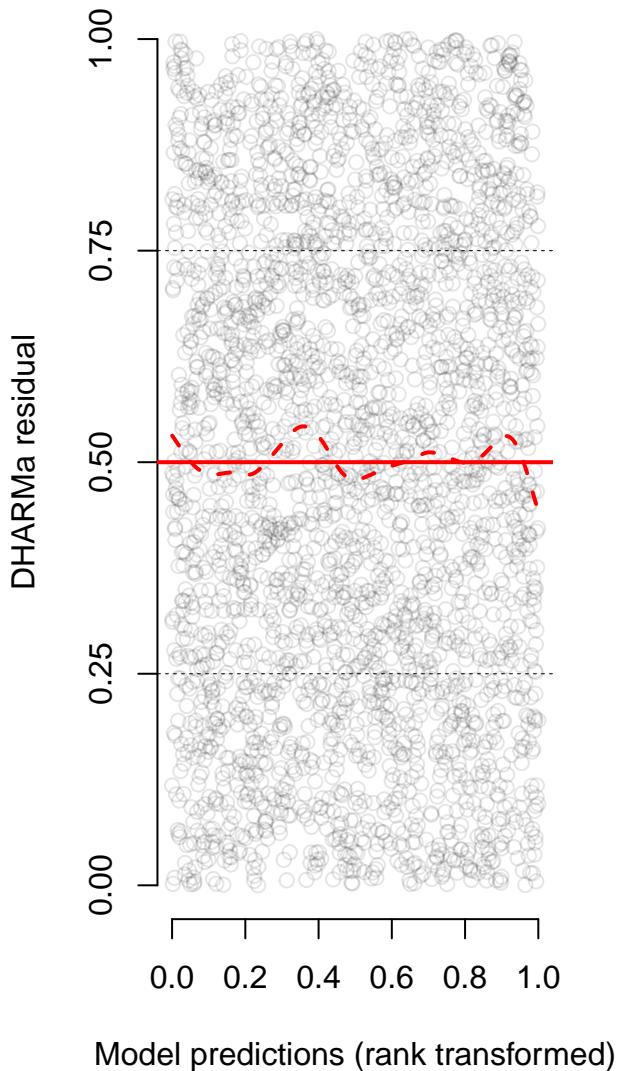

Decodon verticillatus

QQ plot residuals

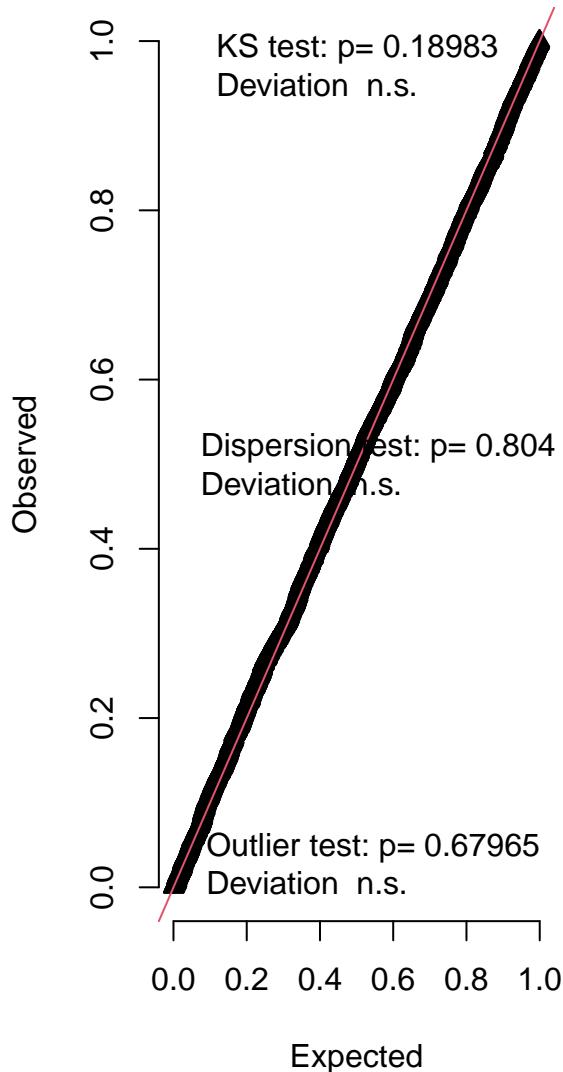

Residual vs. predicted

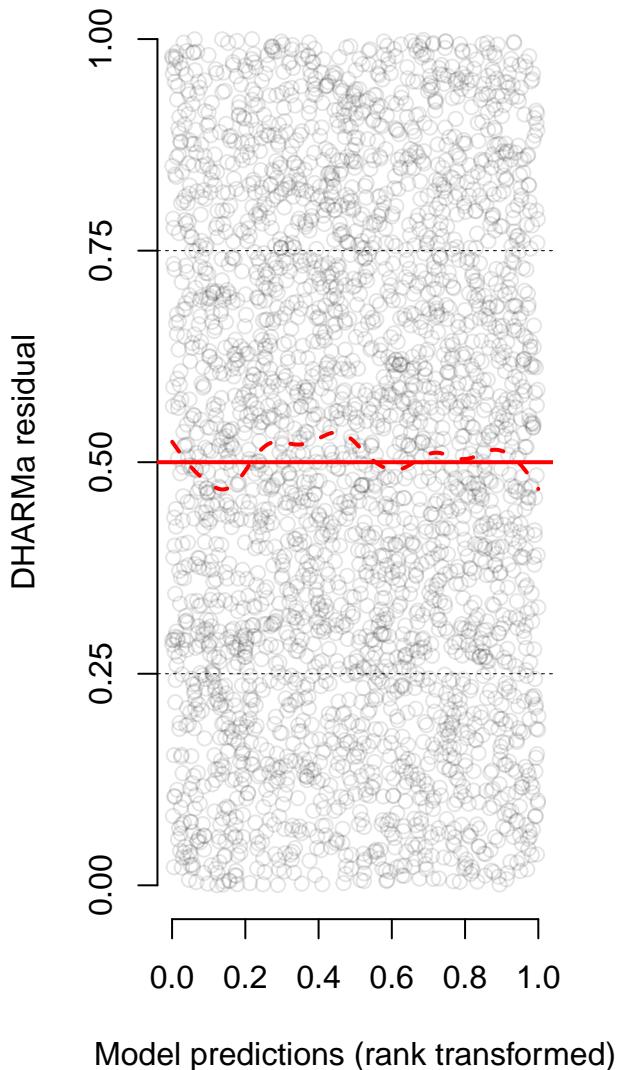

Echinochloa spp.

QQ plot residuals

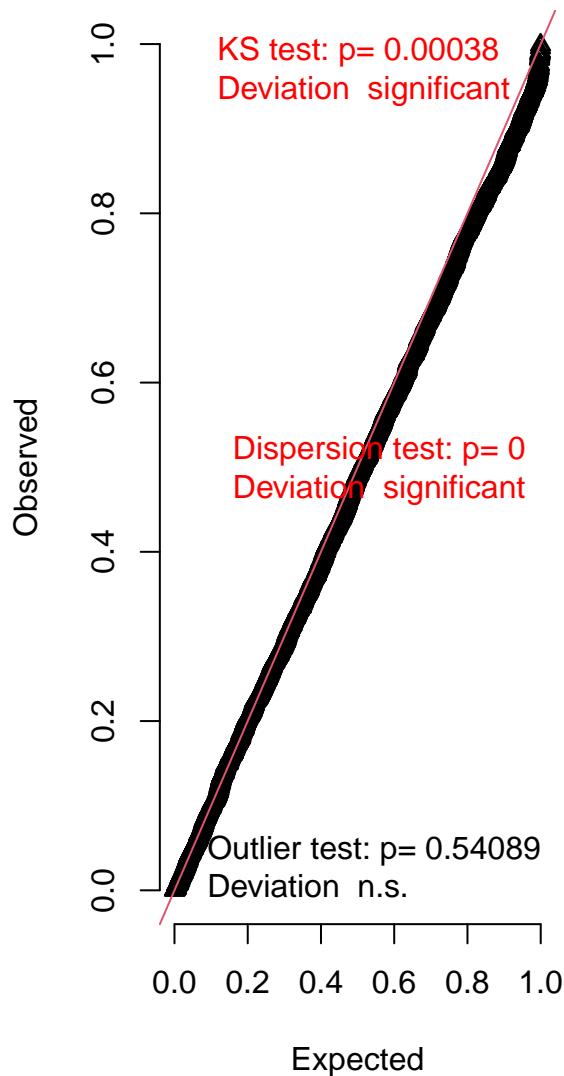

Residual vs. predicted

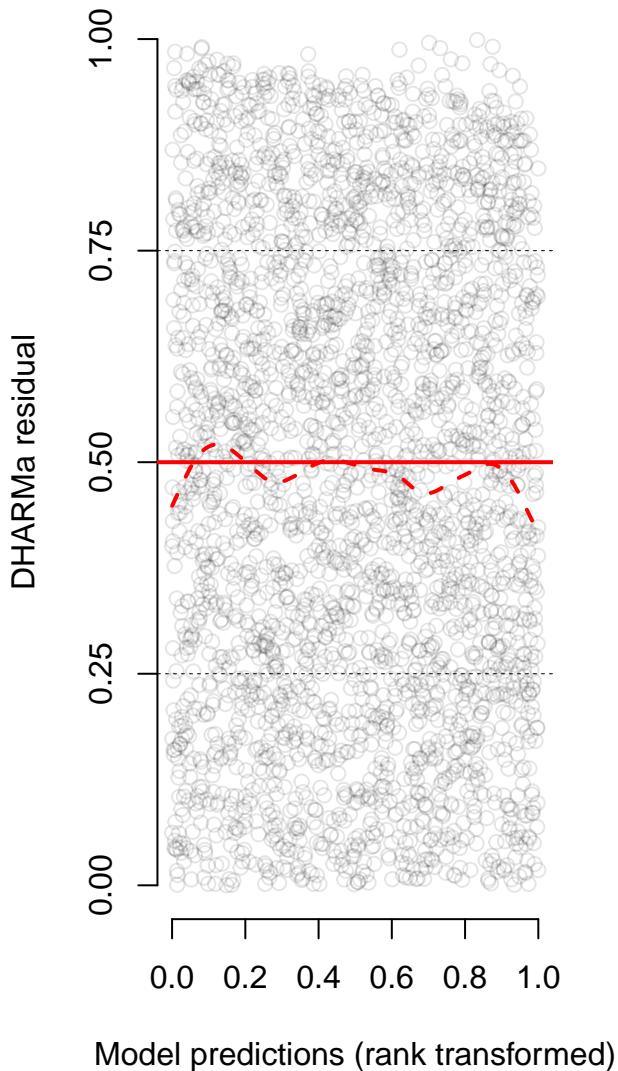

Echinodorus spp.

QQ plot residuals

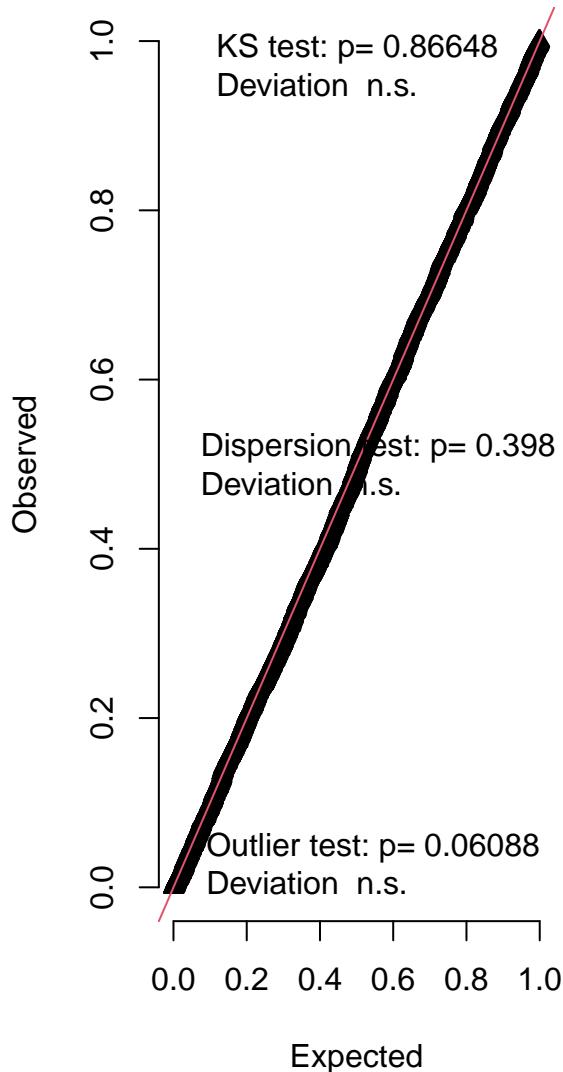

Residual vs. predicted

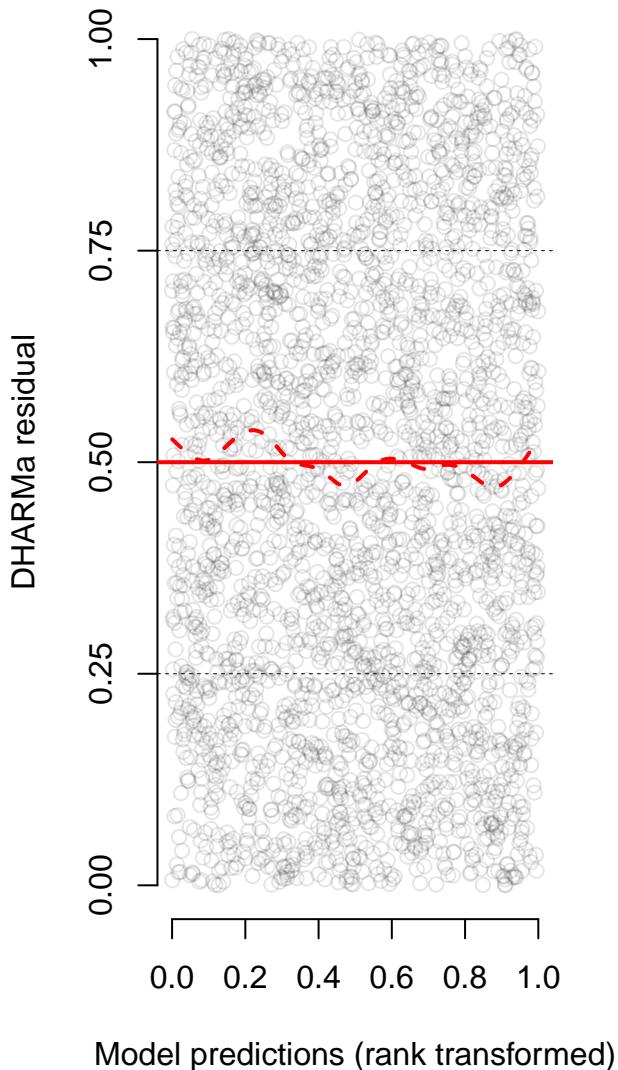

Eleocharis spp., emersed

QQ plot residuals

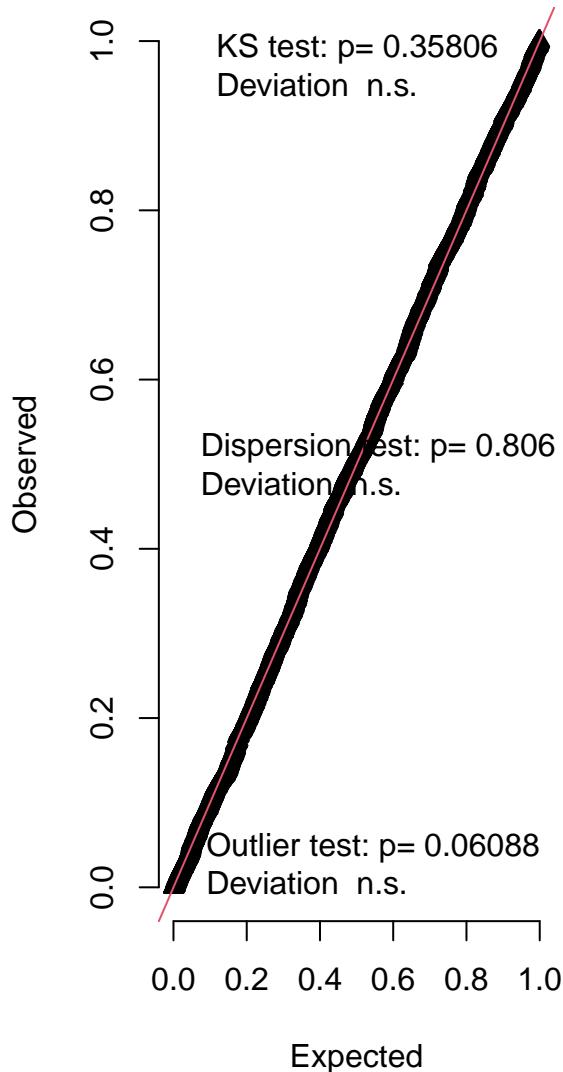

Residual vs. predicted

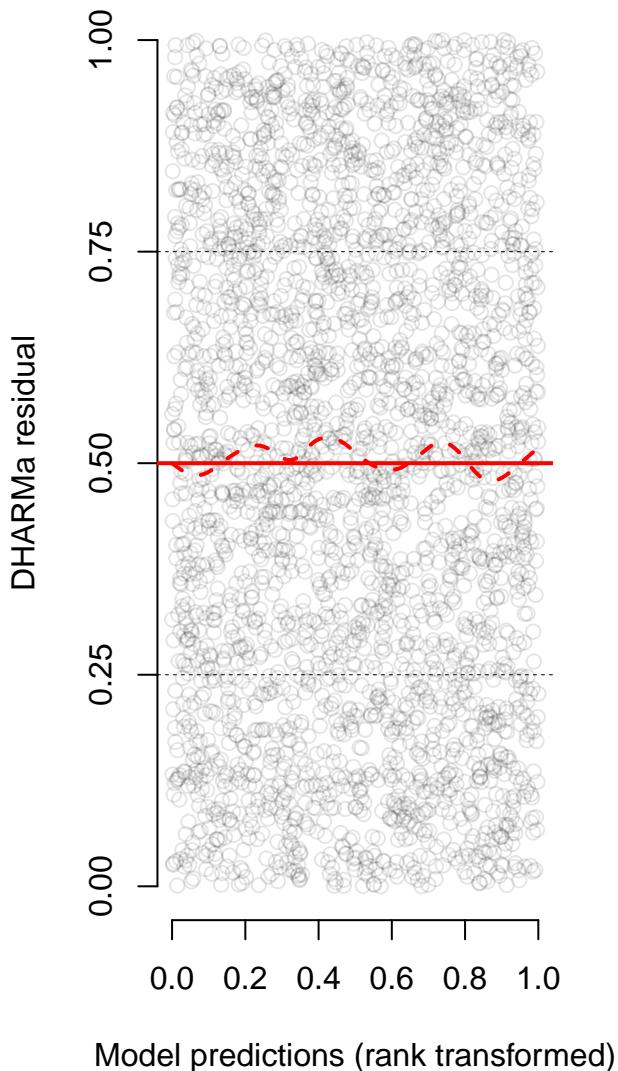

Eleocharis spp., sub/floating

QQ plot residuals

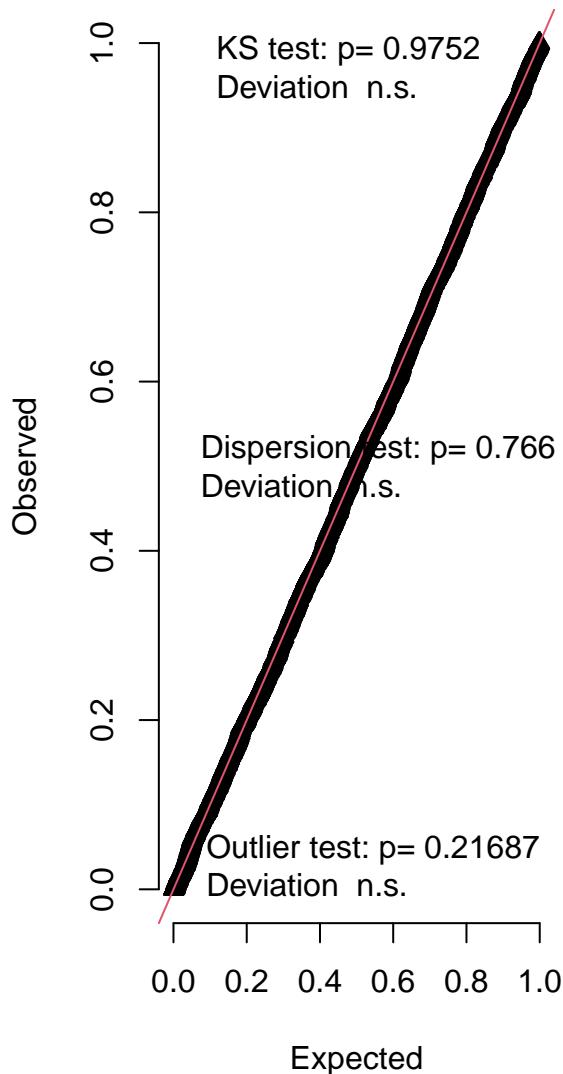

Residual vs. predicted

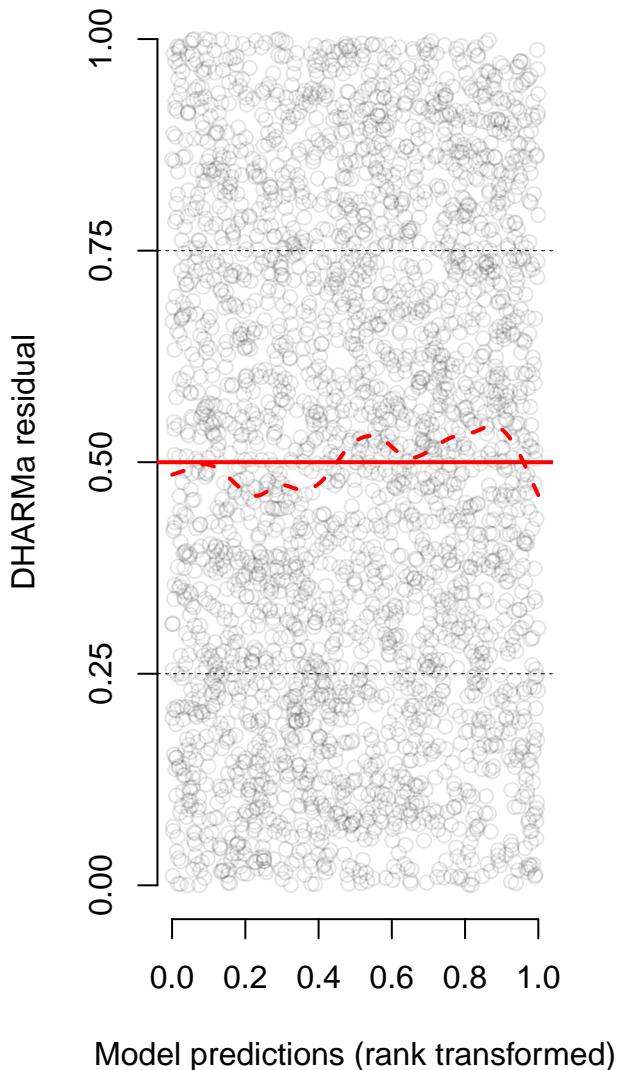

Filamentous algae

QQ plot residuals

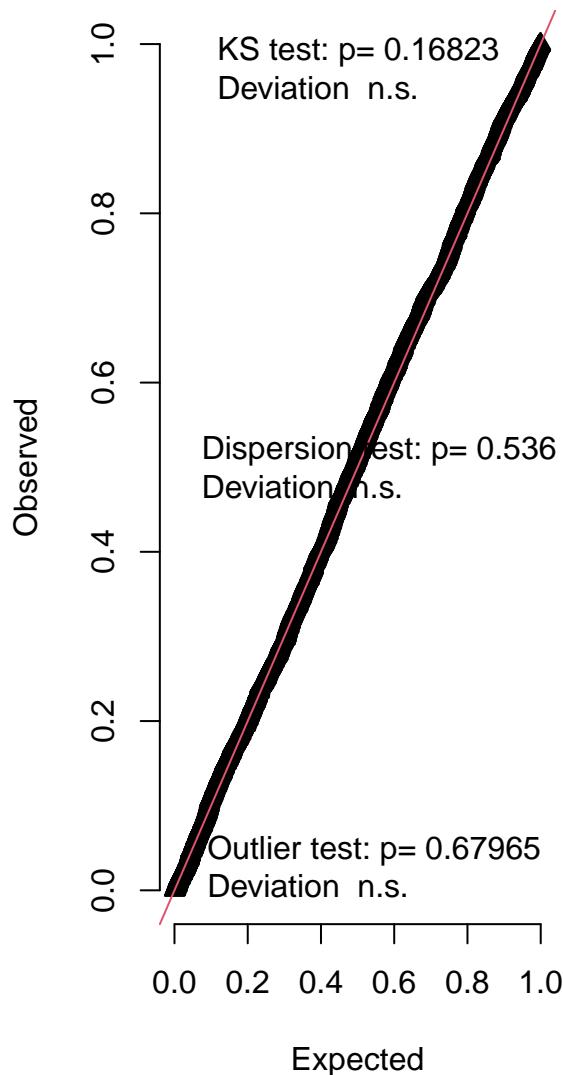

Residual vs. predicted

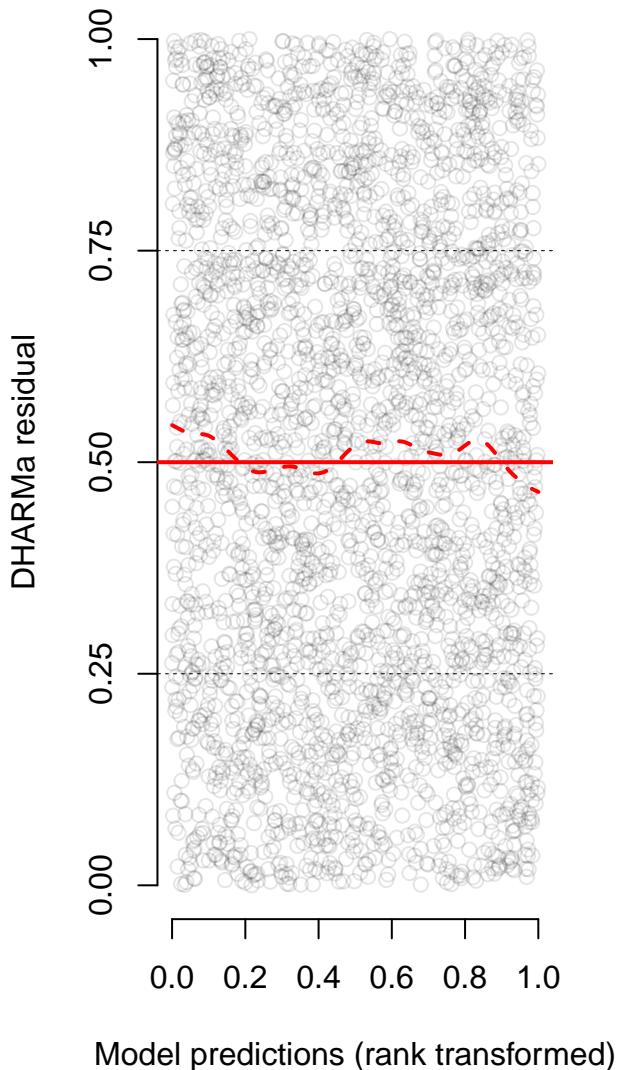

Fuirena spp.

QQ plot residuals

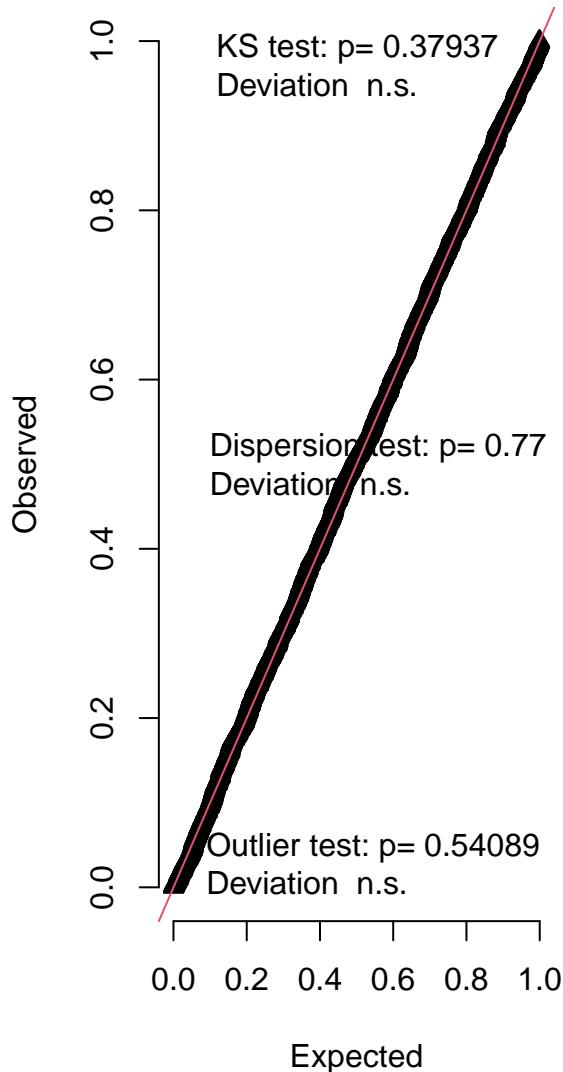

Residual vs. predicted

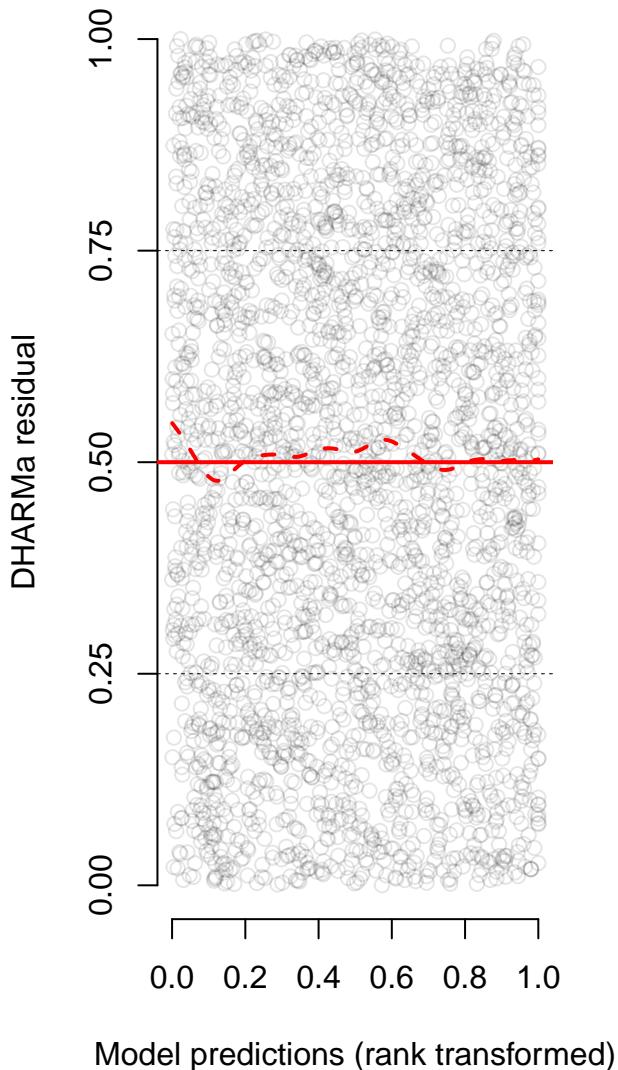

Hydrocotyle spp.

QQ plot residuals

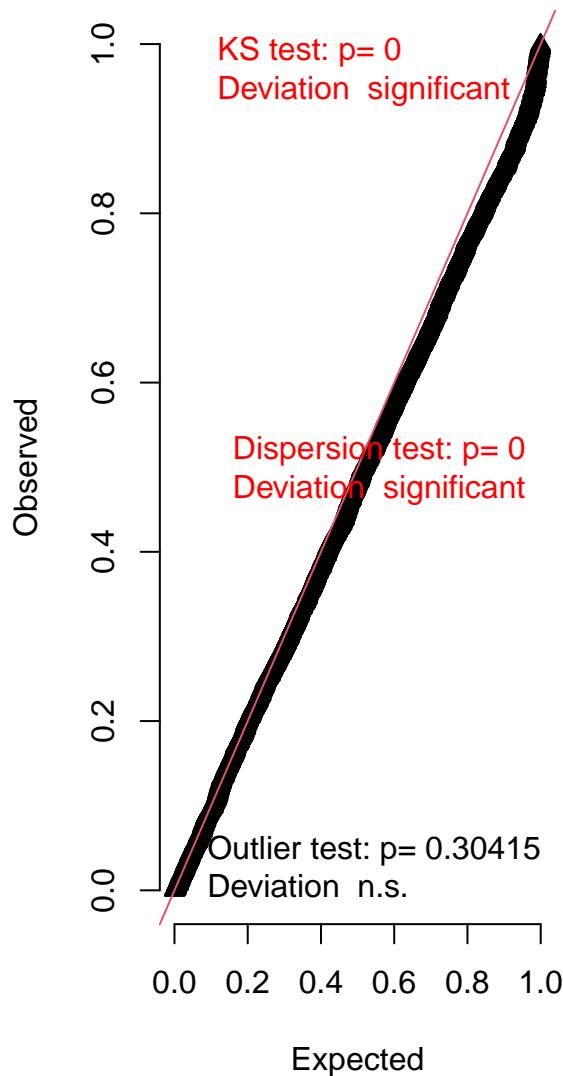

Residual vs. predicted

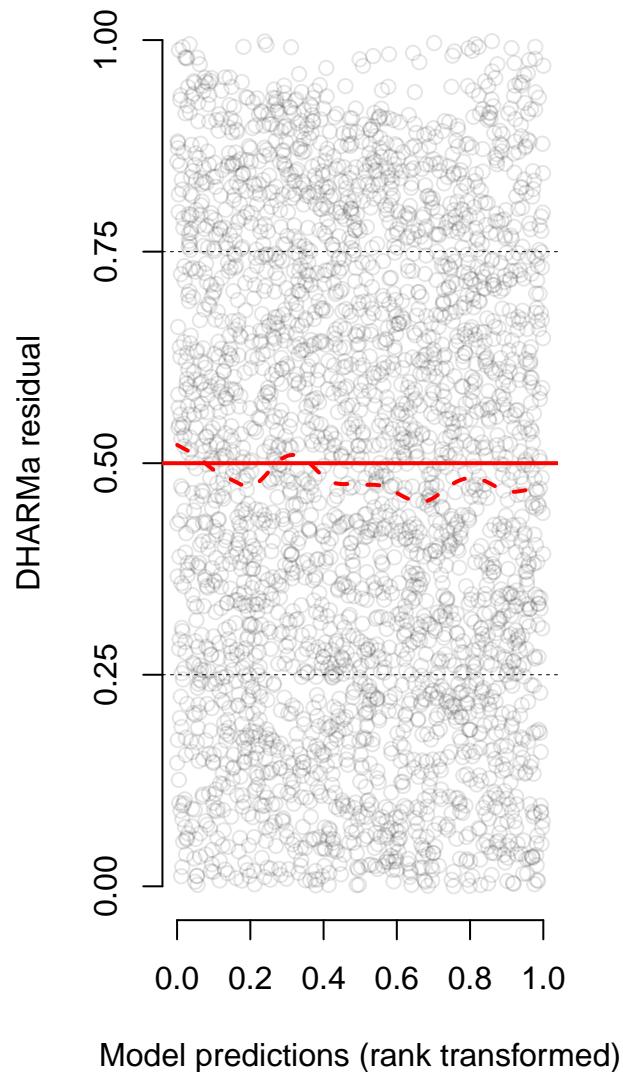

Hymenocallis spp.

QQ plot residuals

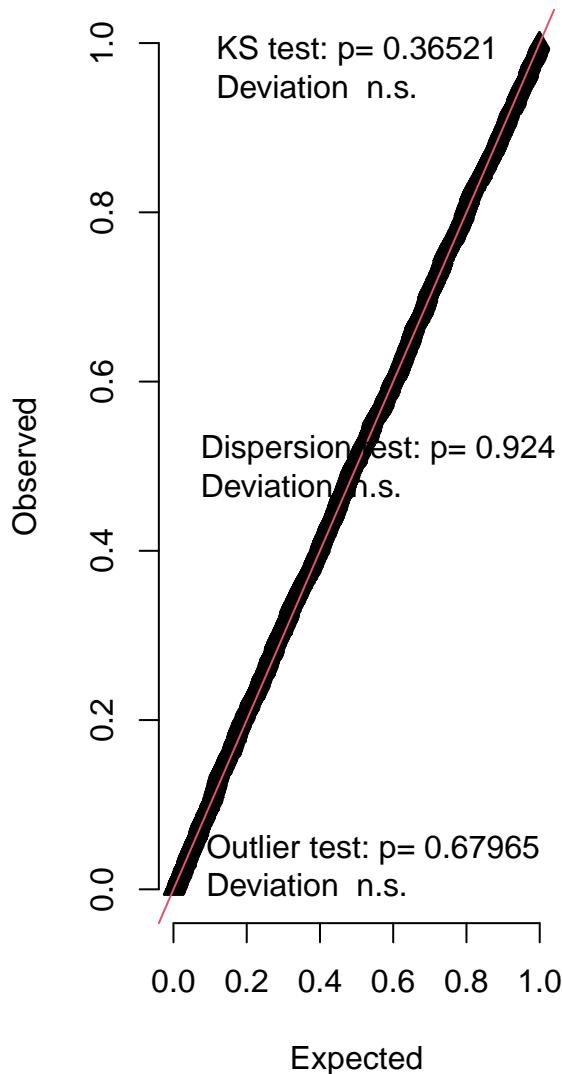

Residual vs. predicted

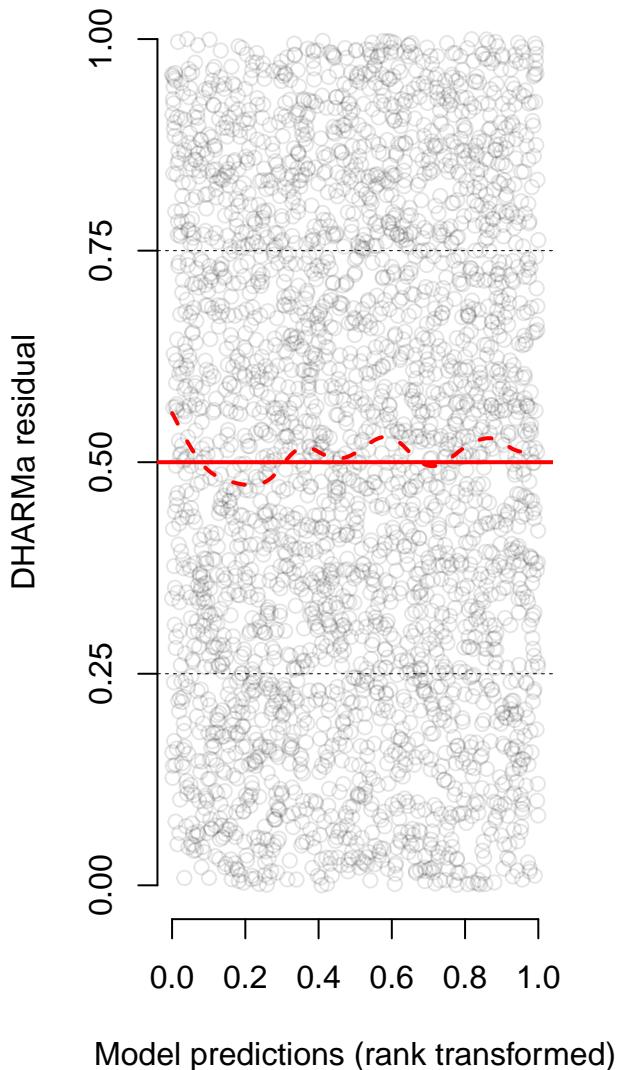

Hypericum spp.

QQ plot residuals

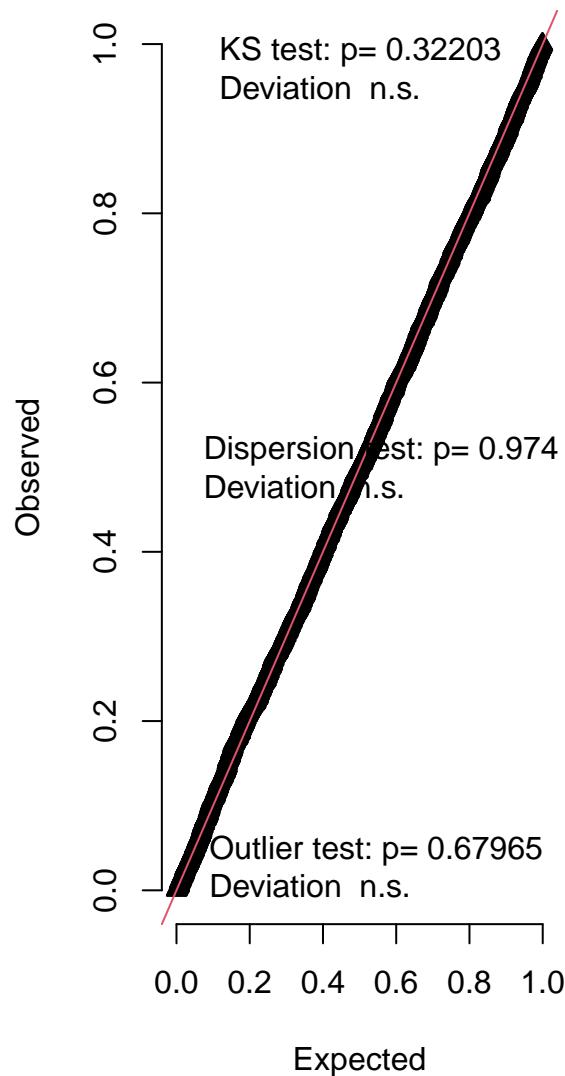

Residual vs. predicted

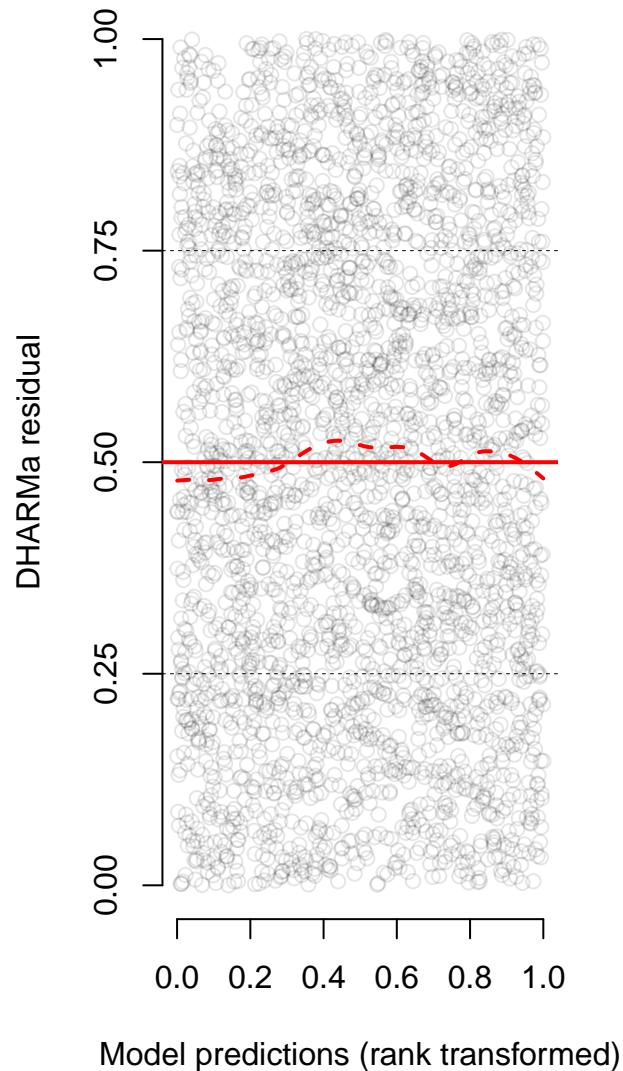

Juncus effusus

QQ plot residuals

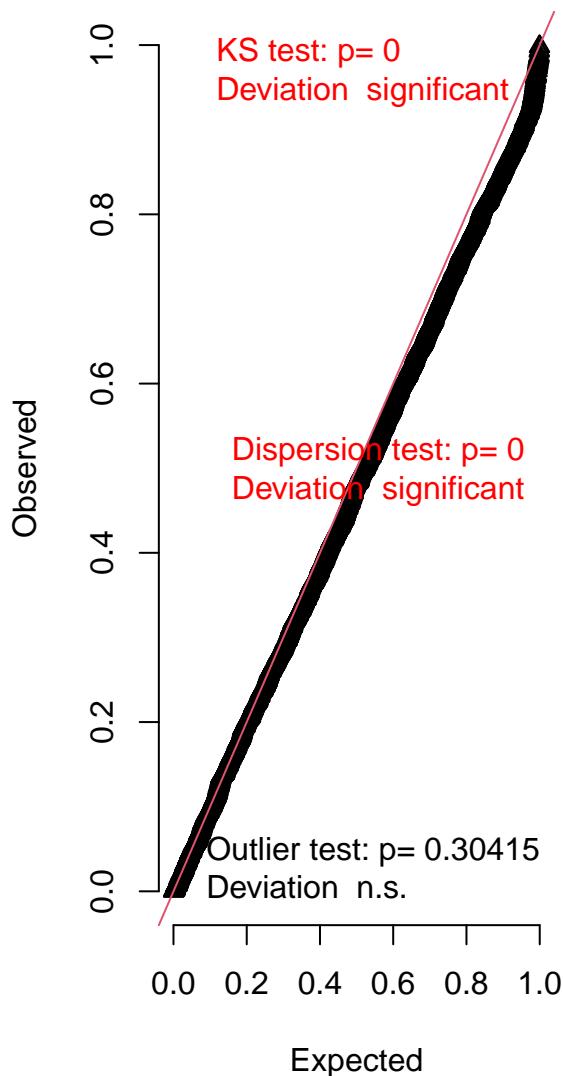

Residual vs. predicted

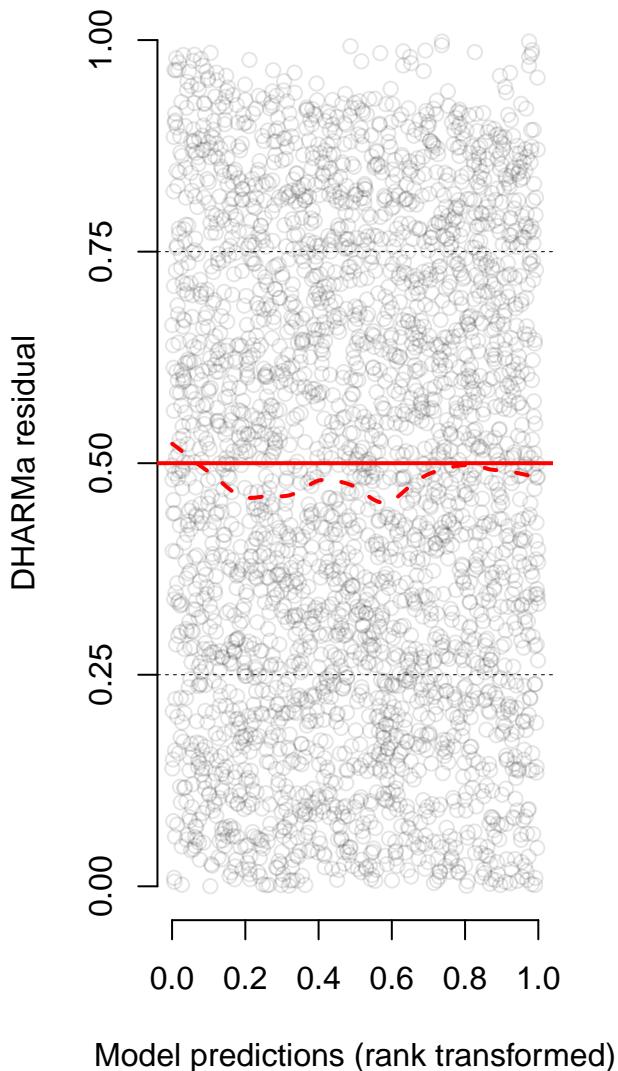

Juncus repens

QQ plot residuals

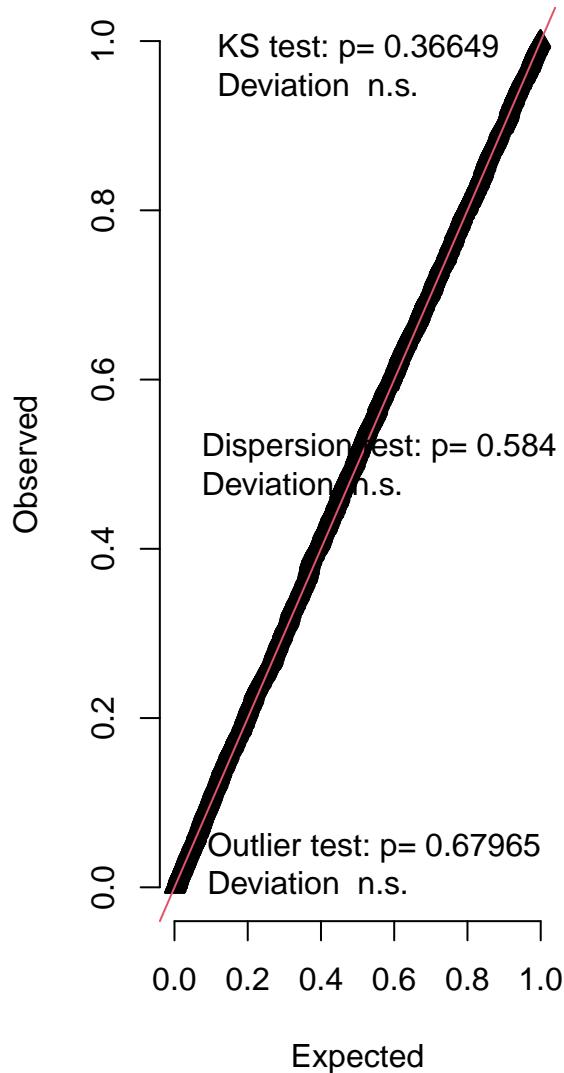

Residual vs. predicted

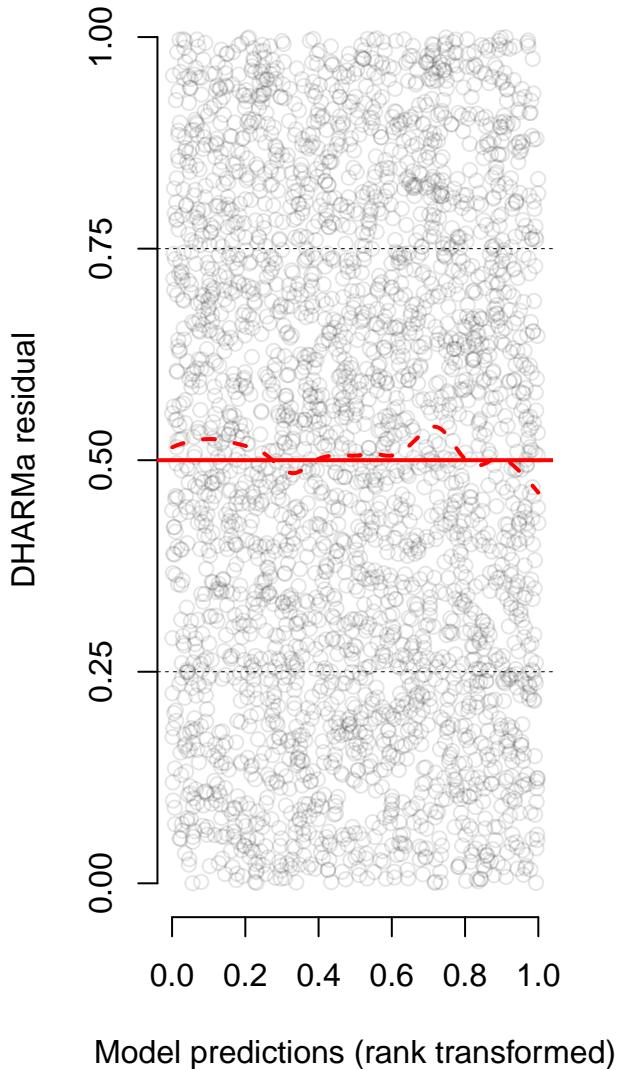

Leersia hexandra

QQ plot residuals

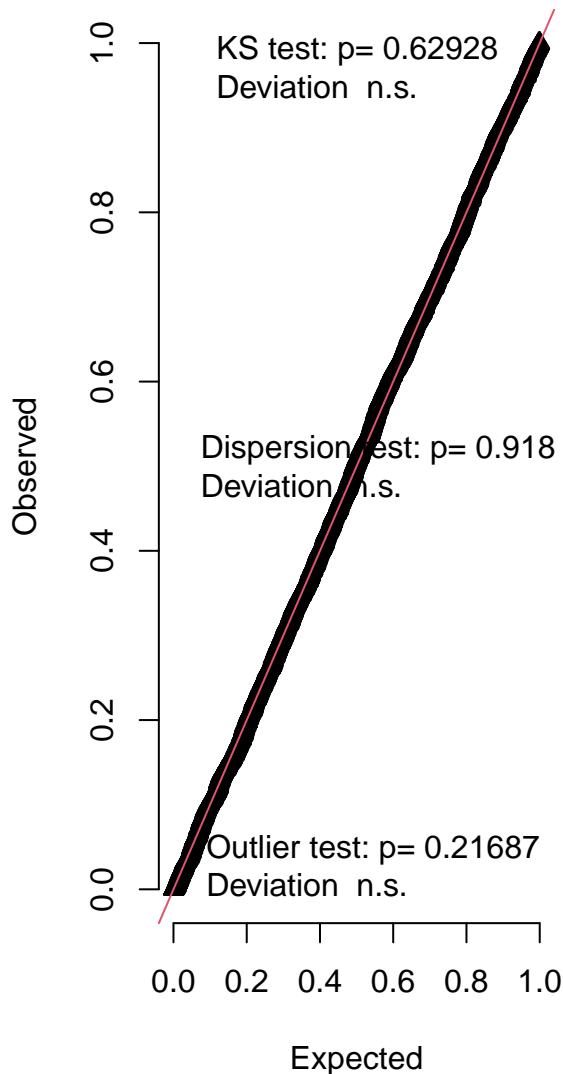

Residual vs. predicted

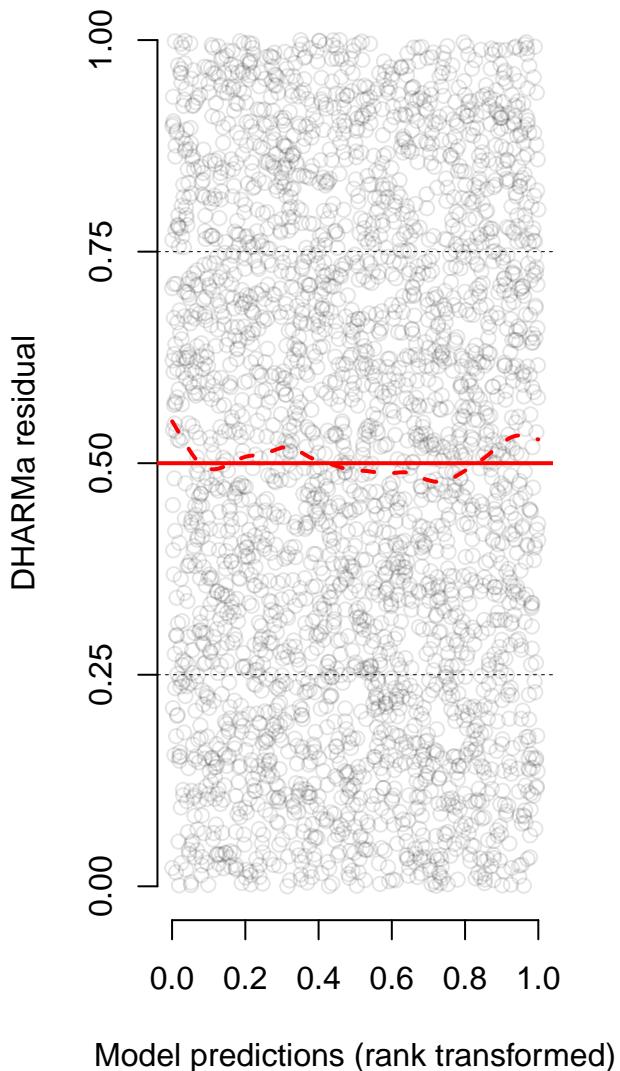

Lemna/Spirodela spp.

QQ plot residuals

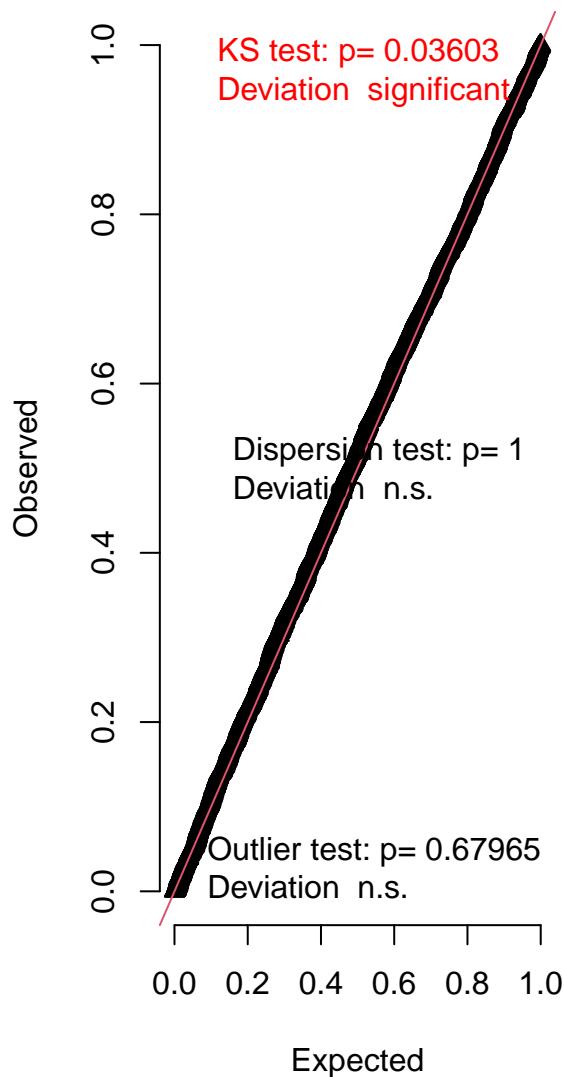

Residual vs. predicted

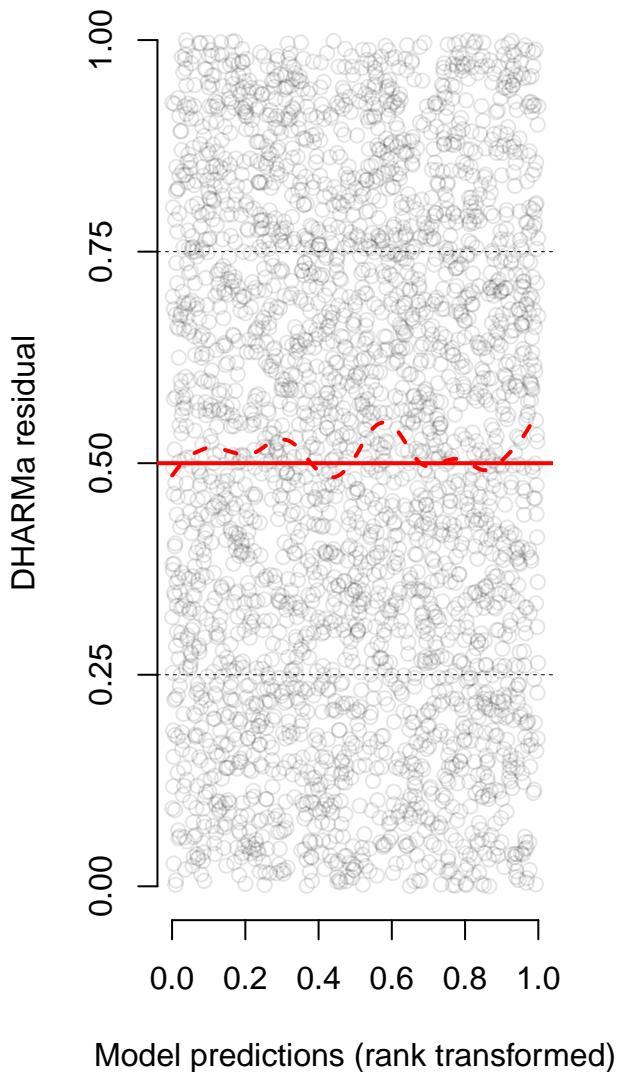

Limnobium spongia

QQ plot residuals

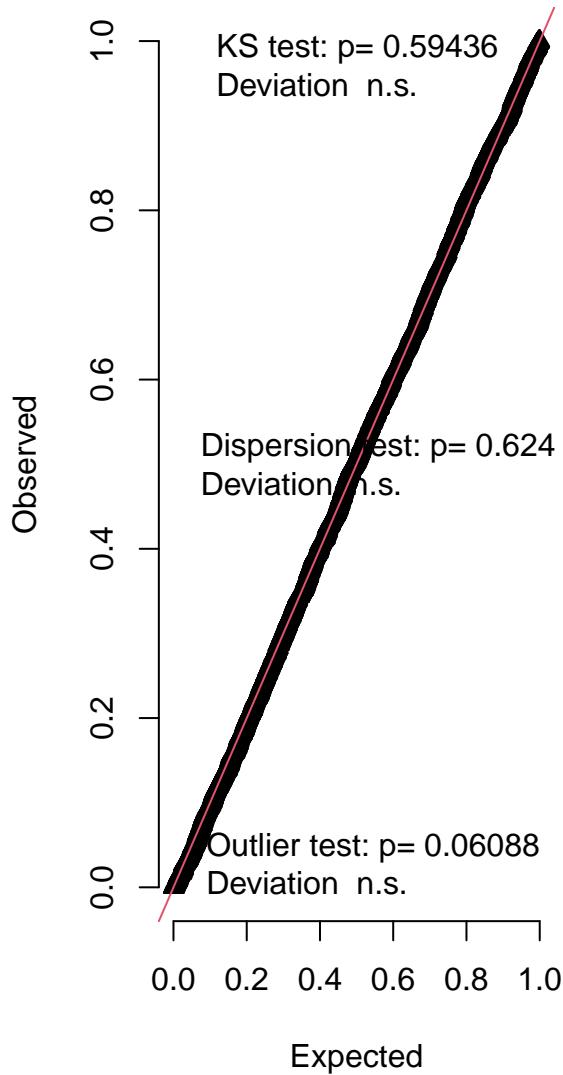

Residual vs. predicted

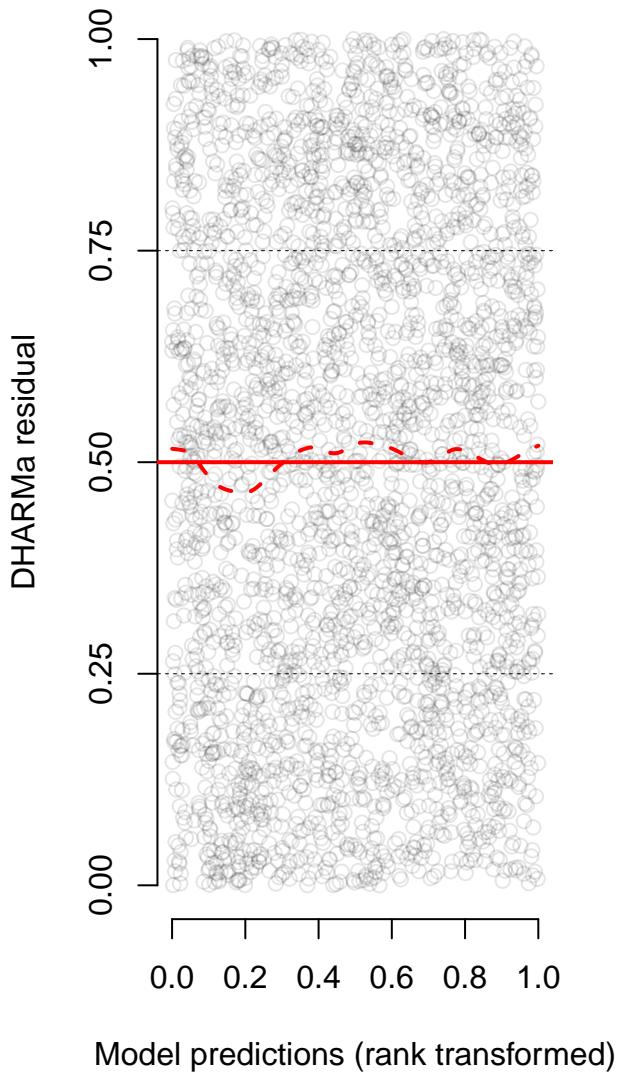

Ludwigia octovalvis/peruviana

QQ plot residuals

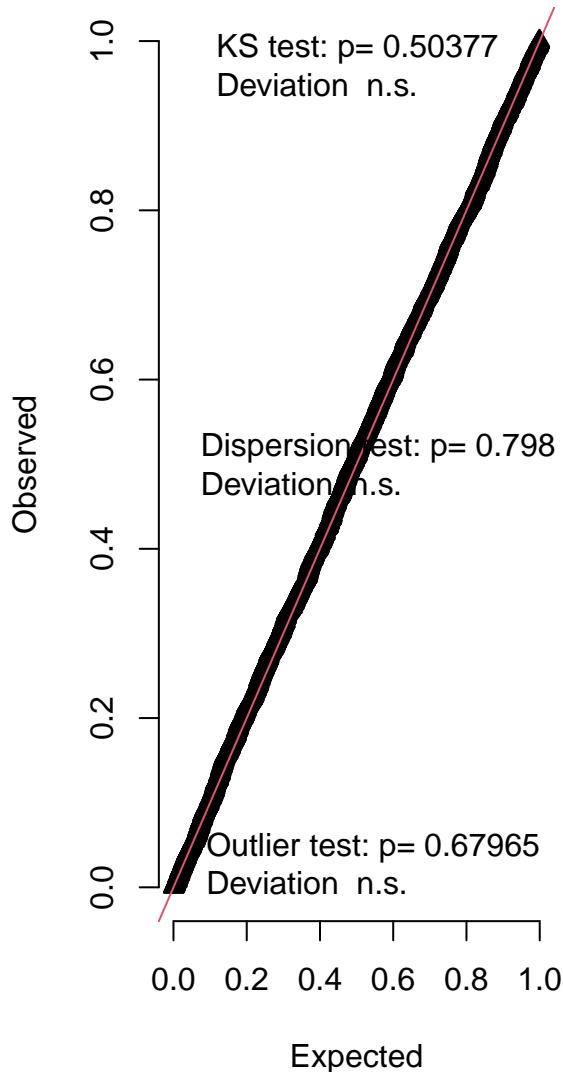

Residual vs. predicted

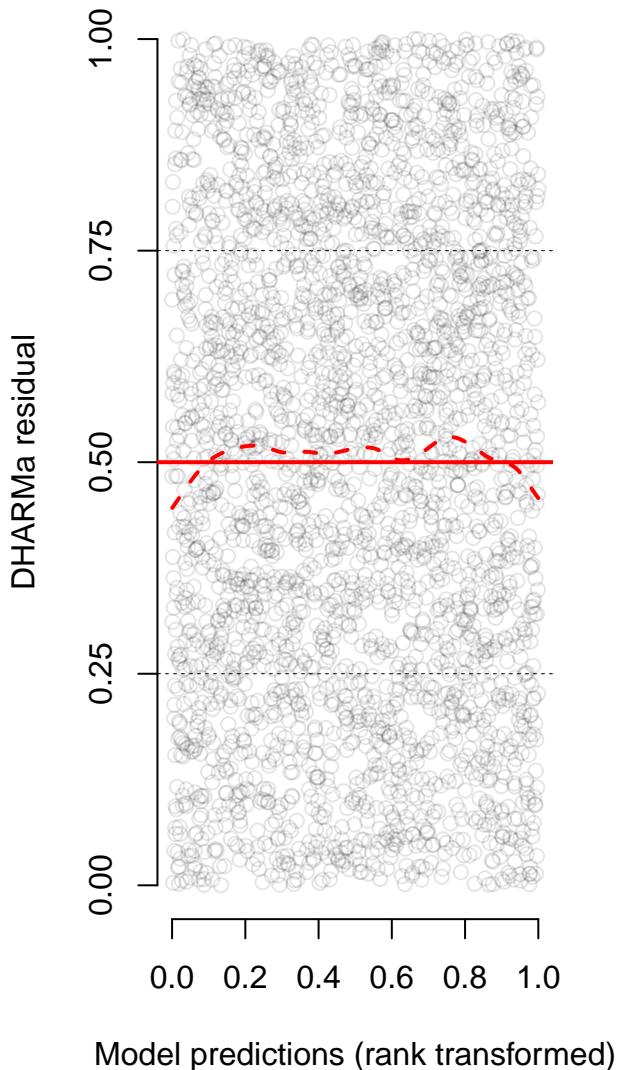

Ludwigia palustris/repens

QQ plot residuals

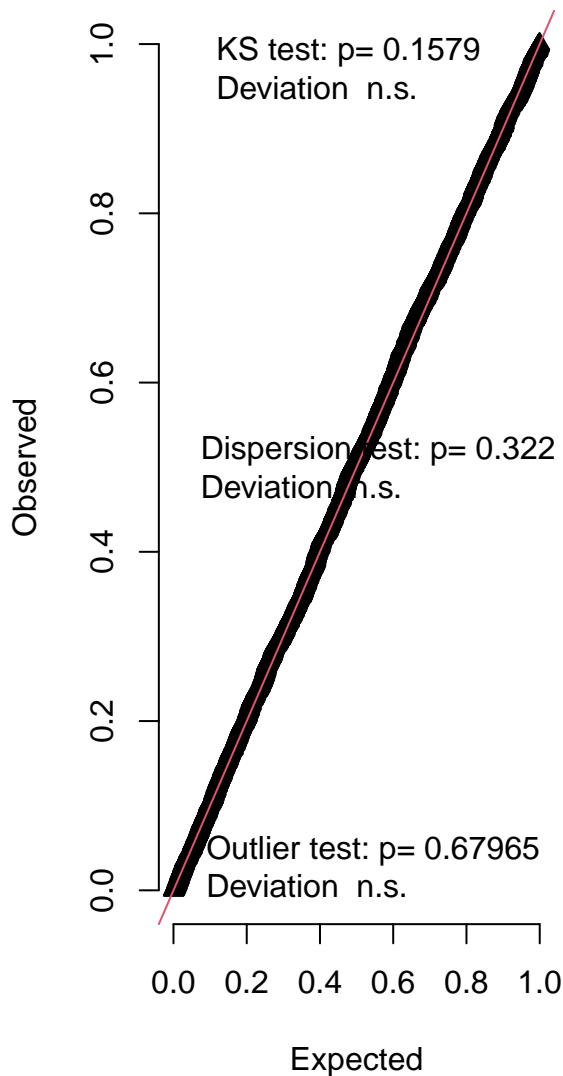

Residual vs. predicted

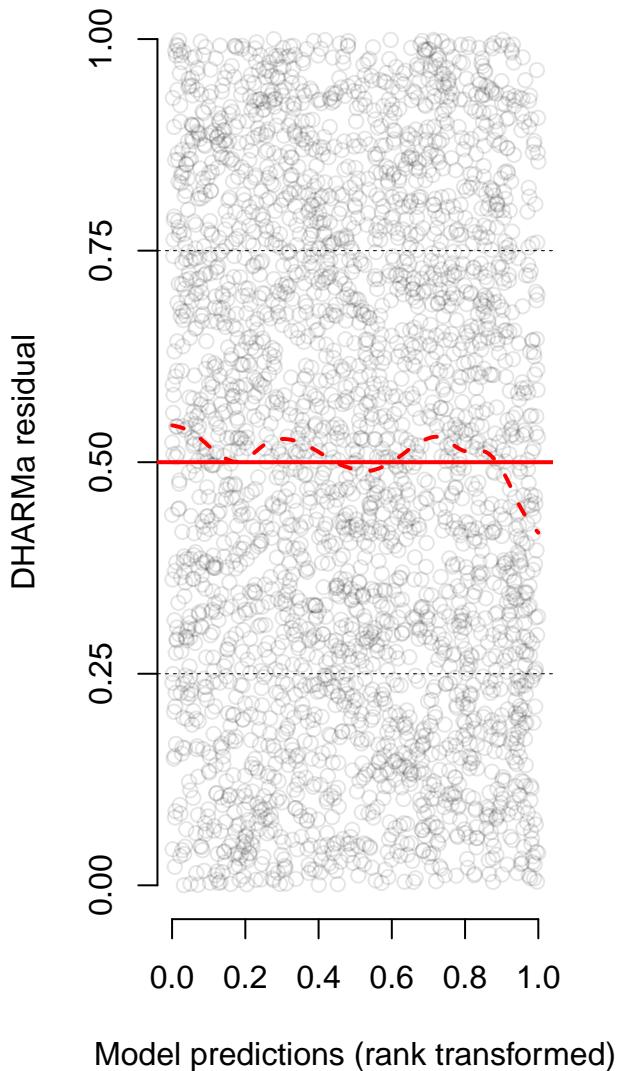

Luziola fluitans

QQ plot residuals

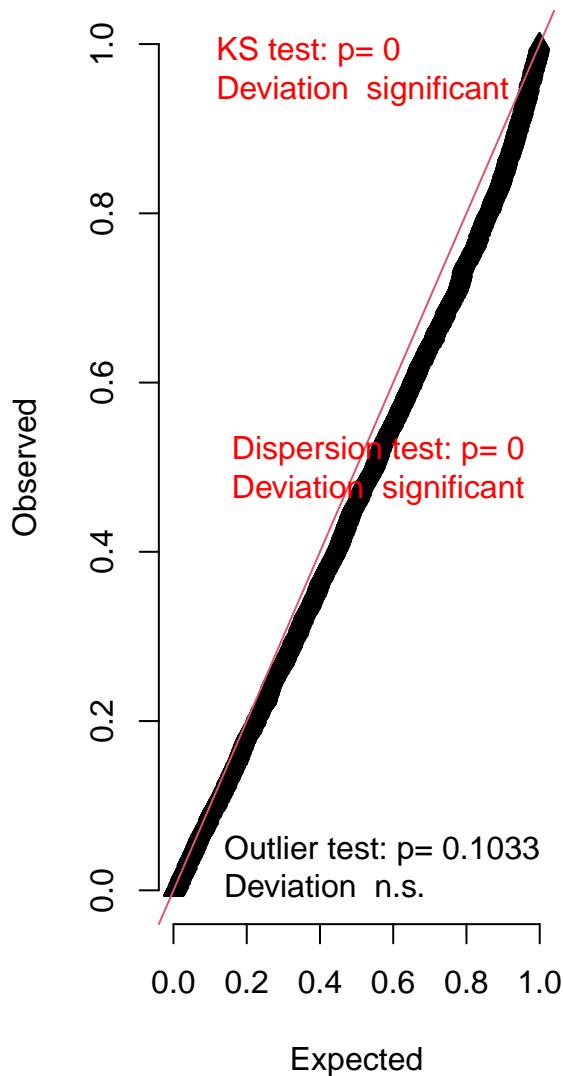

Residual vs. predicted

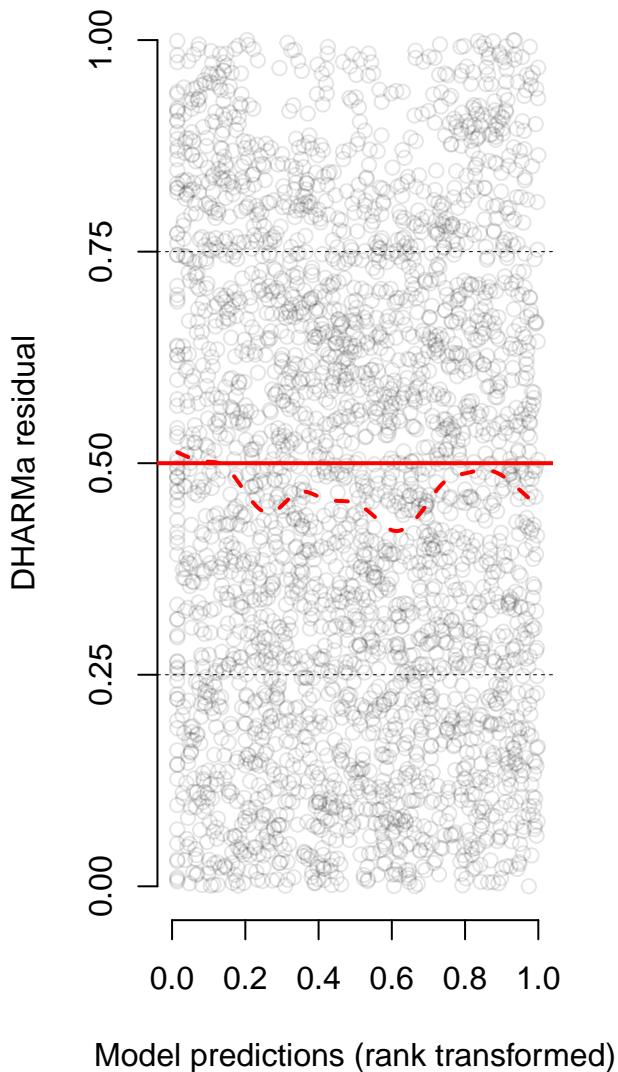

Mayaca fluviatilis

QQ plot residuals

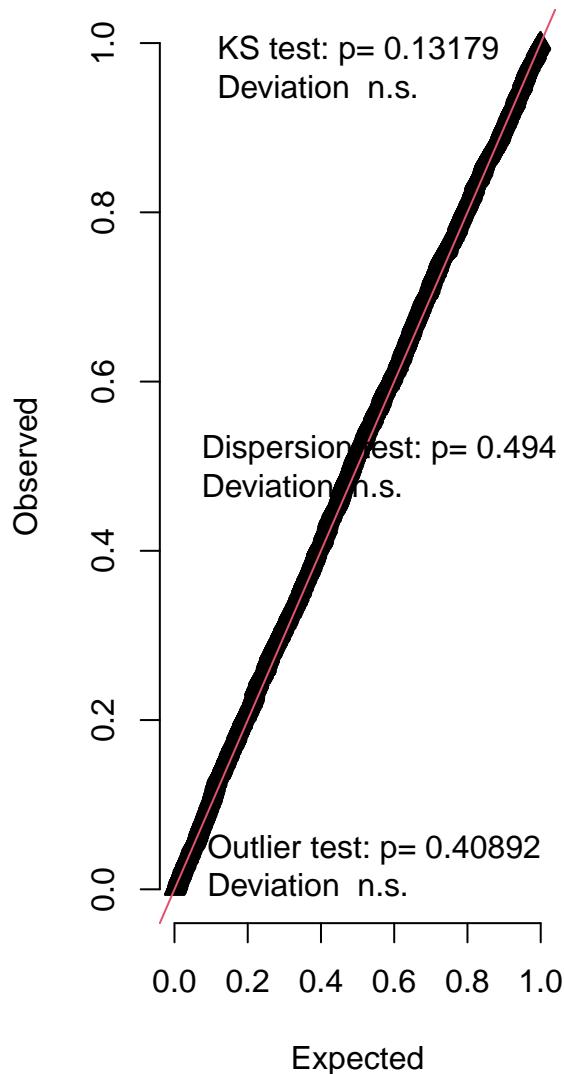

Residual vs. predicted

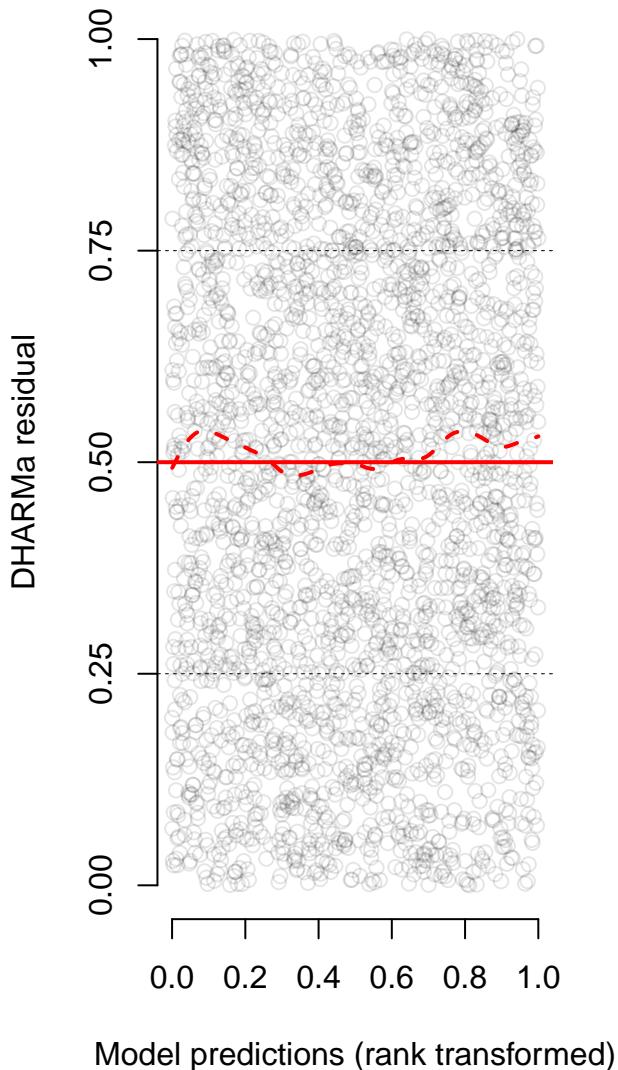

Micranthemum glomeratum

QQ plot residuals

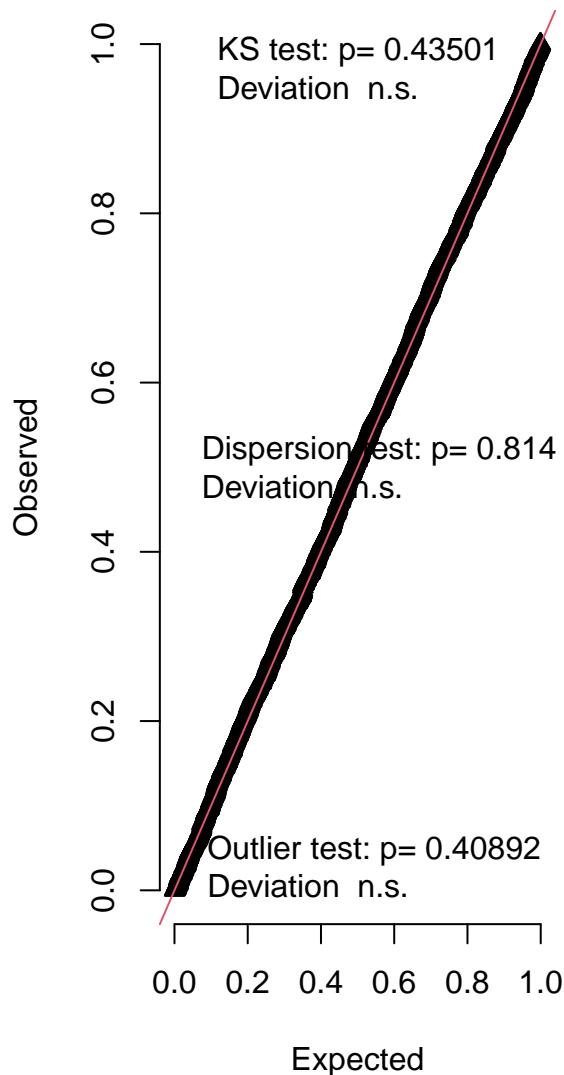

Residual vs. predicted

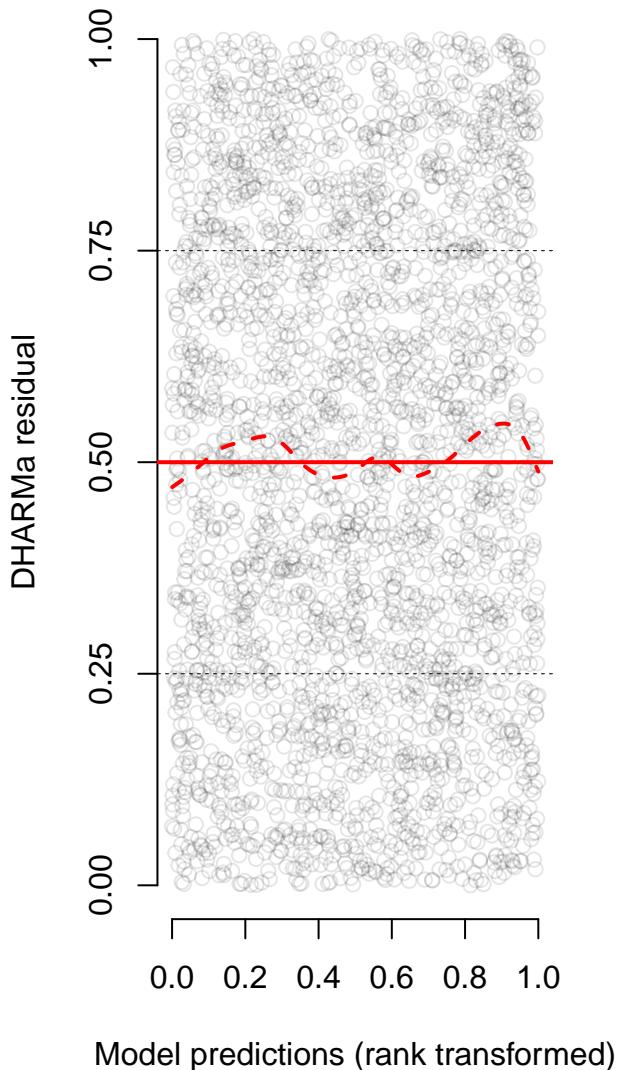

Micranthemum umbrosum

QQ plot residuals

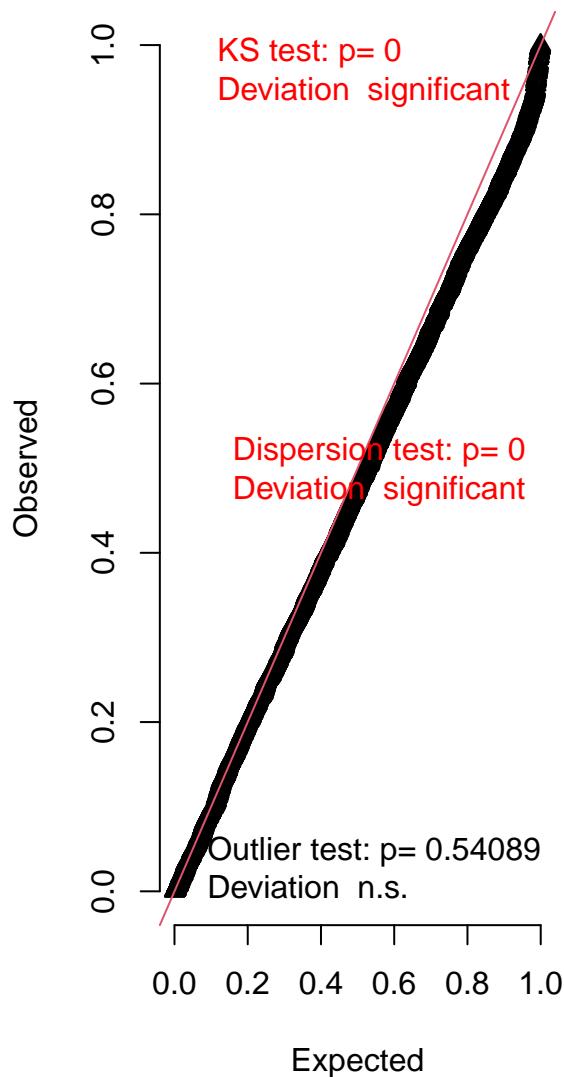

Residual vs. predicted

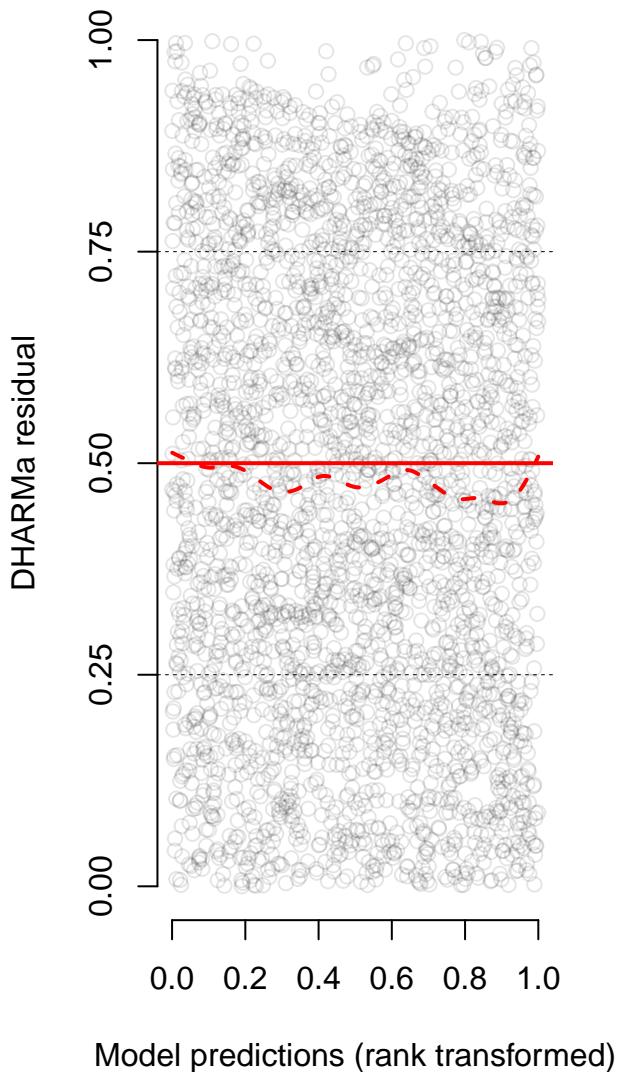

Myriophyllum heterophyllum

QQ plot residuals

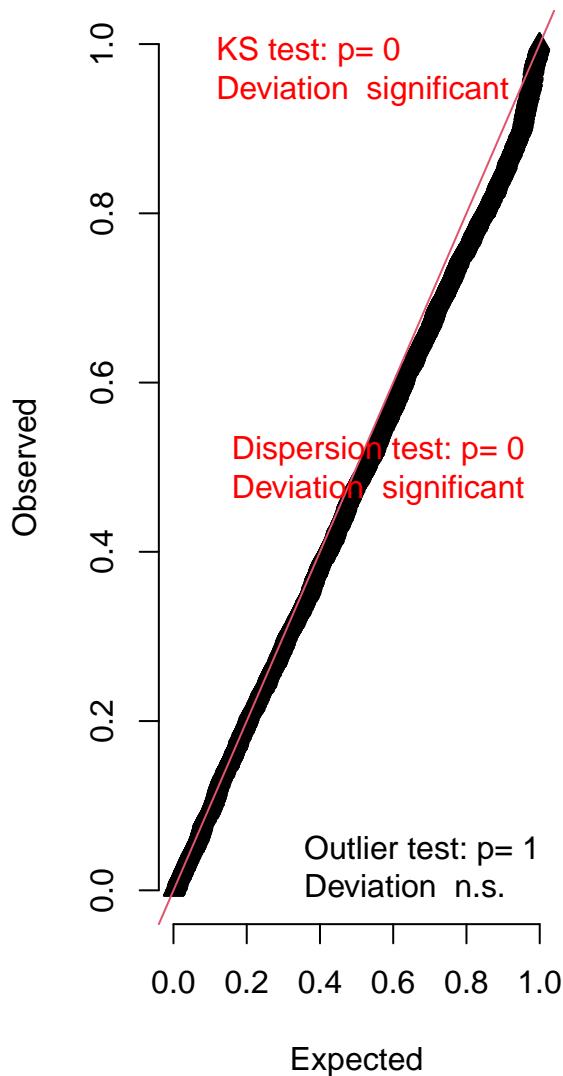

Residual vs. predicted

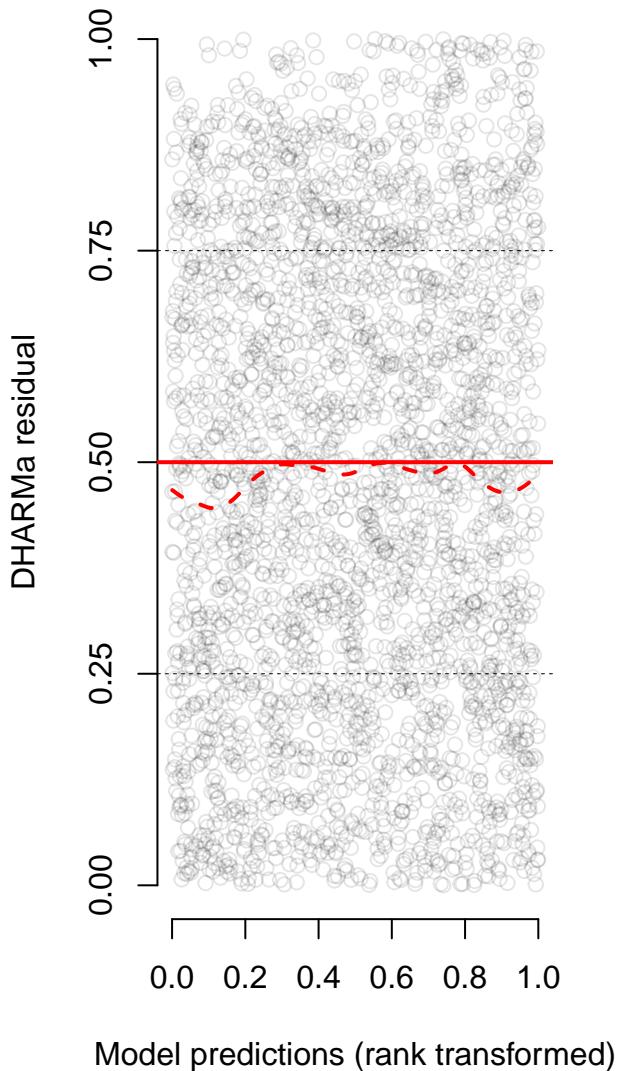

Myriophyllum laxum/pinnatum

QQ plot residuals

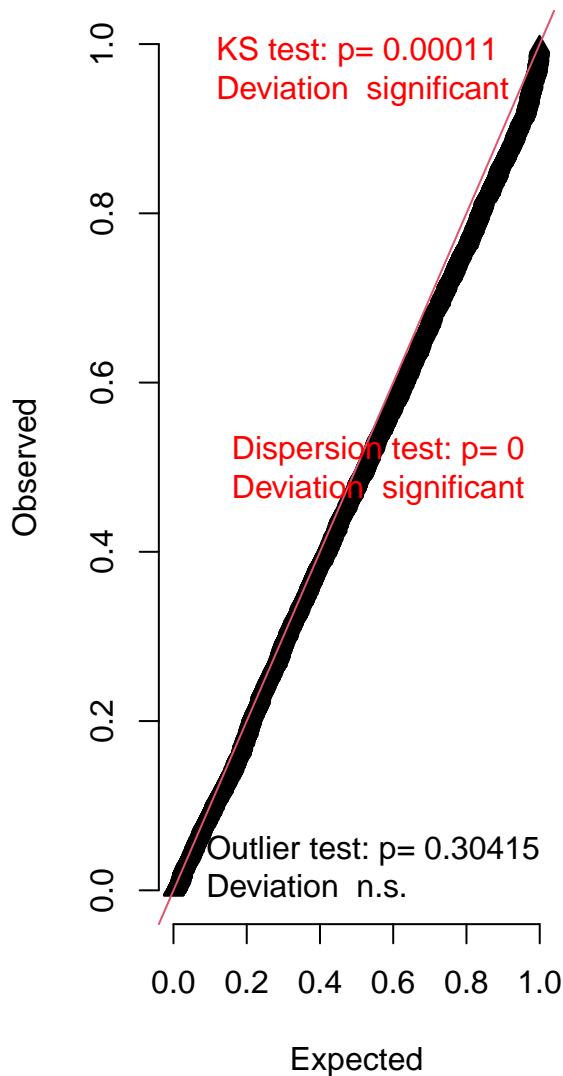

Residual vs. predicted

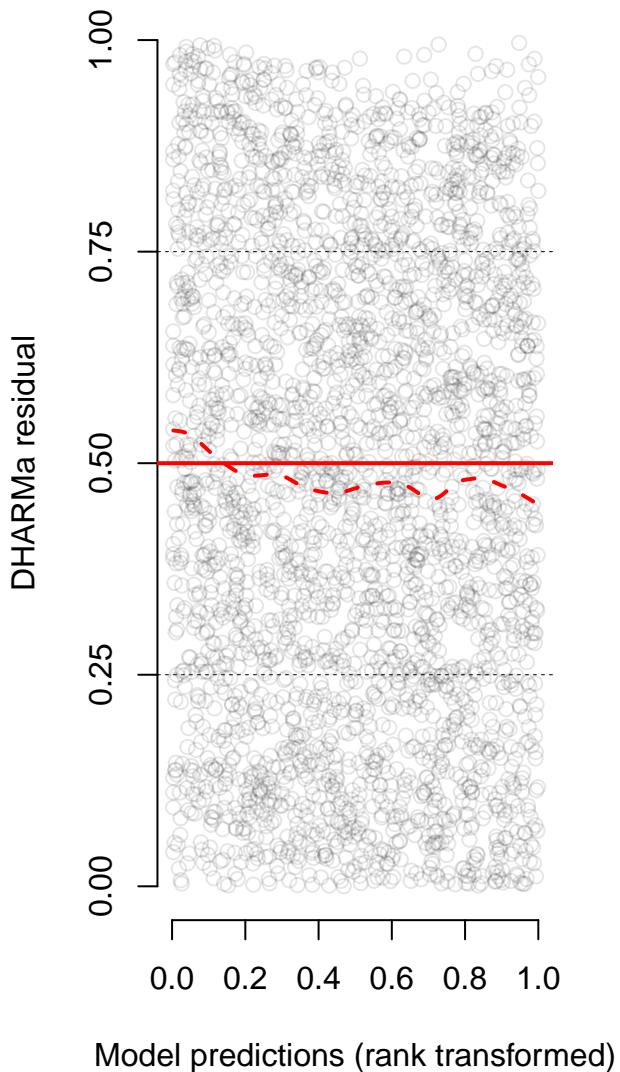

Najas filifolia

QQ plot residuals

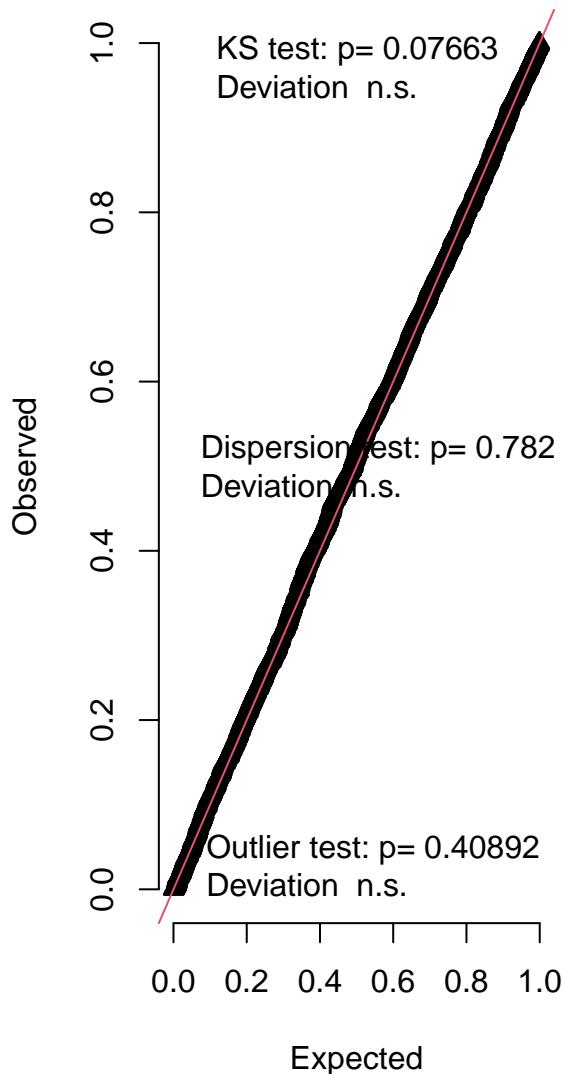

Residual vs. predicted

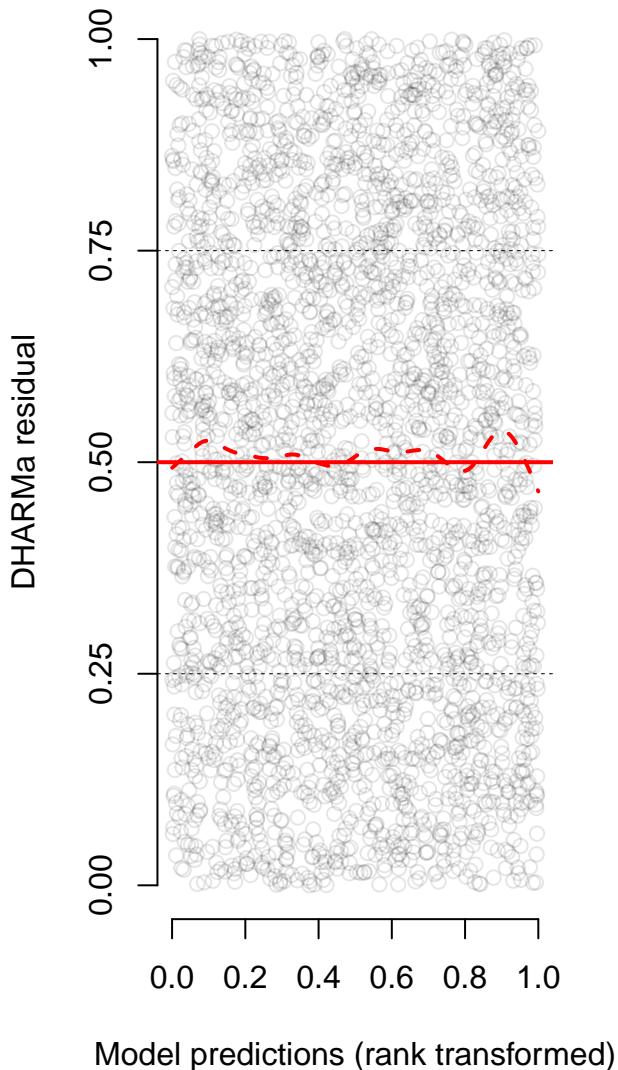

Najas guadalupensis

QQ plot residuals

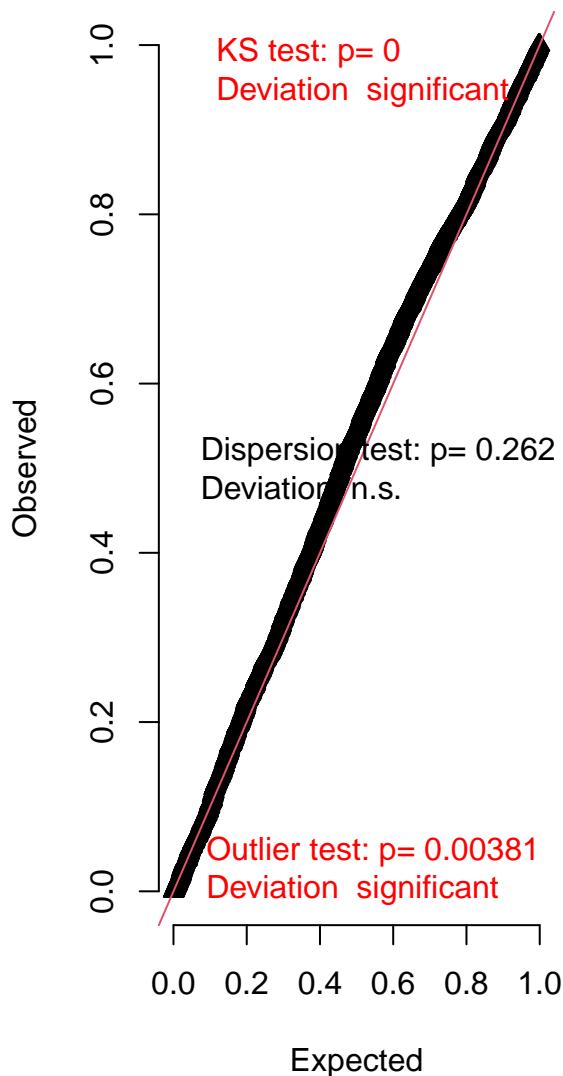

Residual vs. predicted

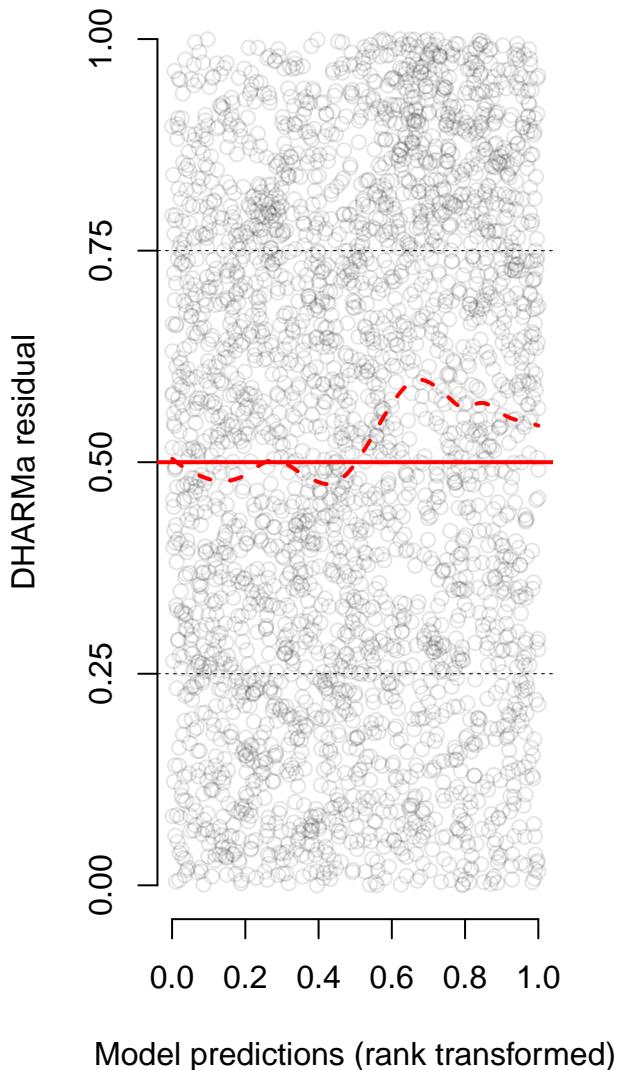

Nelumbo lutea

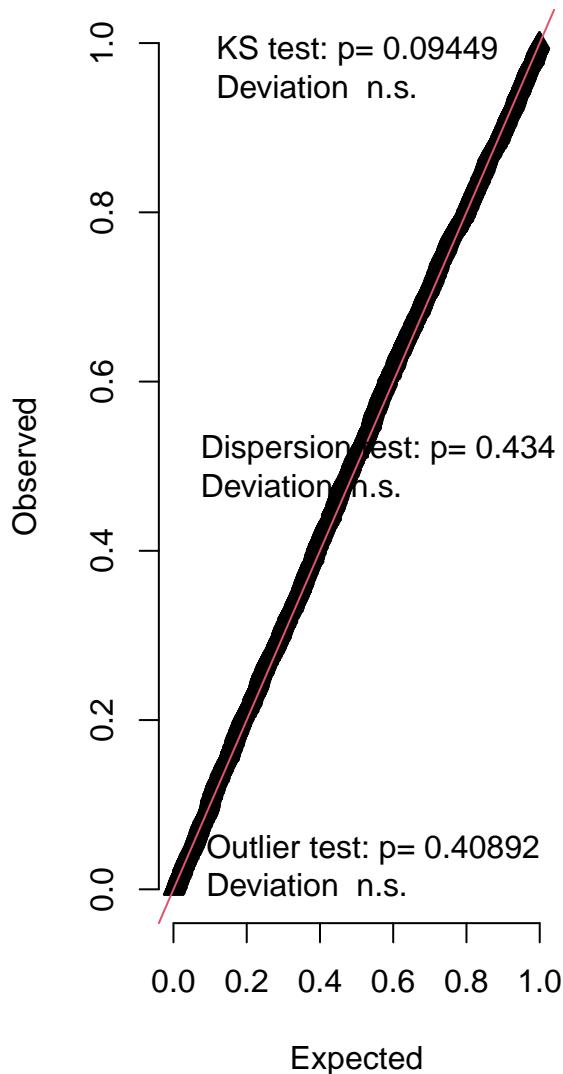

QQ plot residuals

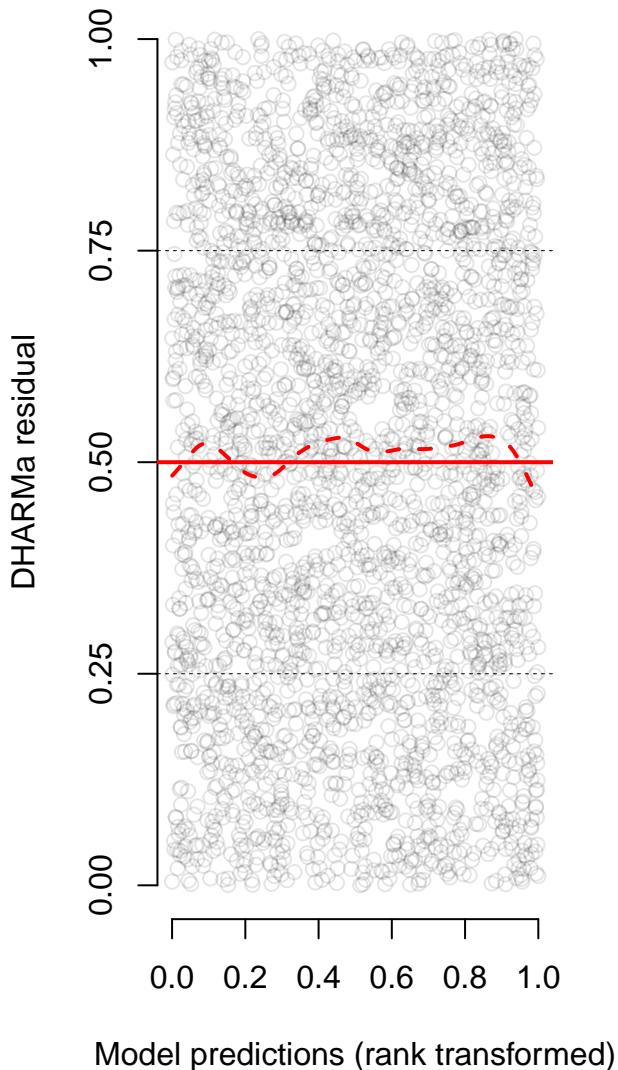

Residual vs. predicted

QQ plot residuals

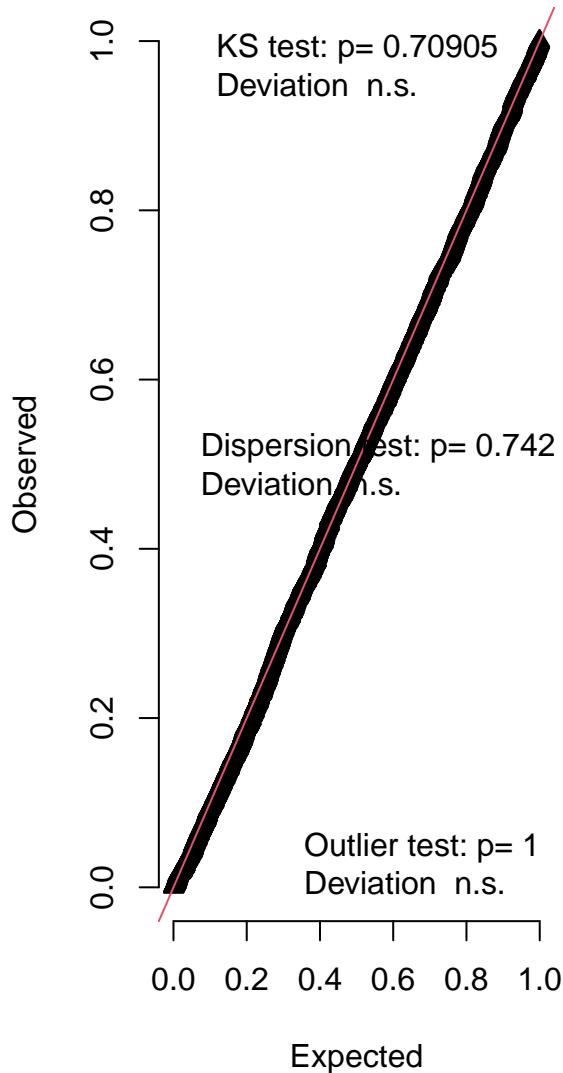

Residual vs. predicted

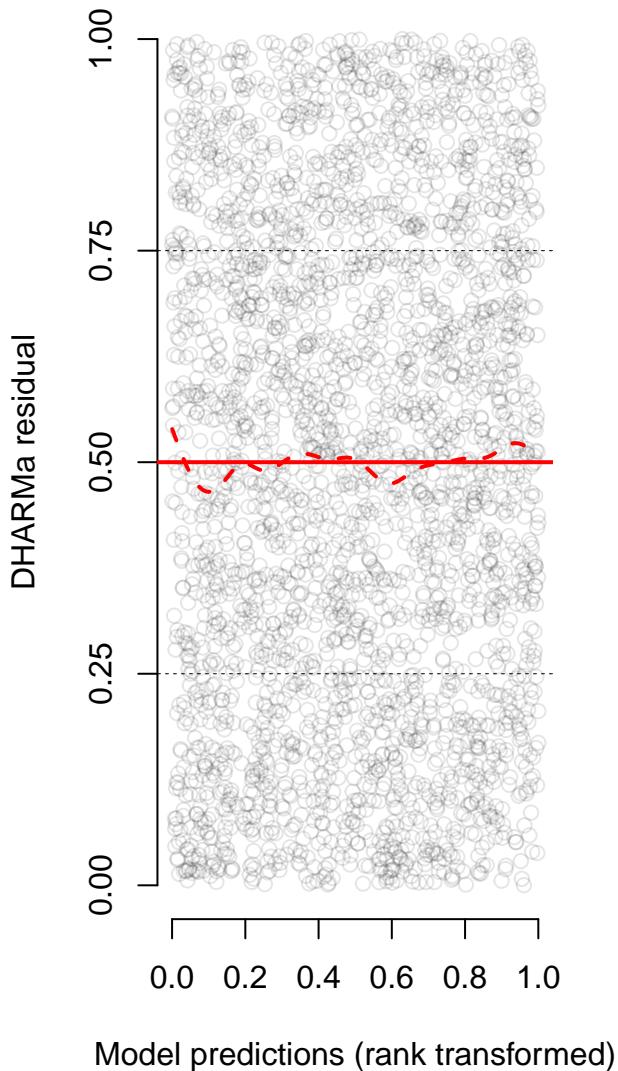

Nuphar advena

QQ plot residuals

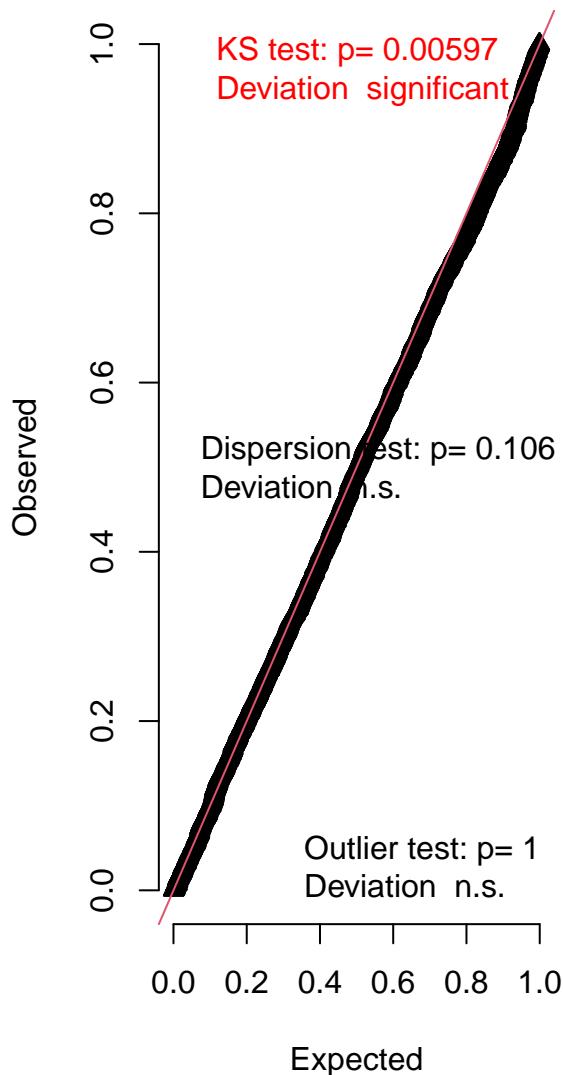

Residual vs. predicted

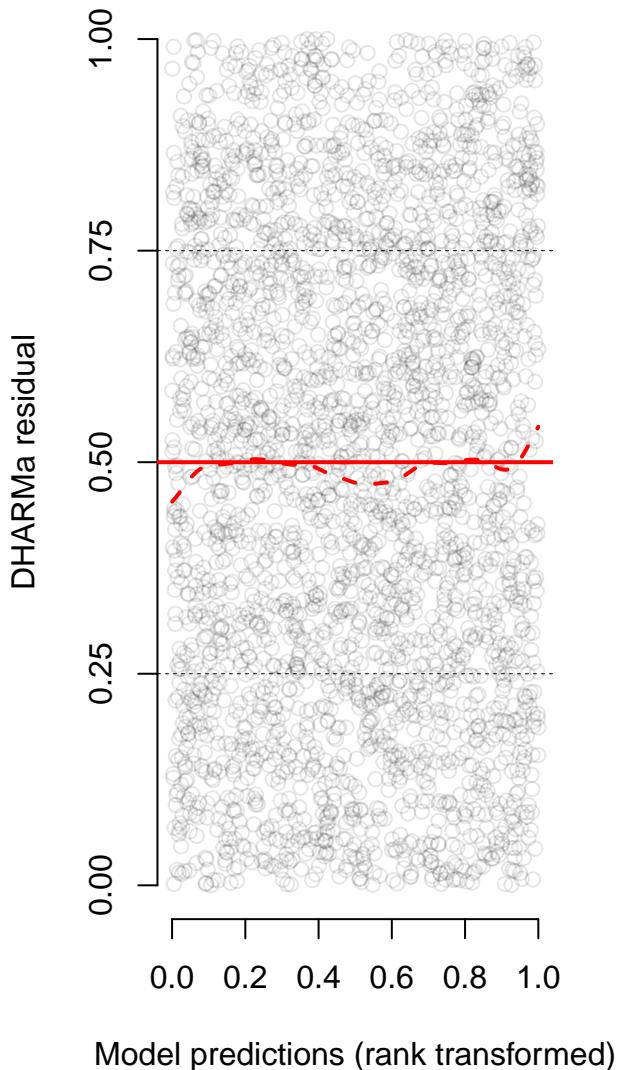

Nymphaea mexicana

QQ plot residuals

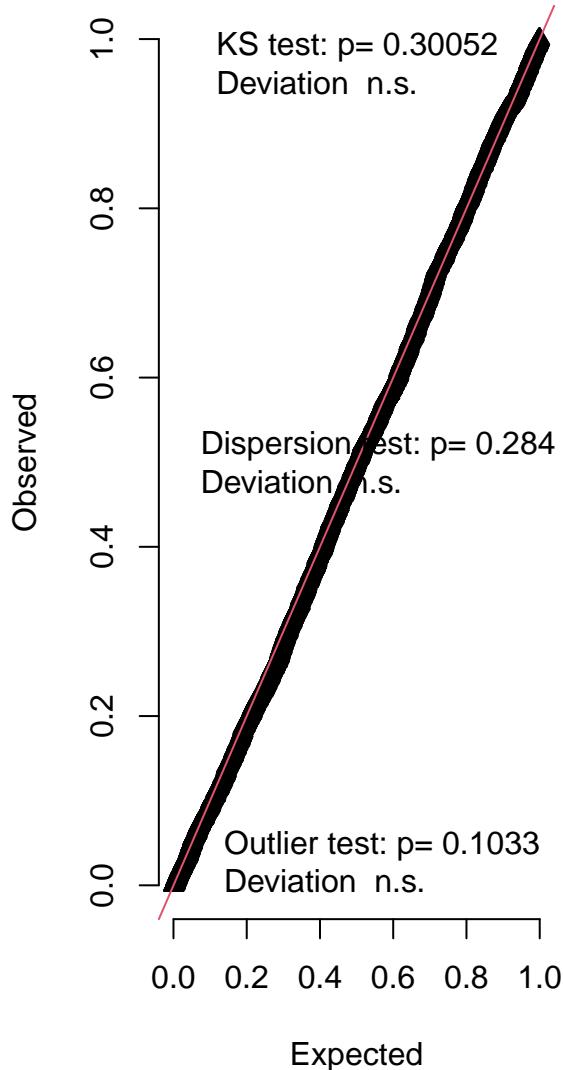

Residual vs. predicted

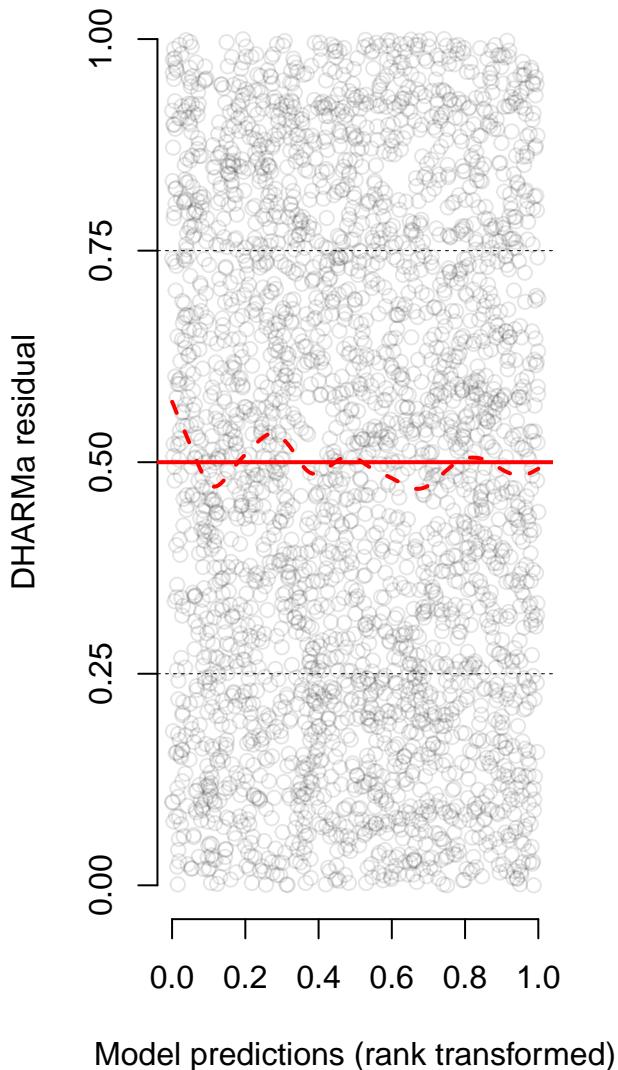

Nymphaea odorata

QQ plot residuals

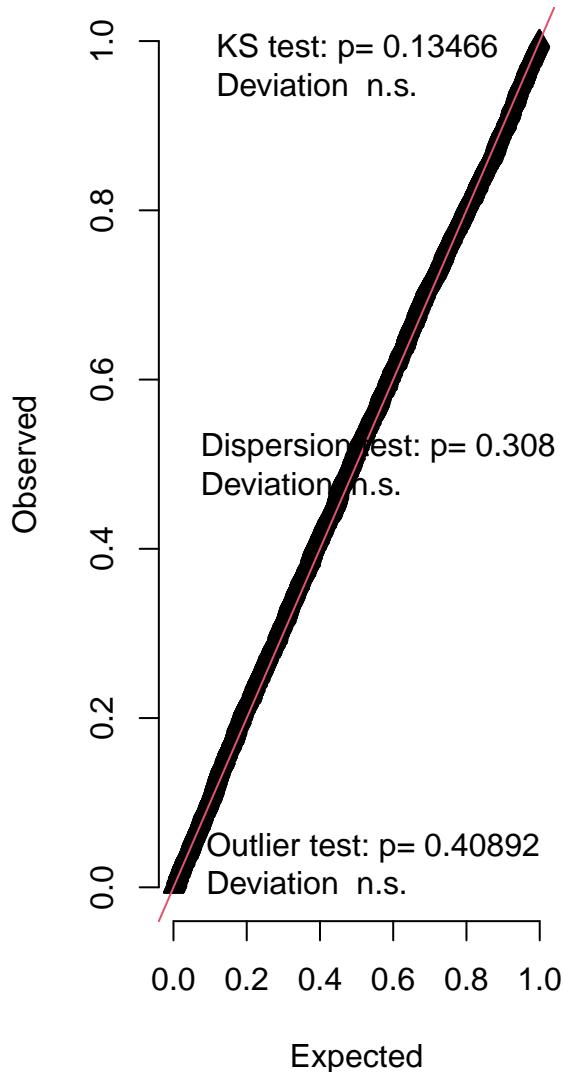

Residual vs. predicted

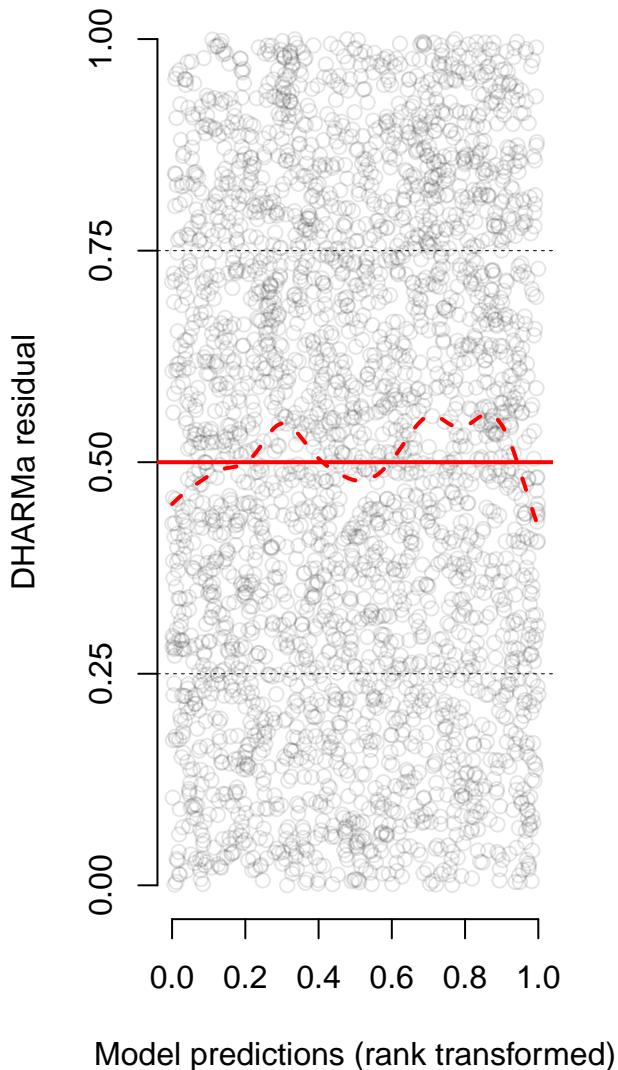

Nymphoides aquatica

QQ plot residuals

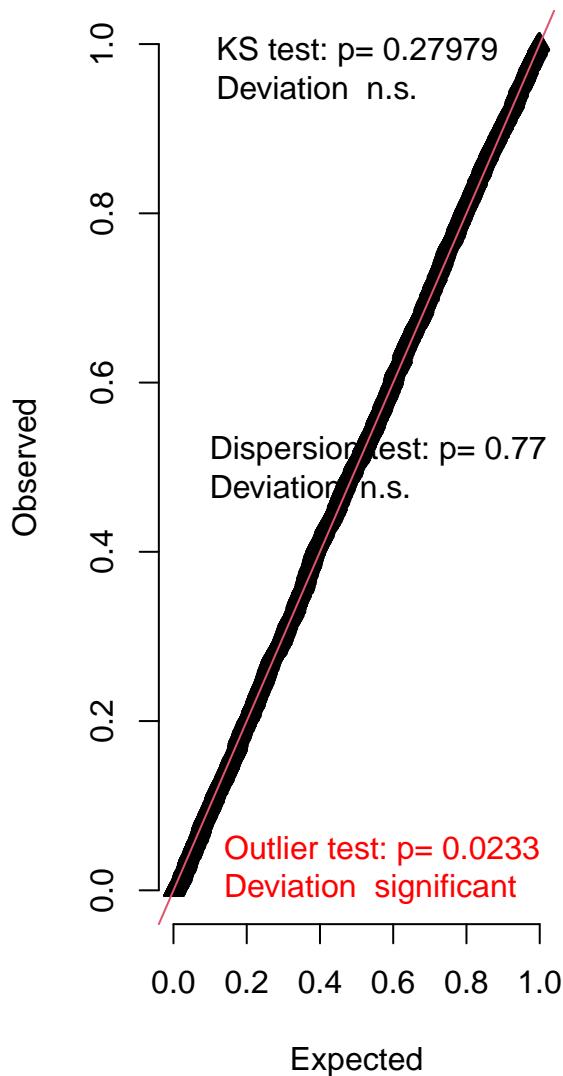

Residual vs. predicted

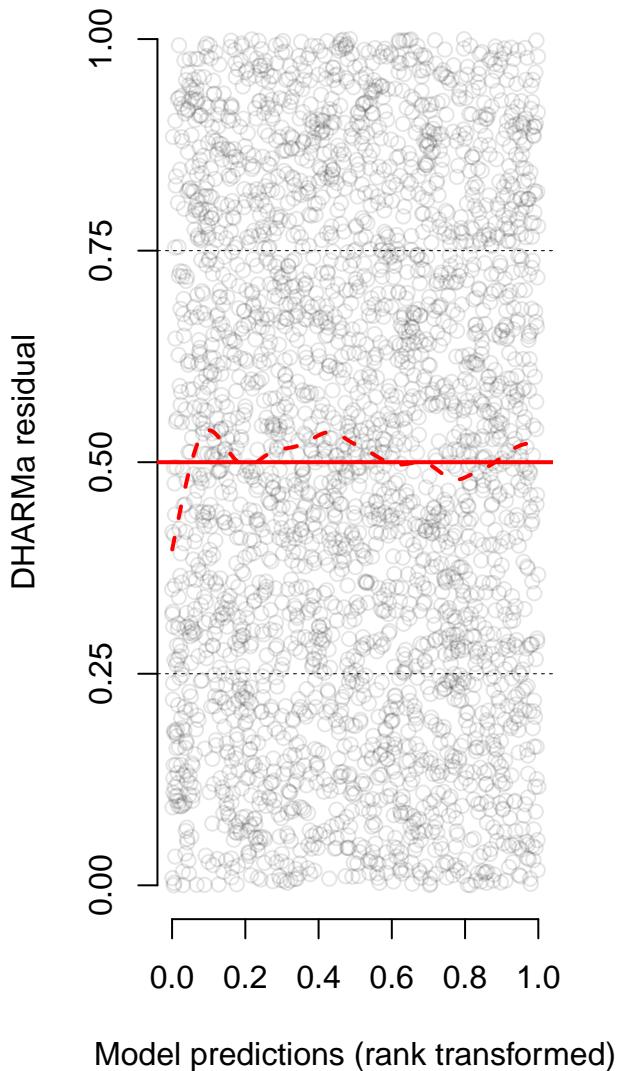

Panicum hemitomon

QQ plot residuals

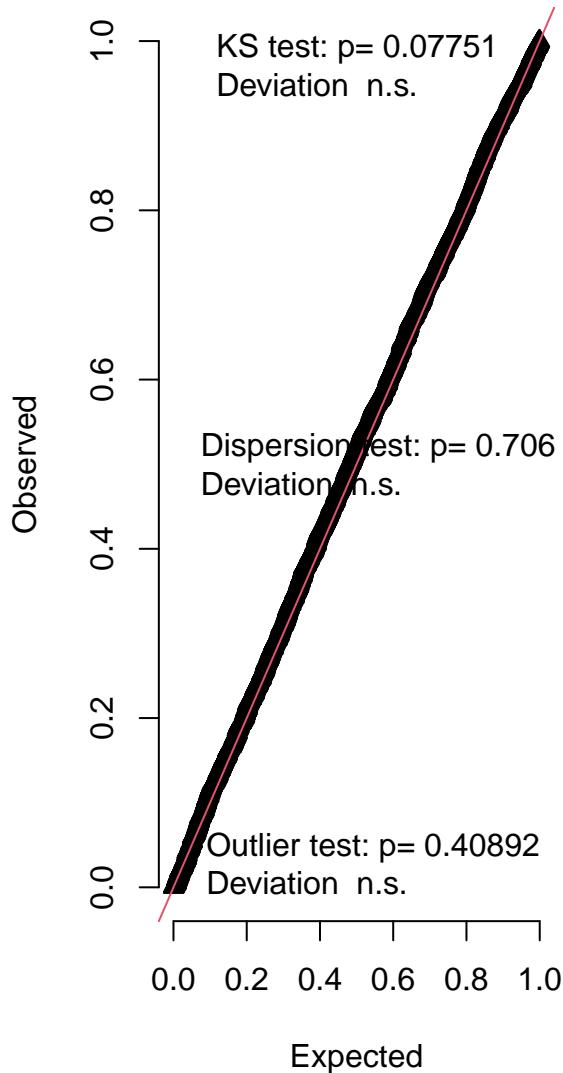

Residual vs. predicted

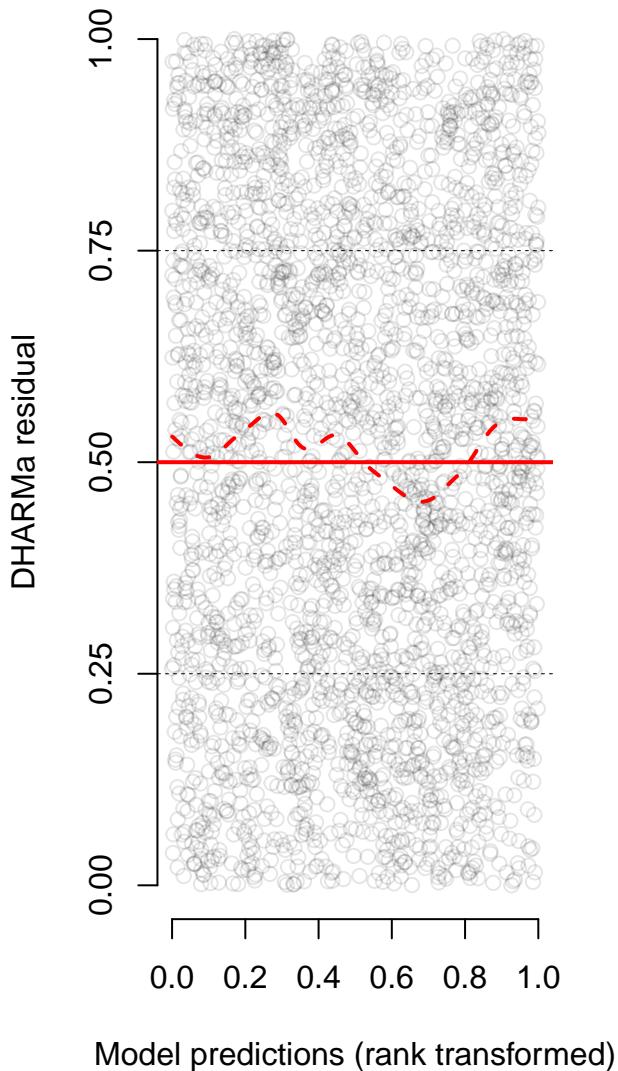

Paspalidium geminatum

QQ plot residuals

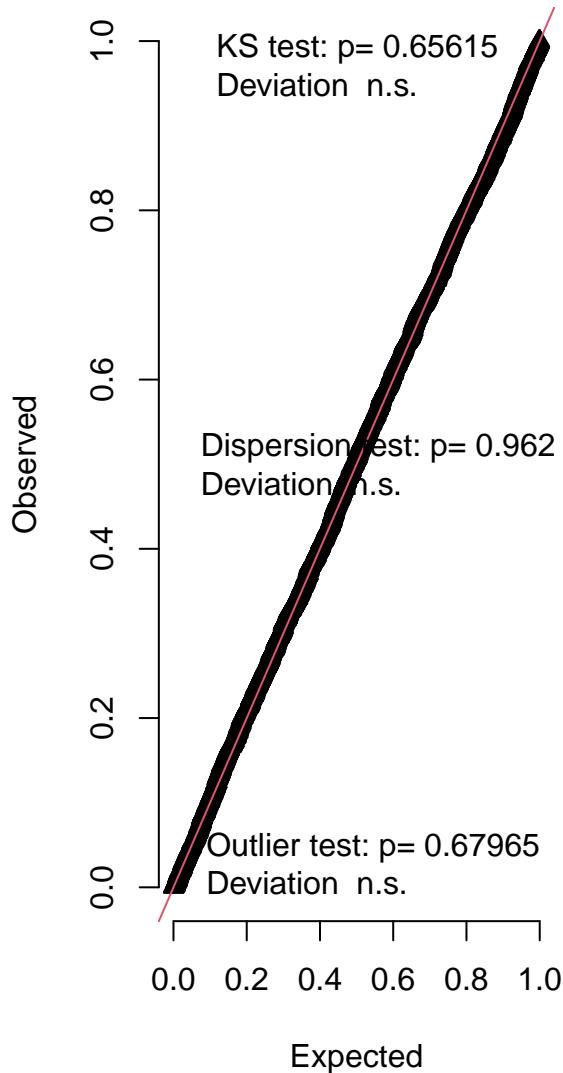

Residual vs. predicted

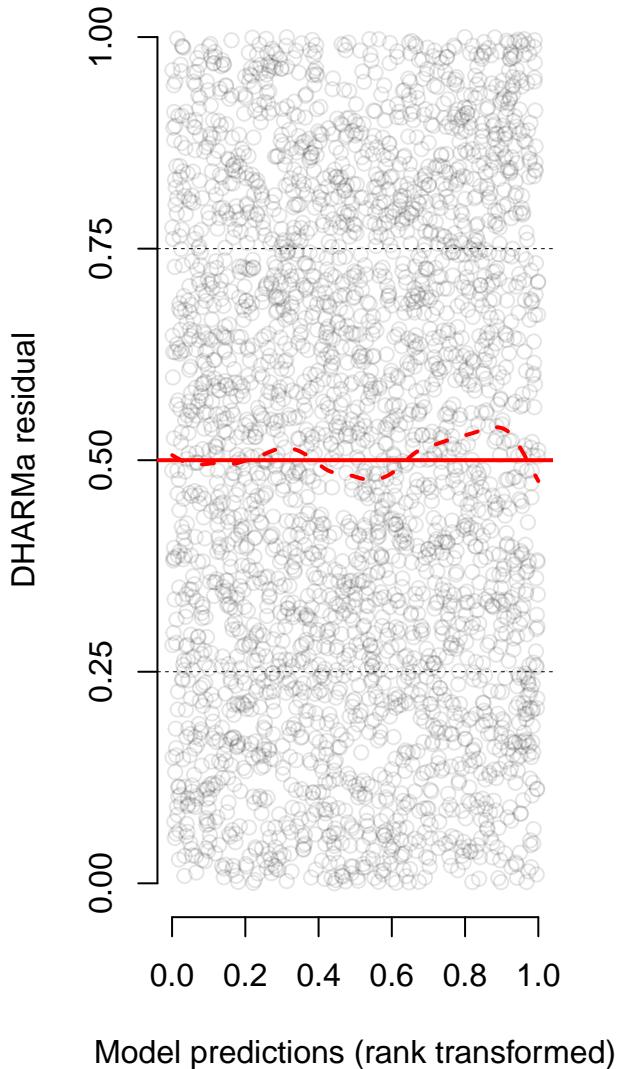

Paspalum repens

QQ plot residuals

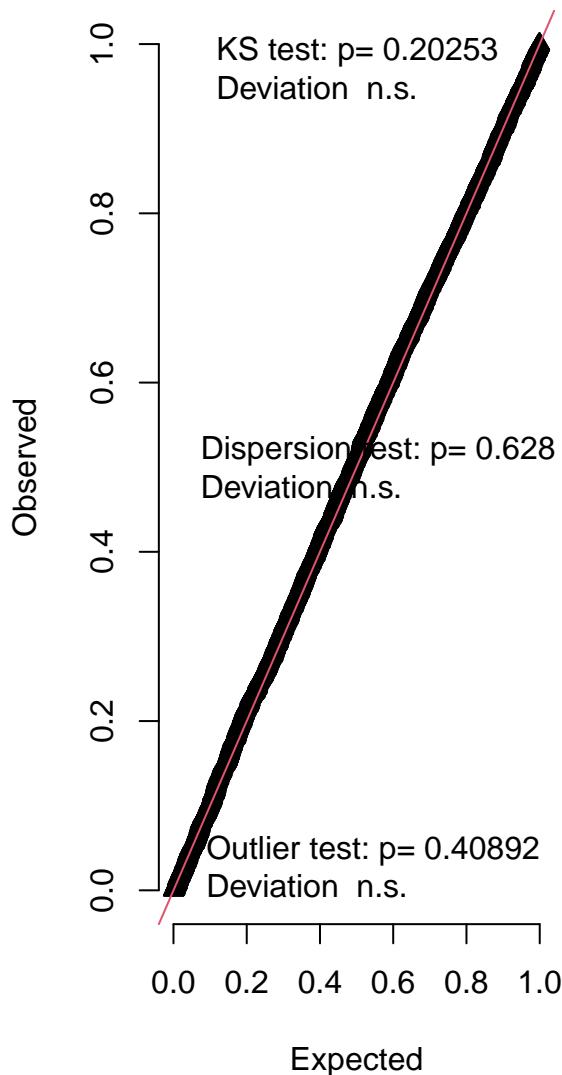

Residual vs. predicted

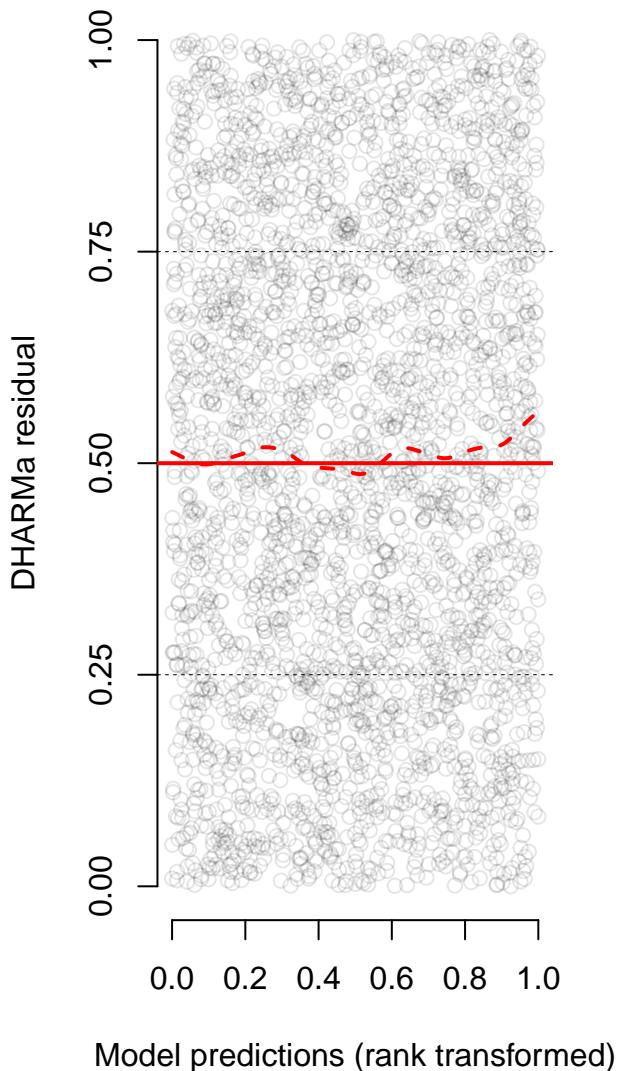

Peltandra spp.

QQ plot residuals

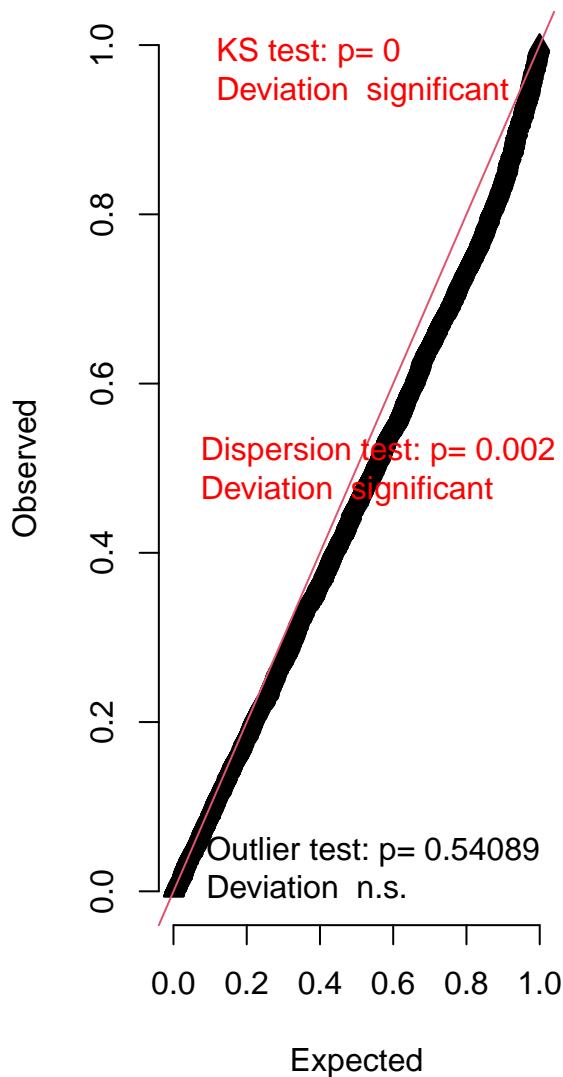

Residual vs. predicted

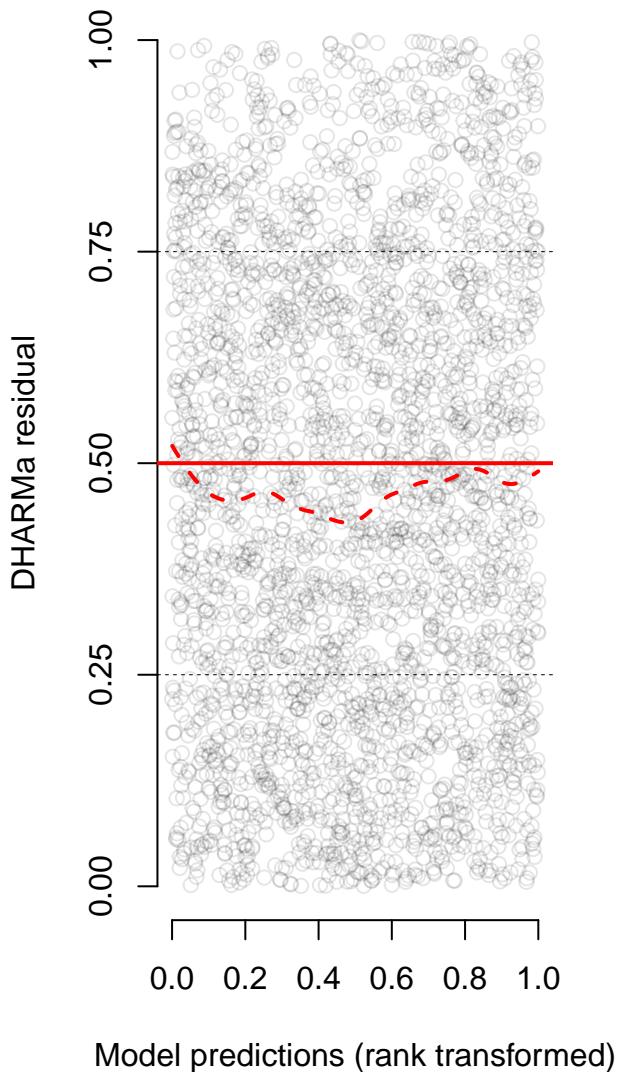

Phragmites australis

QQ plot residuals

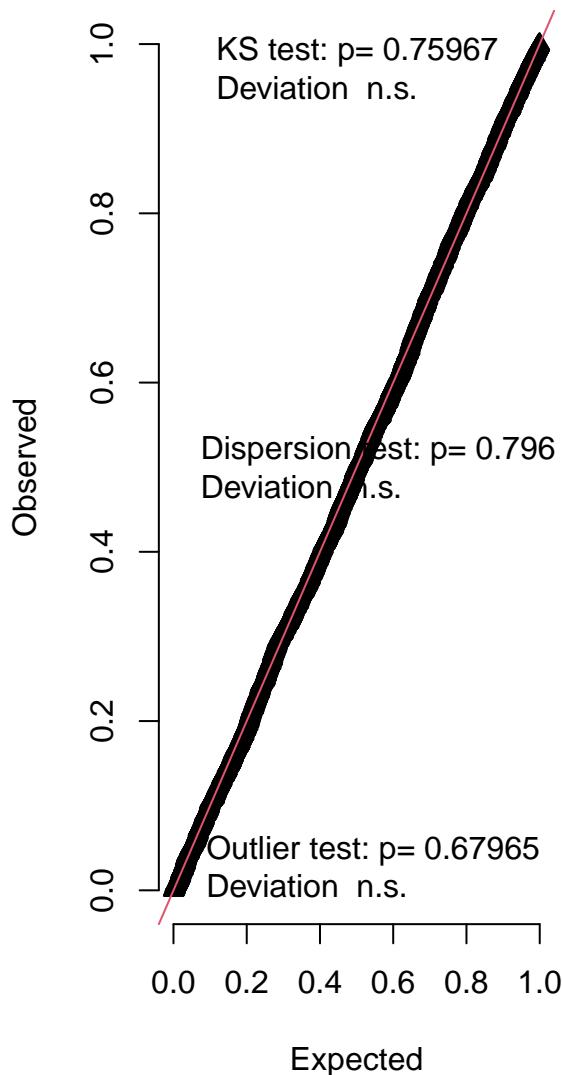

Residual vs. predicted

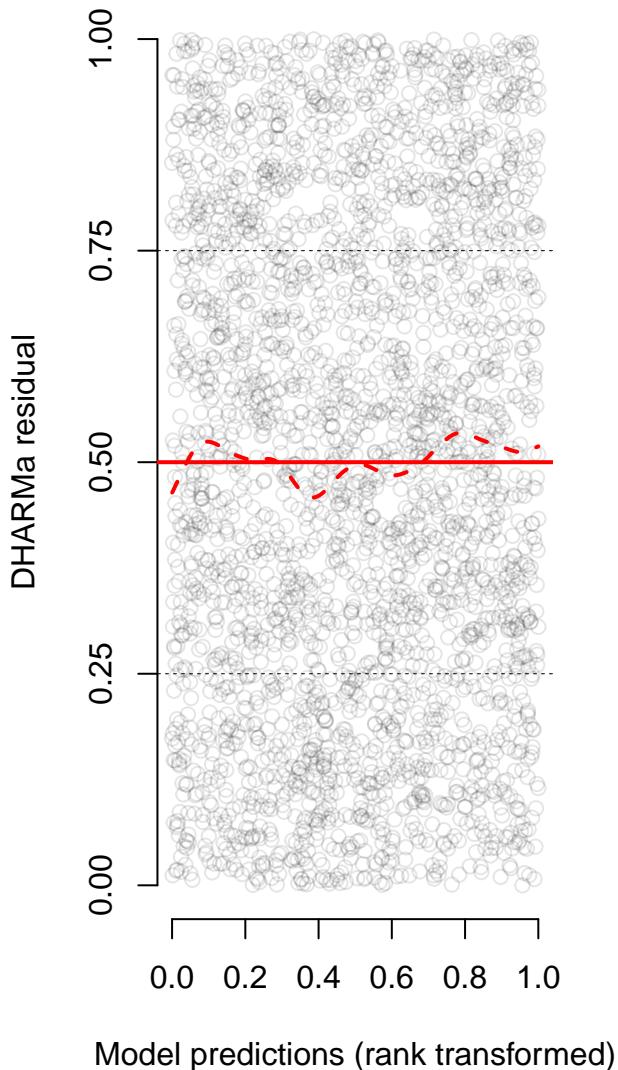

Pontederia cordata

QQ plot residuals

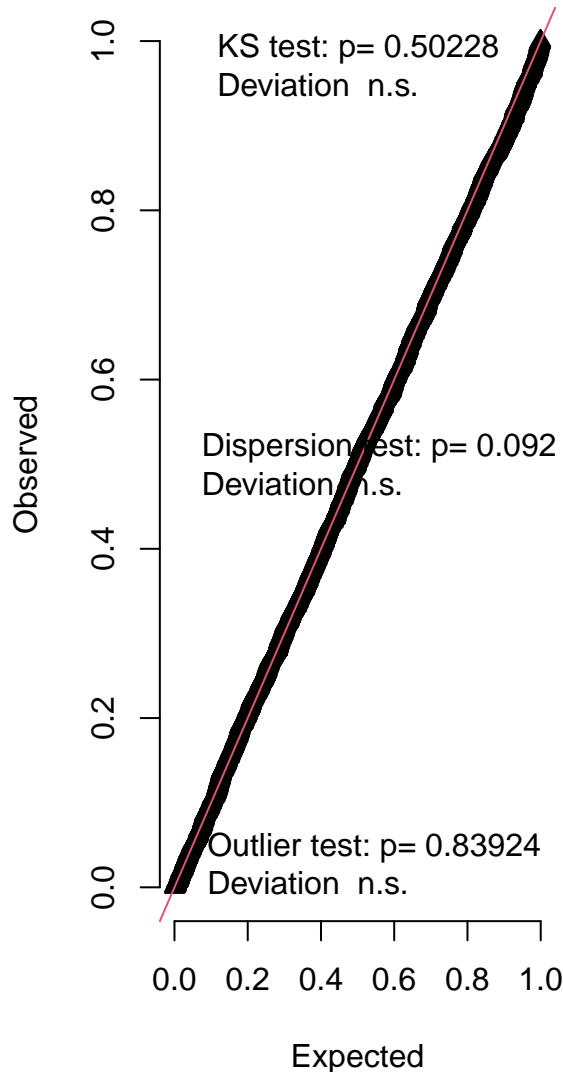

Residual vs. predicted

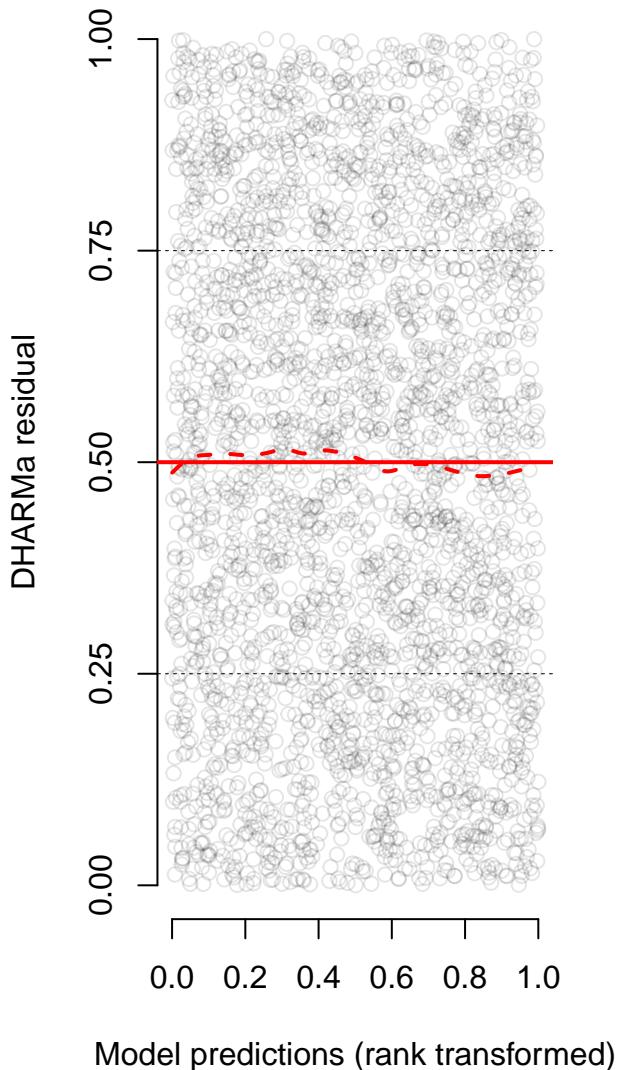

Potamogeton diversifolius

QQ plot residuals

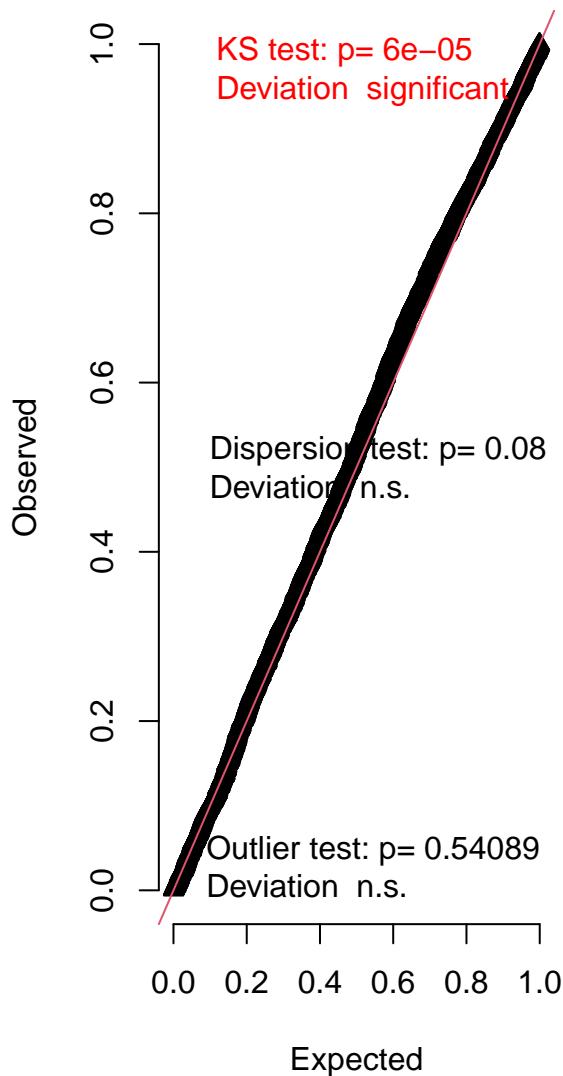

Residual vs. predicted

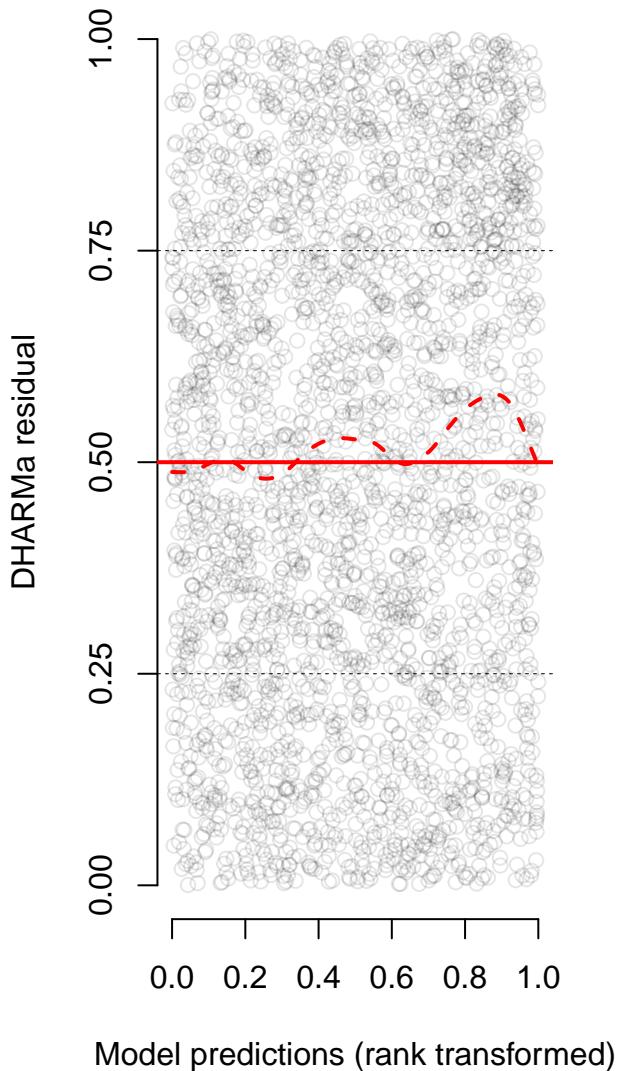

Potamogeton illinoensis

QQ plot residuals

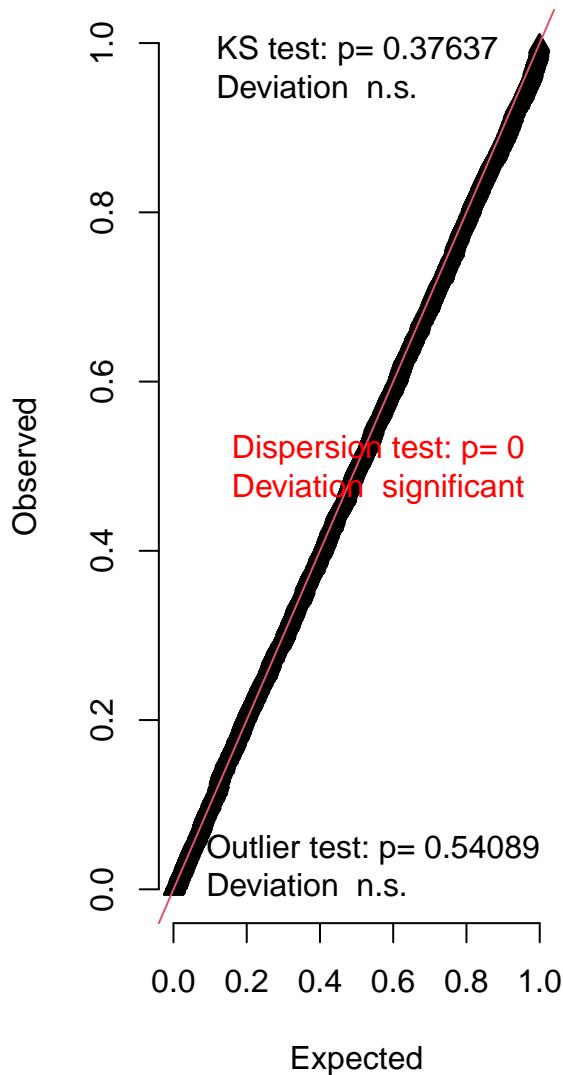

Residual vs. predicted

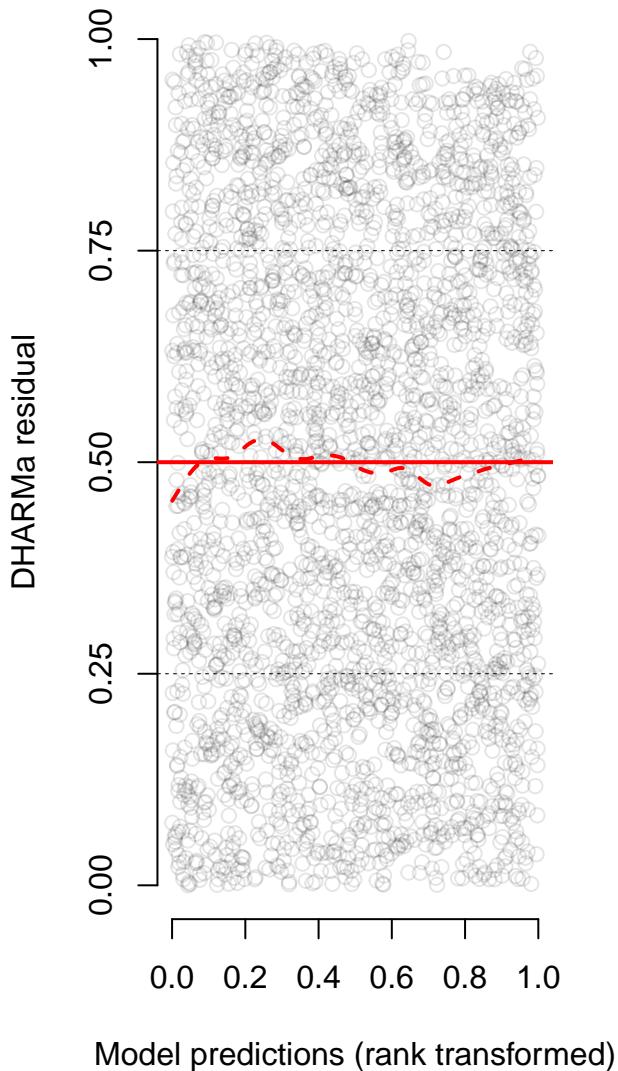

Potamogeton pusillus

QQ plot residuals

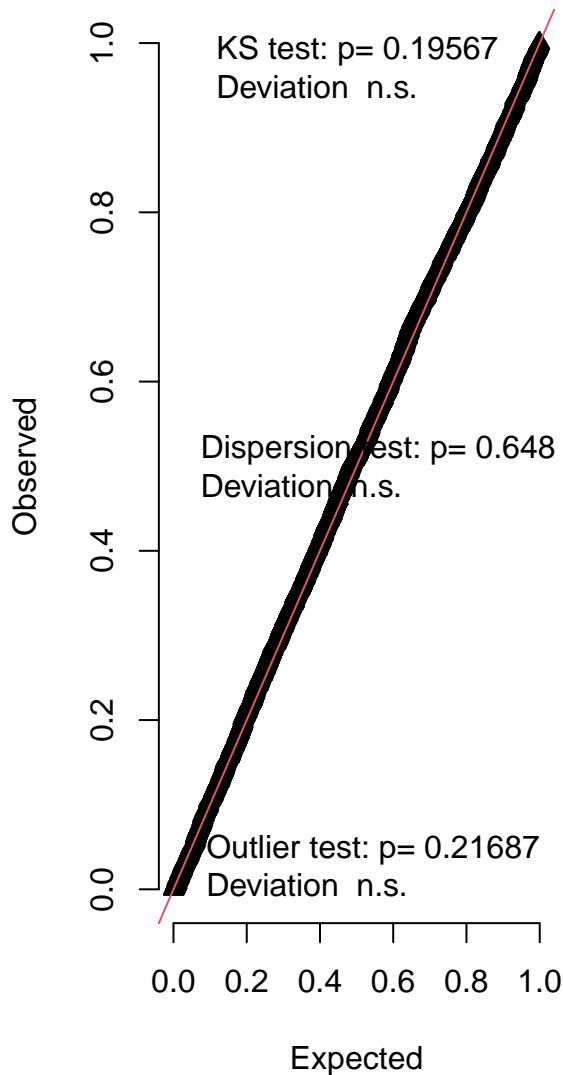

Residual vs. predicted

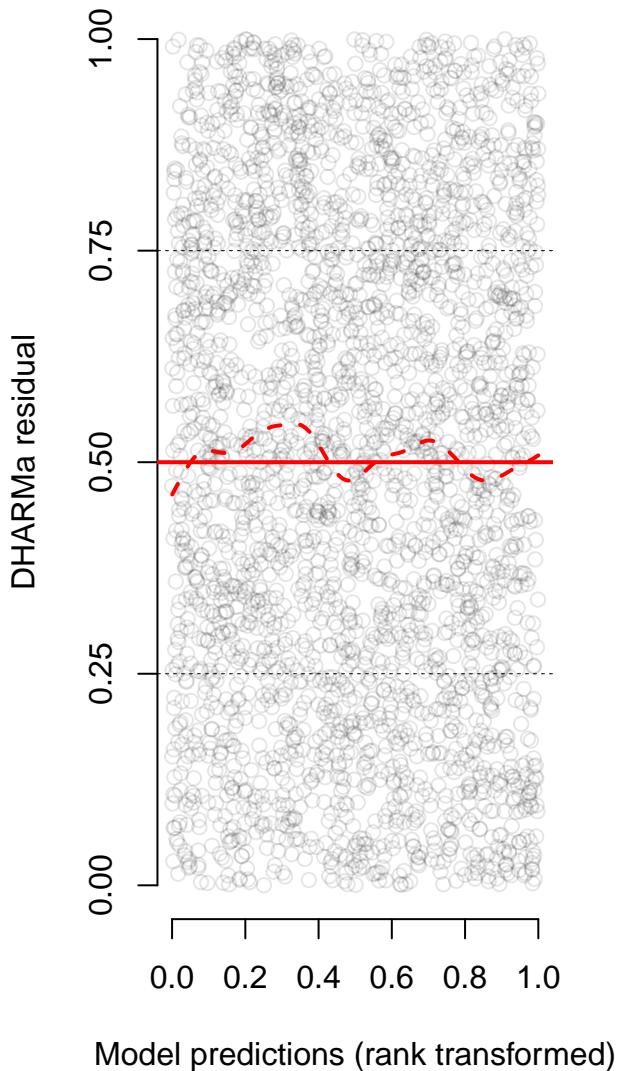

Rhynchospora spp.

QQ plot residuals

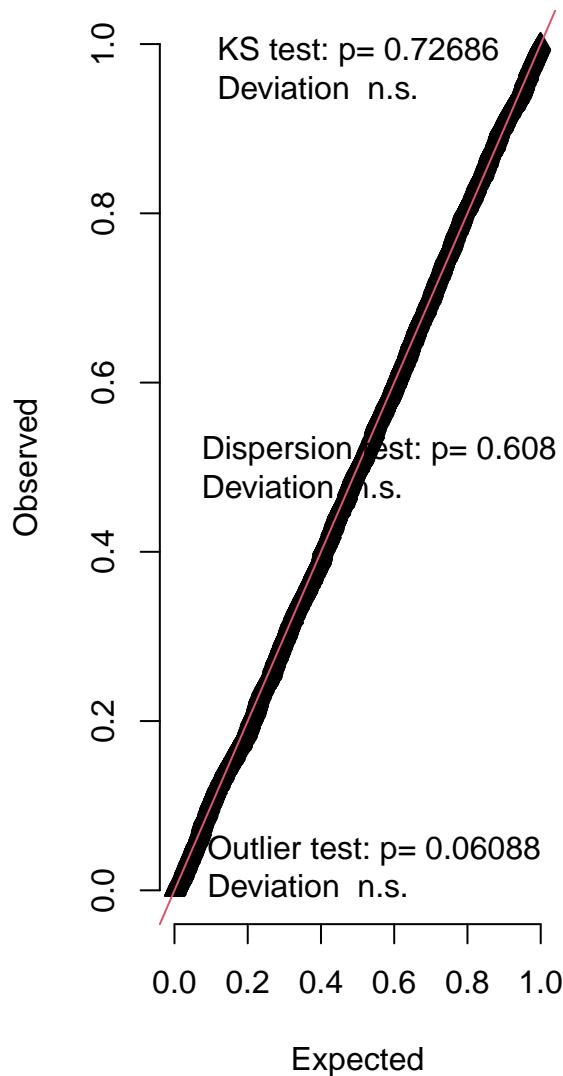

Residual vs. predicted

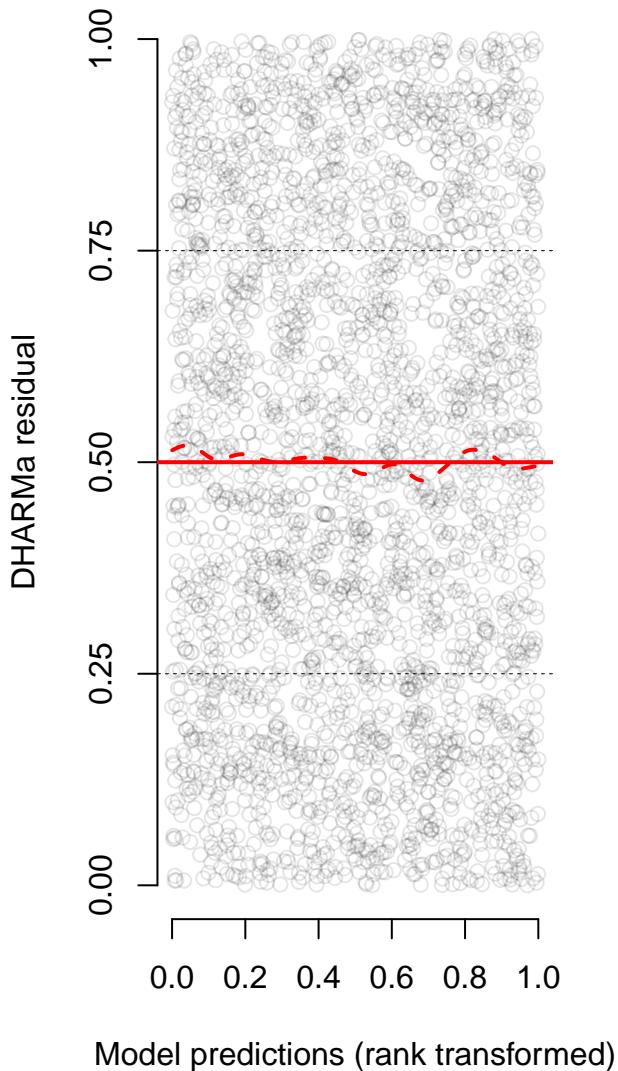

Sacciolepis striata

QQ plot residuals

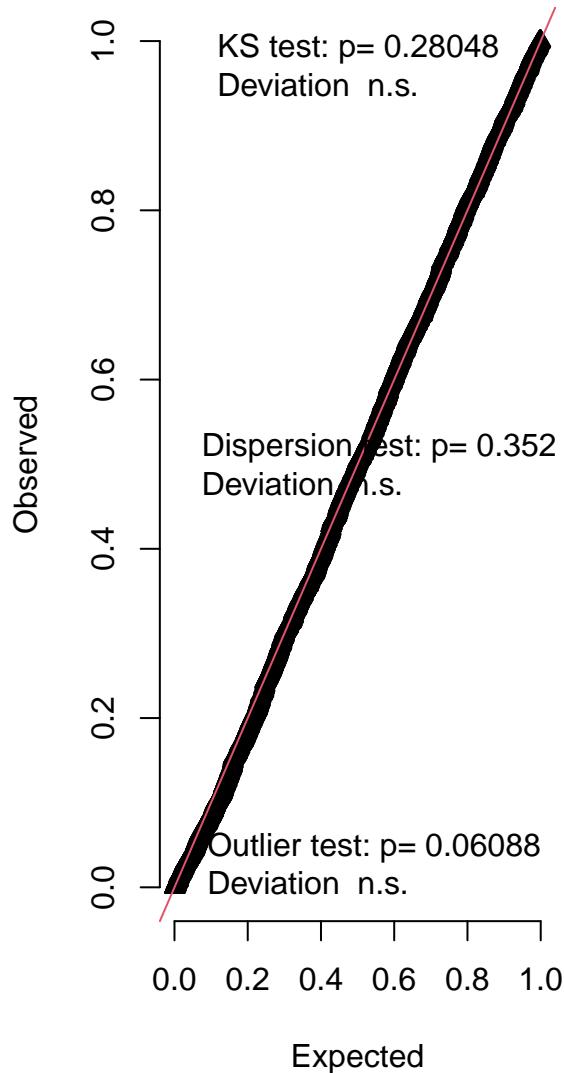

Residual vs. predicted

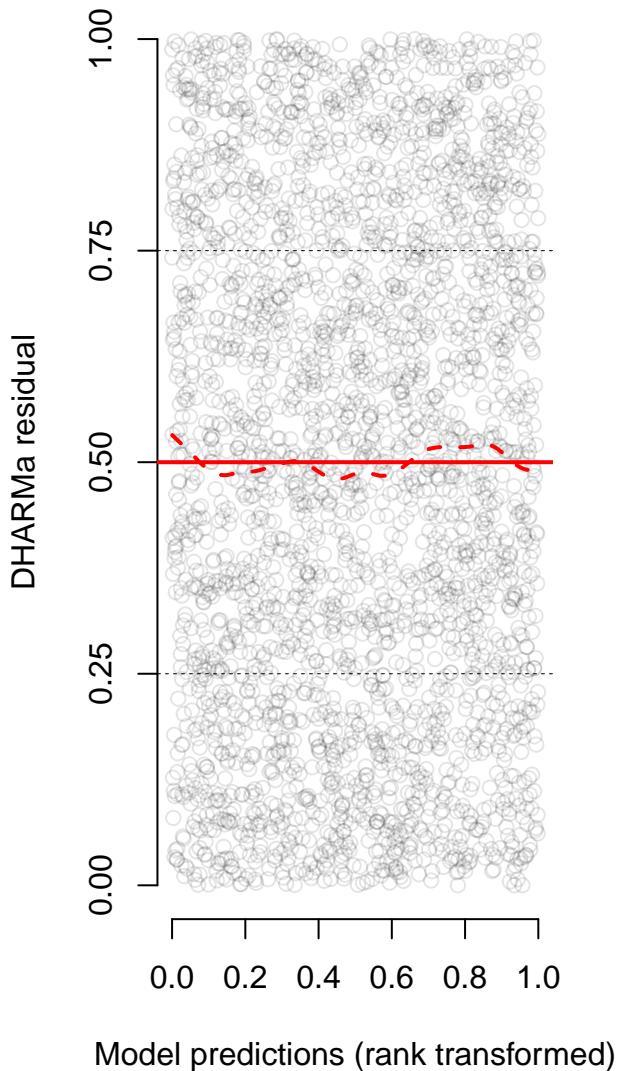

Sagittaria lancifolia

QQ plot residuals

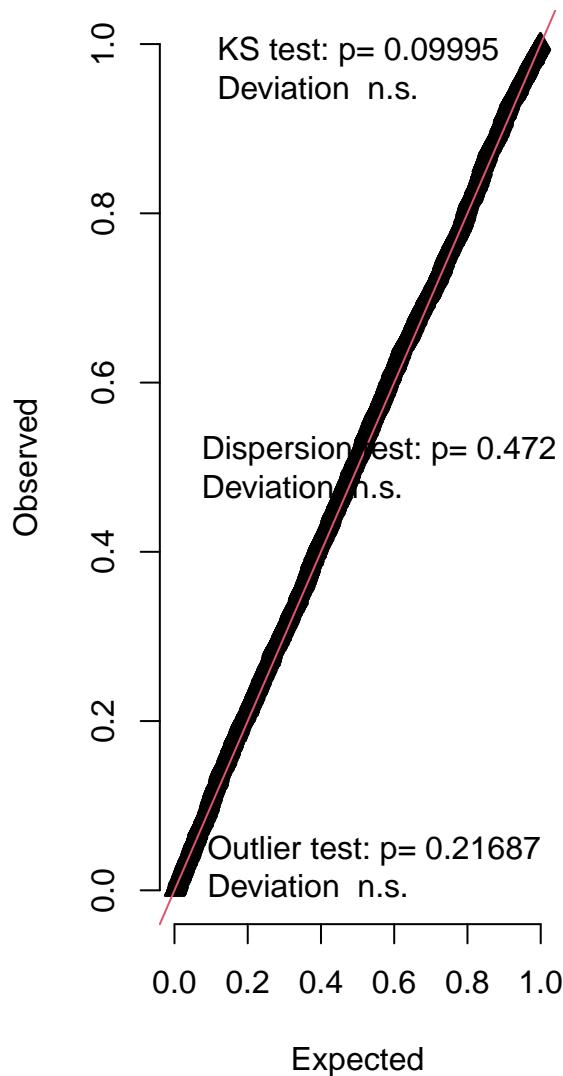

Residual vs. predicted

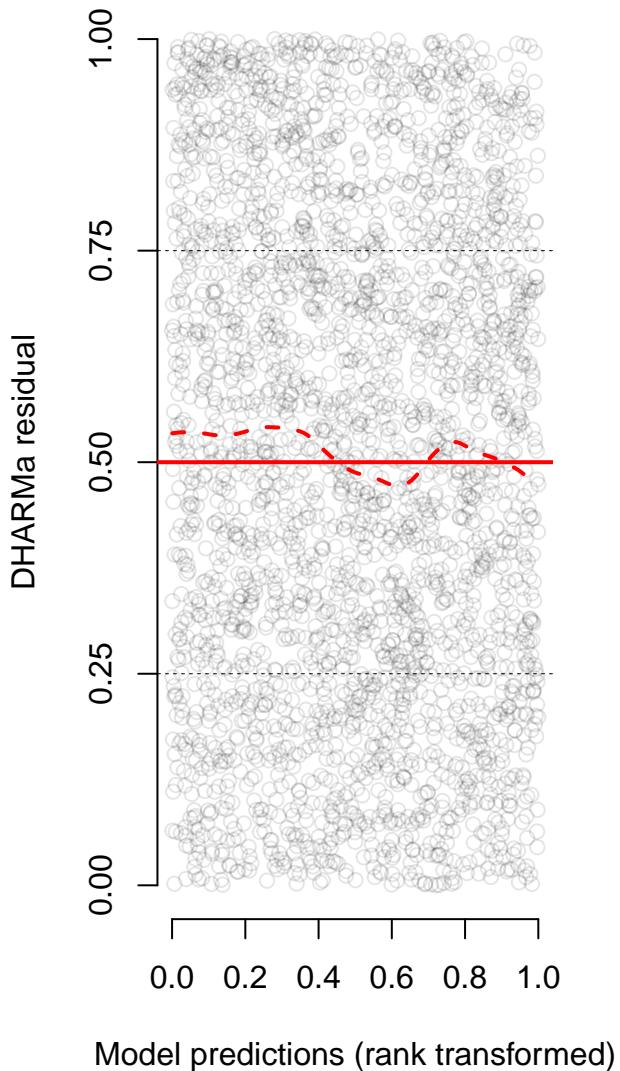

Sagittaria latifolia

QQ plot residuals

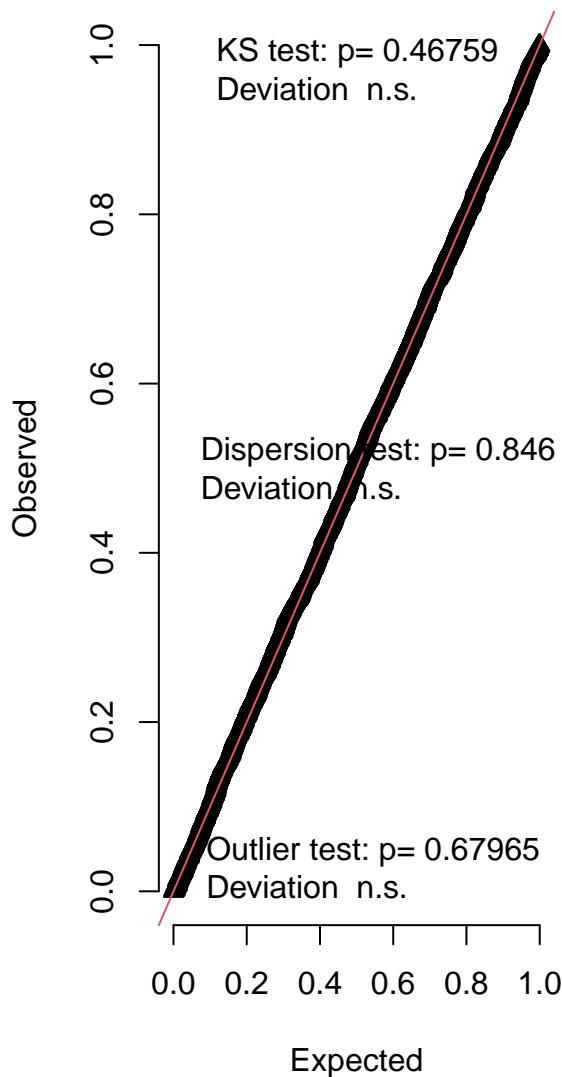

Residual vs. predicted

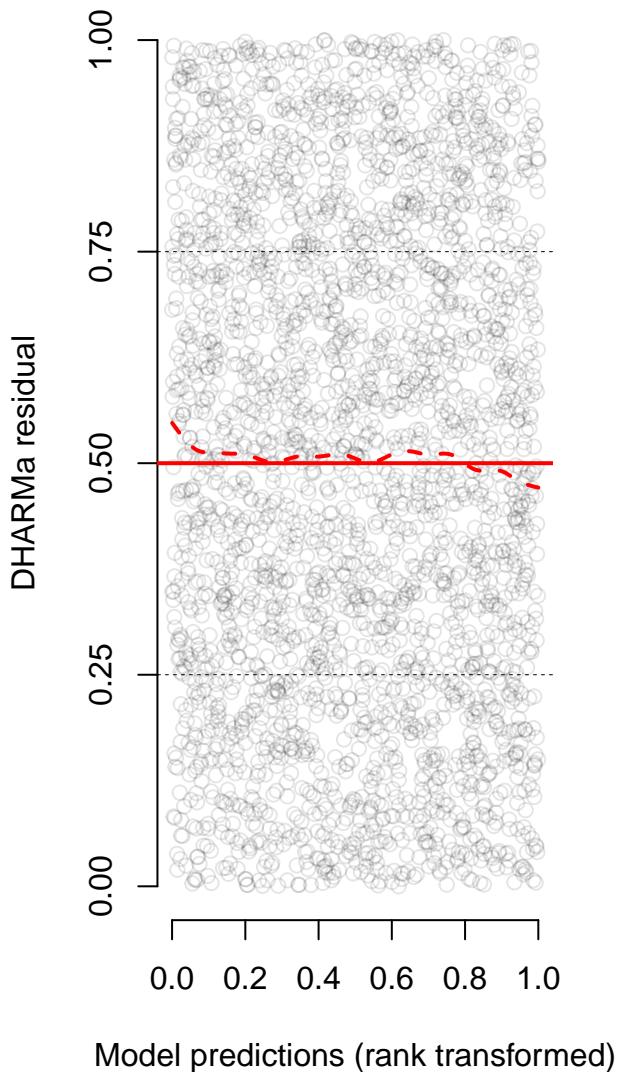

Sagittaria subulata/graminea/gracillima

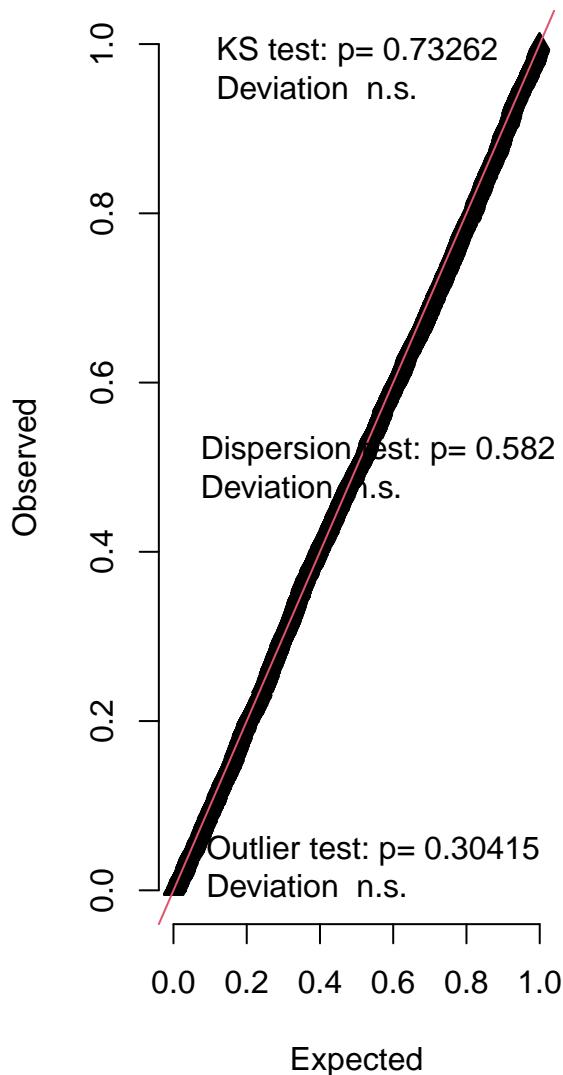

QQ plot residuals

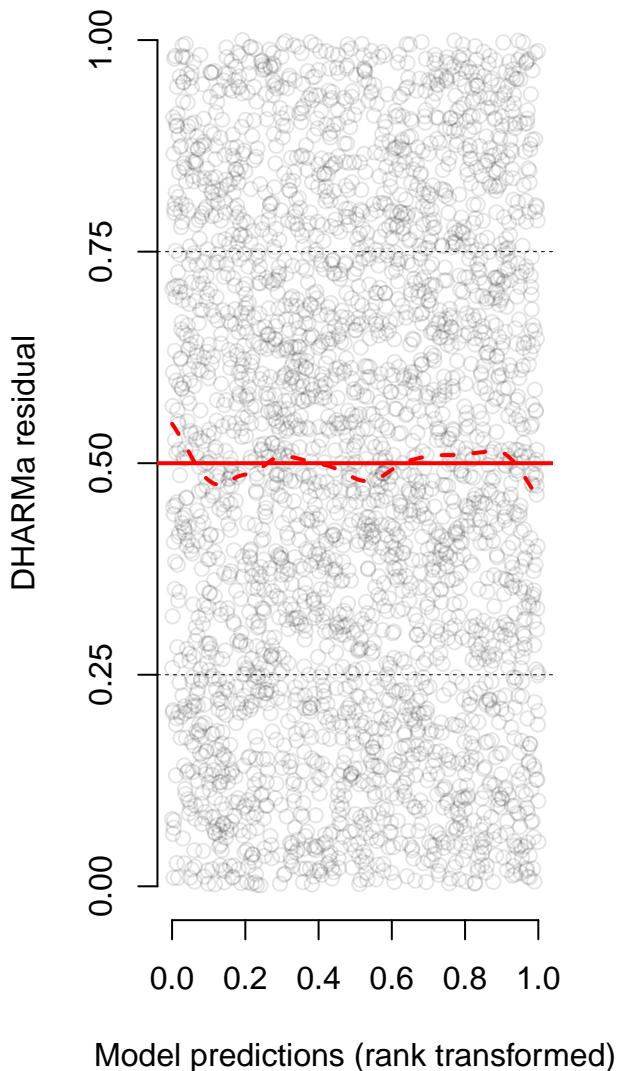

Residual vs. predicted

QQ plot residuals

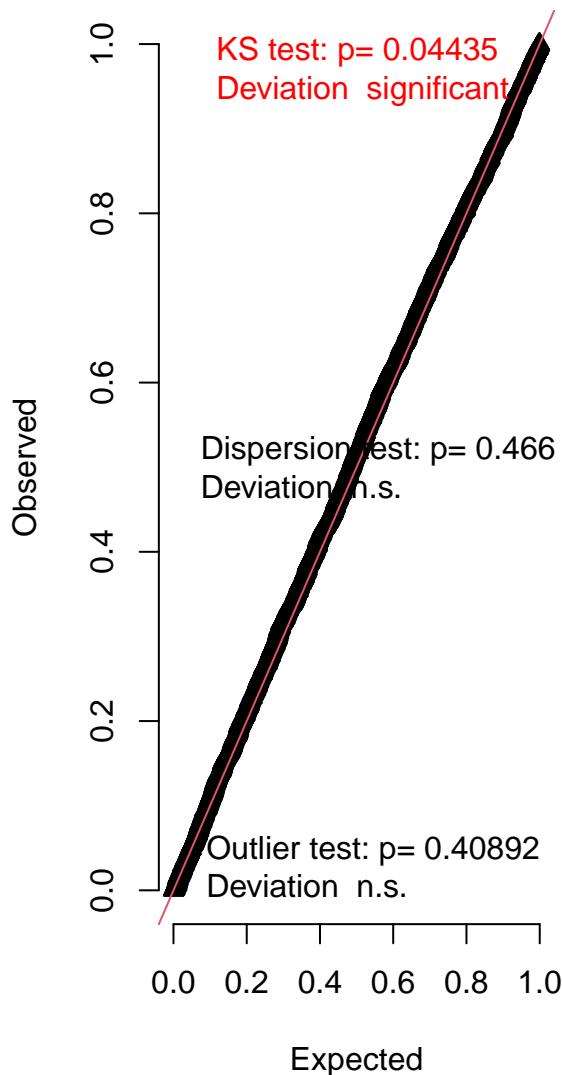

Residual vs. predicted

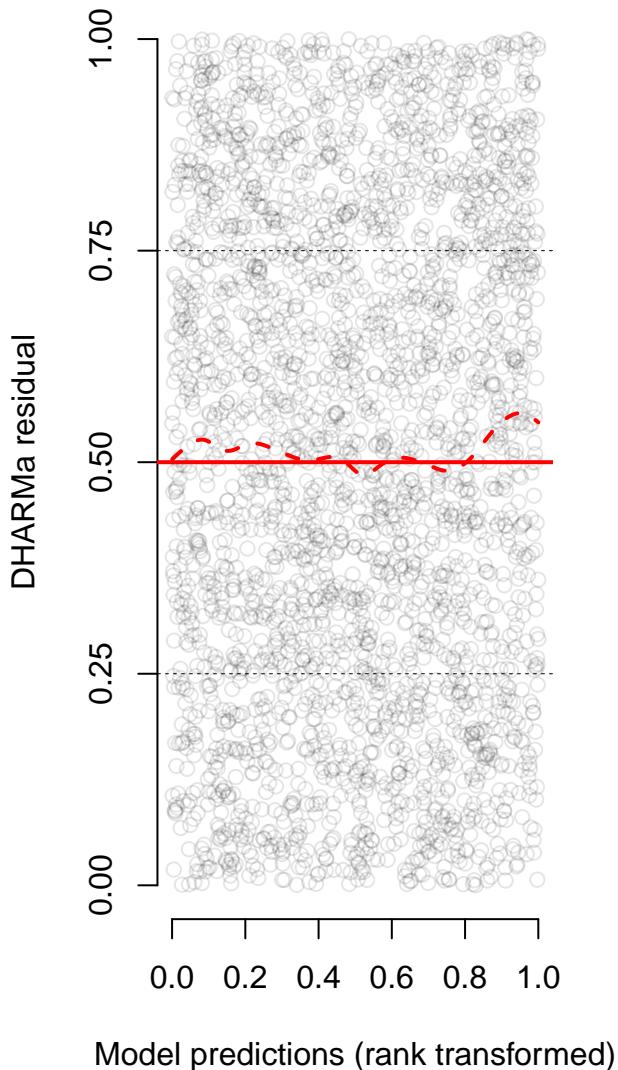

Saururus cernuus

QQ plot residuals

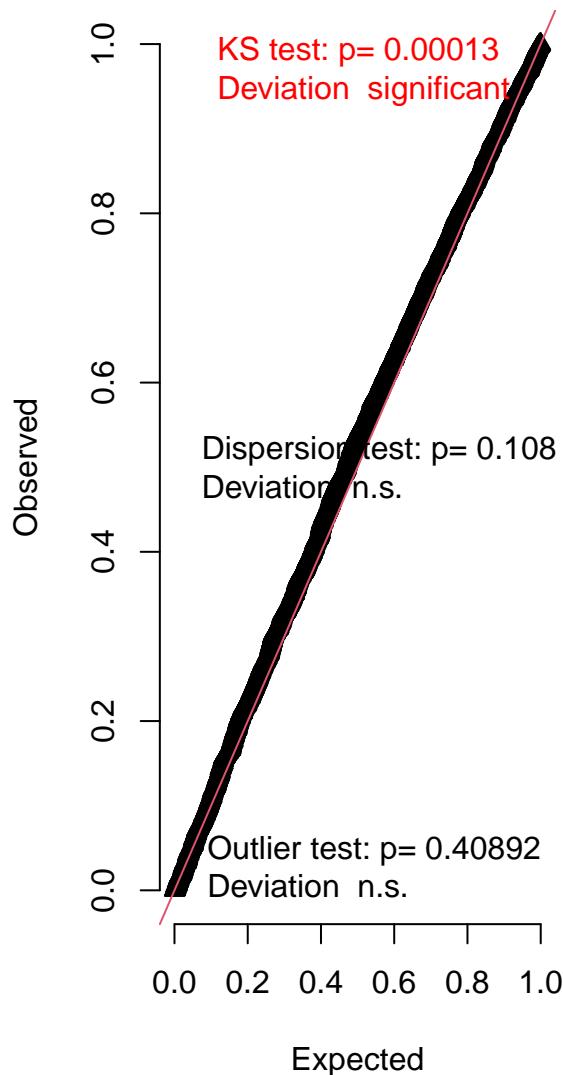

Residual vs. predicted

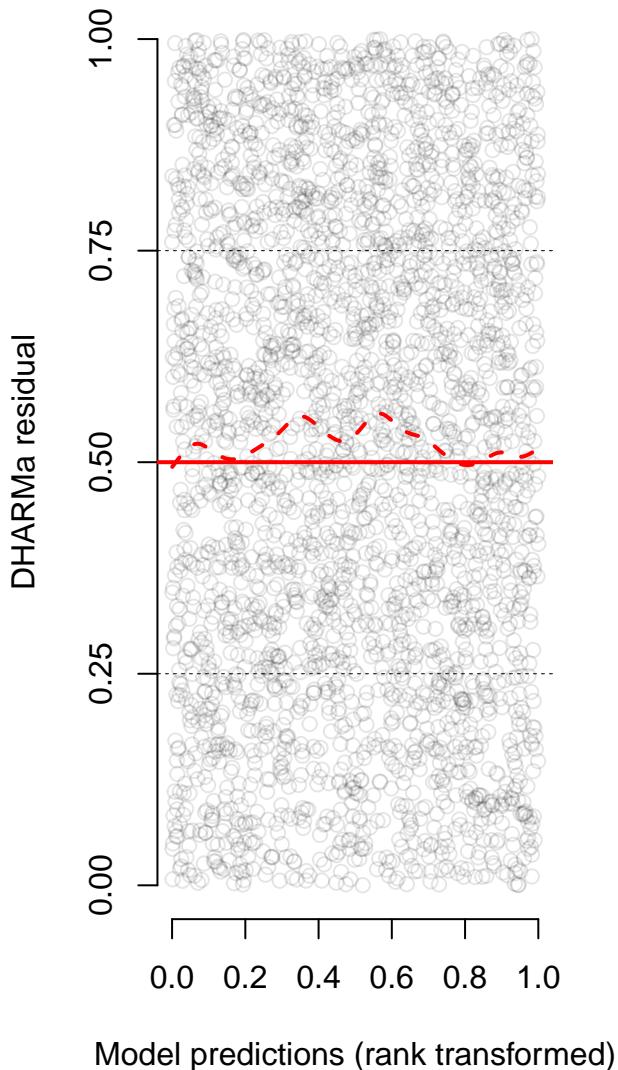

Spartina bakeri

QQ plot residuals

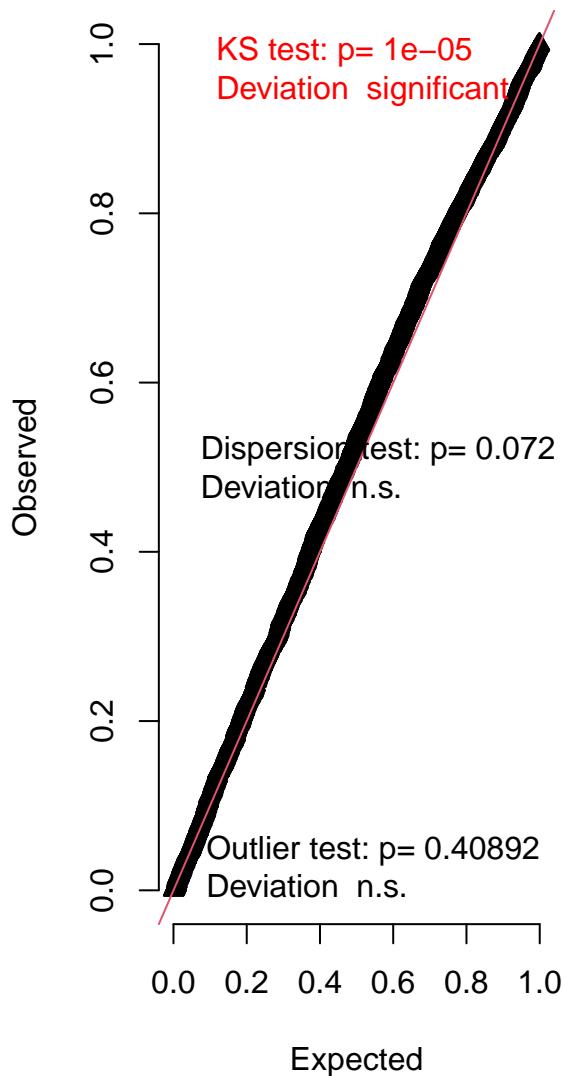

Residual vs. predicted

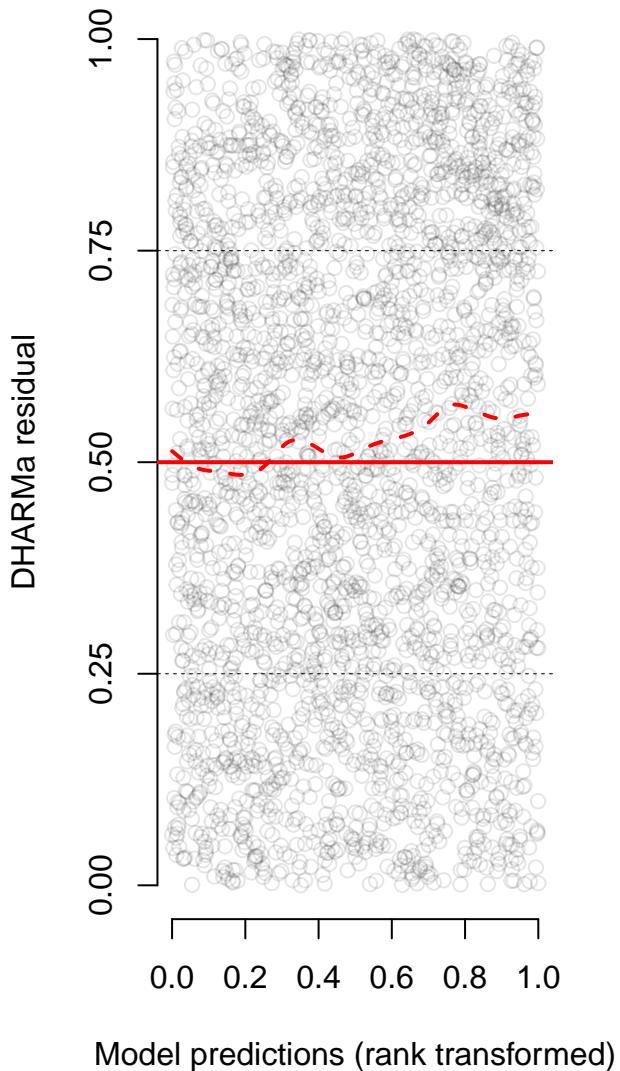

Thalia geniculata

QQ plot residuals

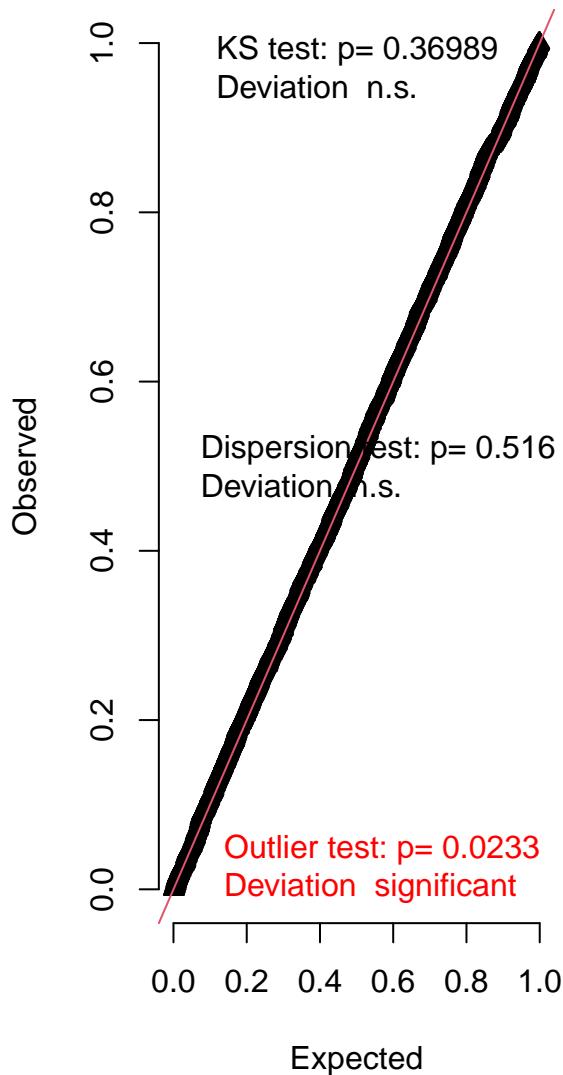

Residual vs. predicted

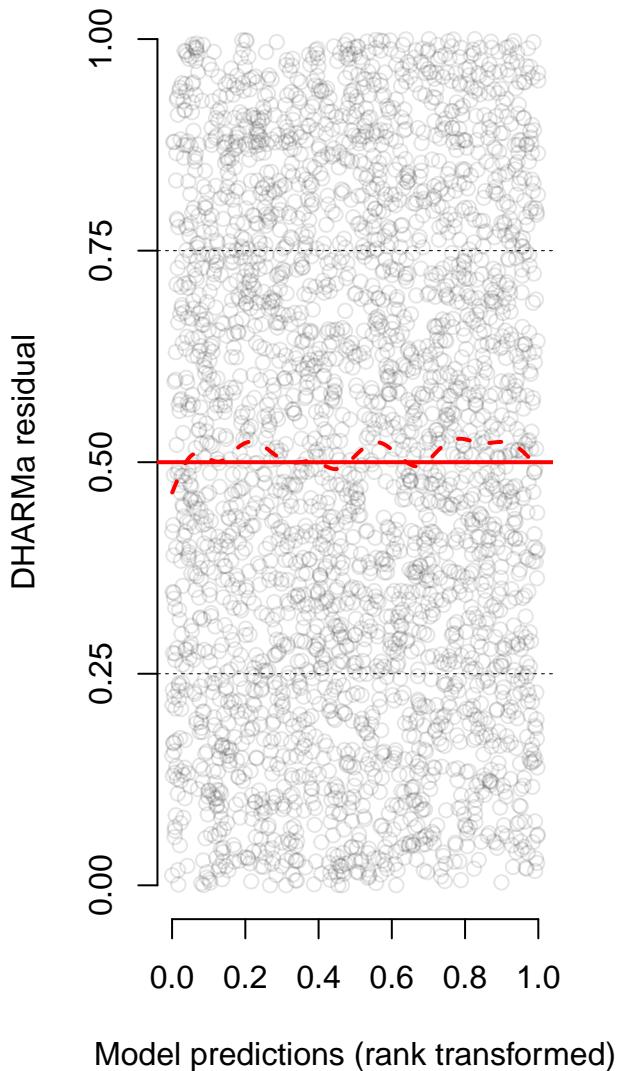

Typha spp.

QQ plot residuals

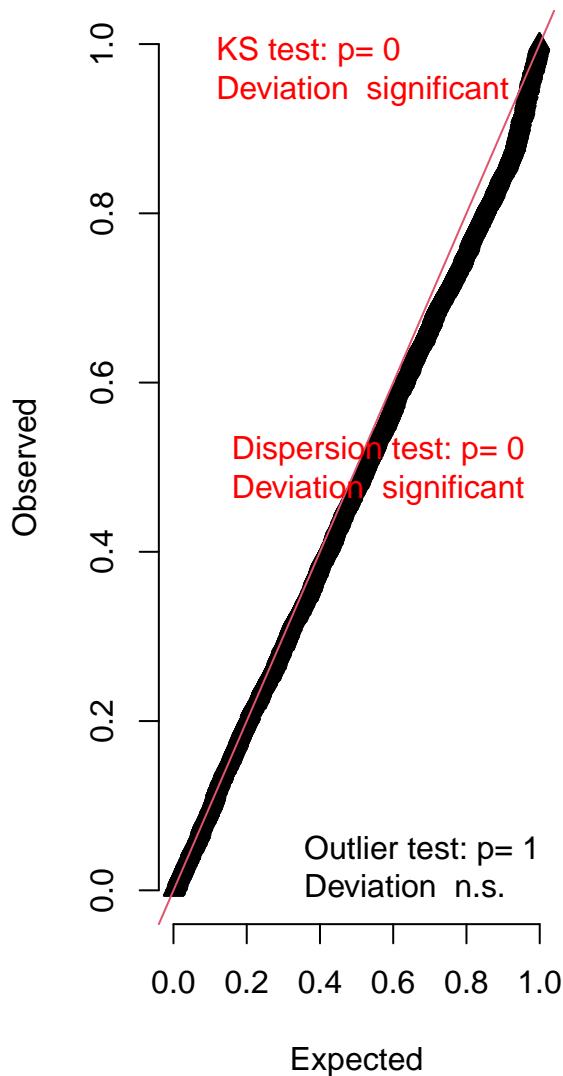

Residual vs. predicted

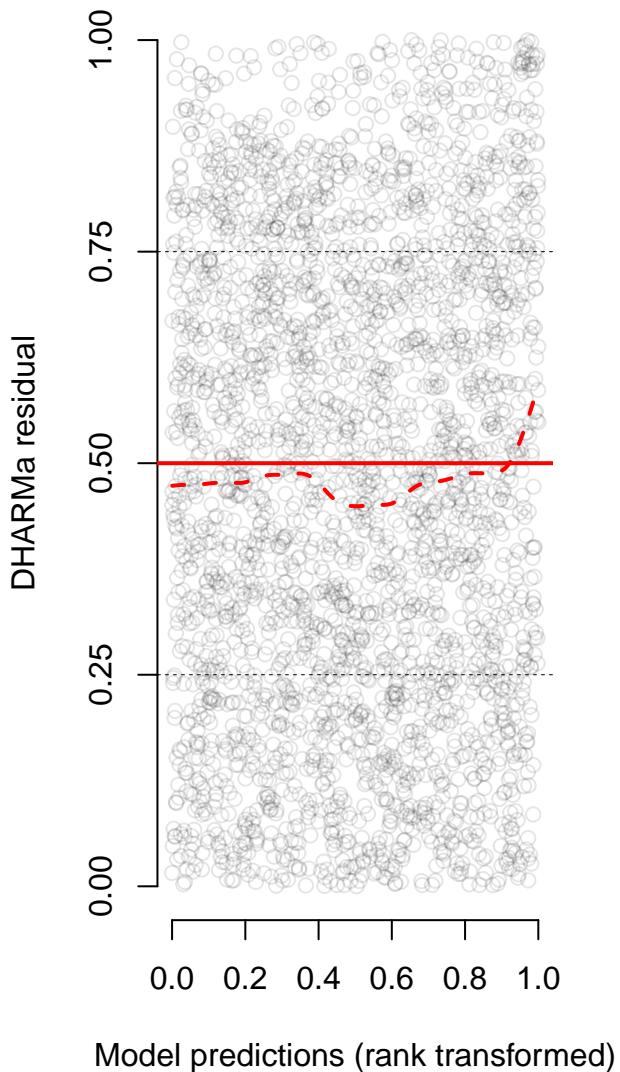

Utricularia floridana

QQ plot residuals

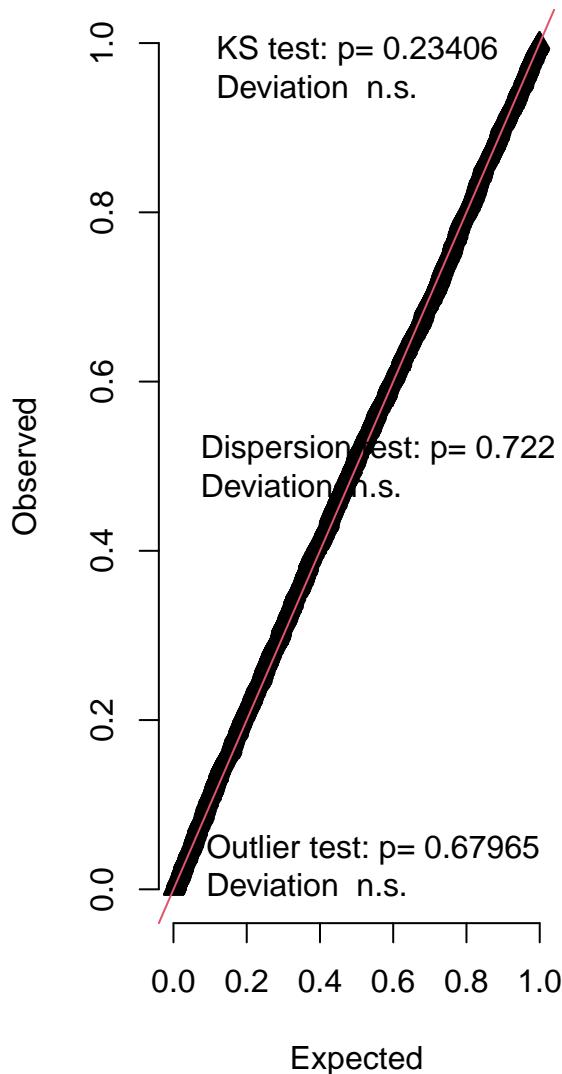

Residual vs. predicted

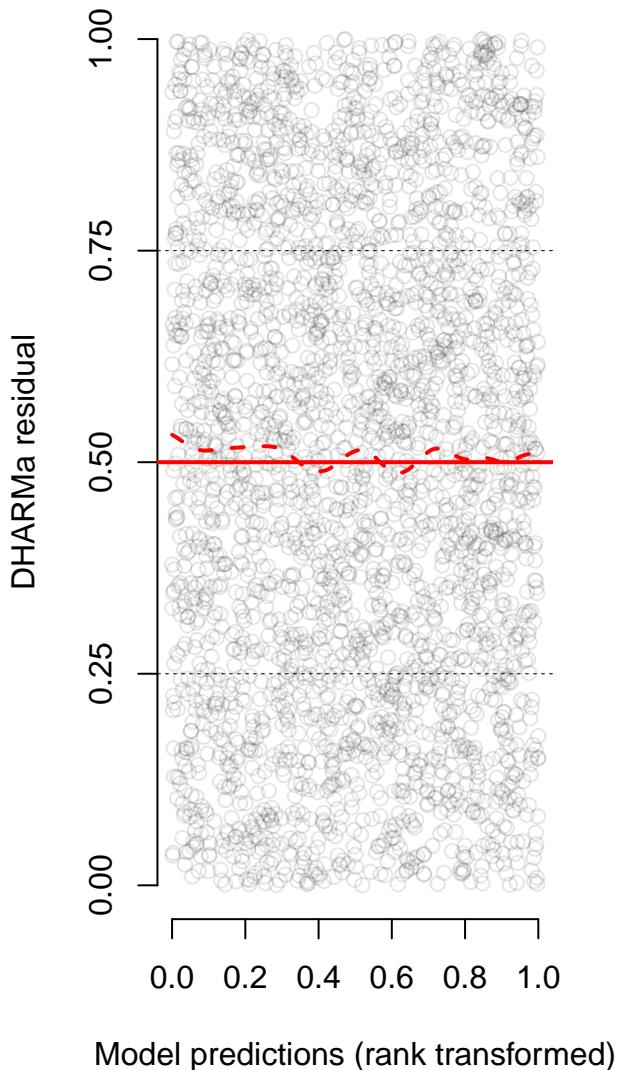

Utricularia foliosa

QQ plot residuals

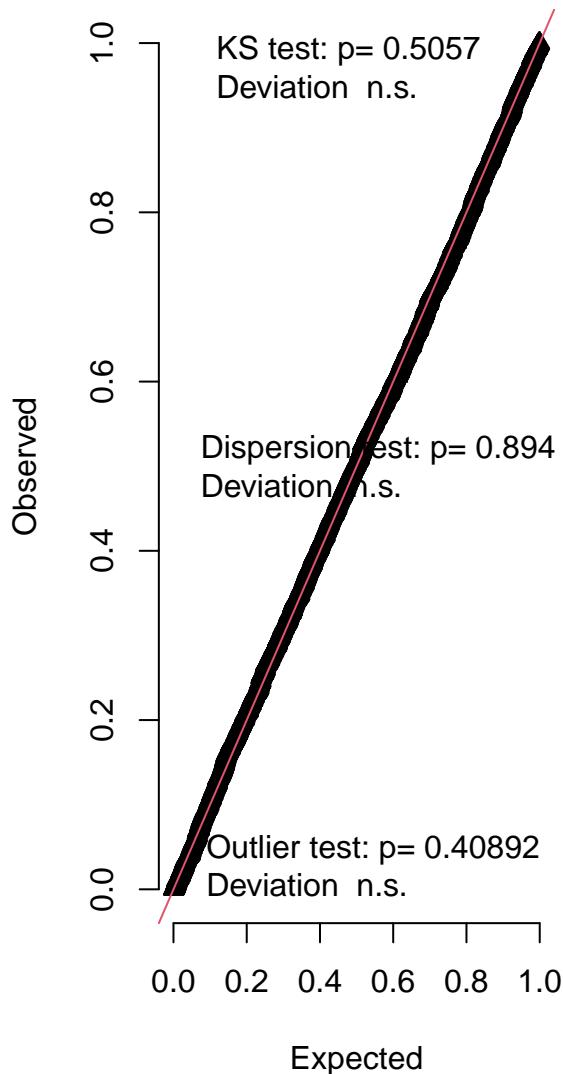

Residual vs. predicted

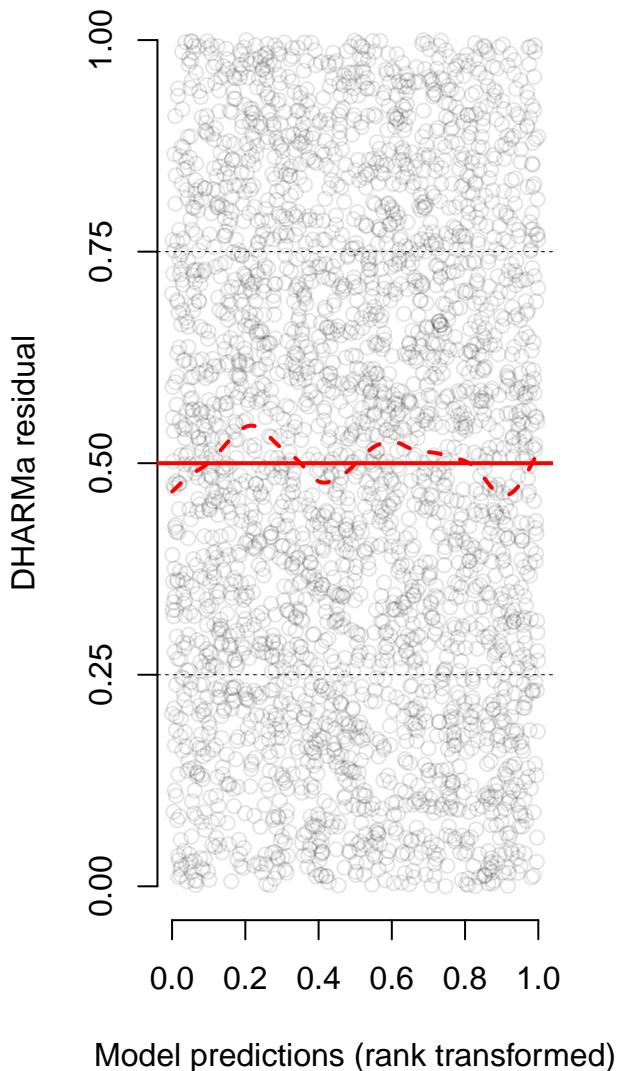

Utricularia gibba

QQ plot residuals

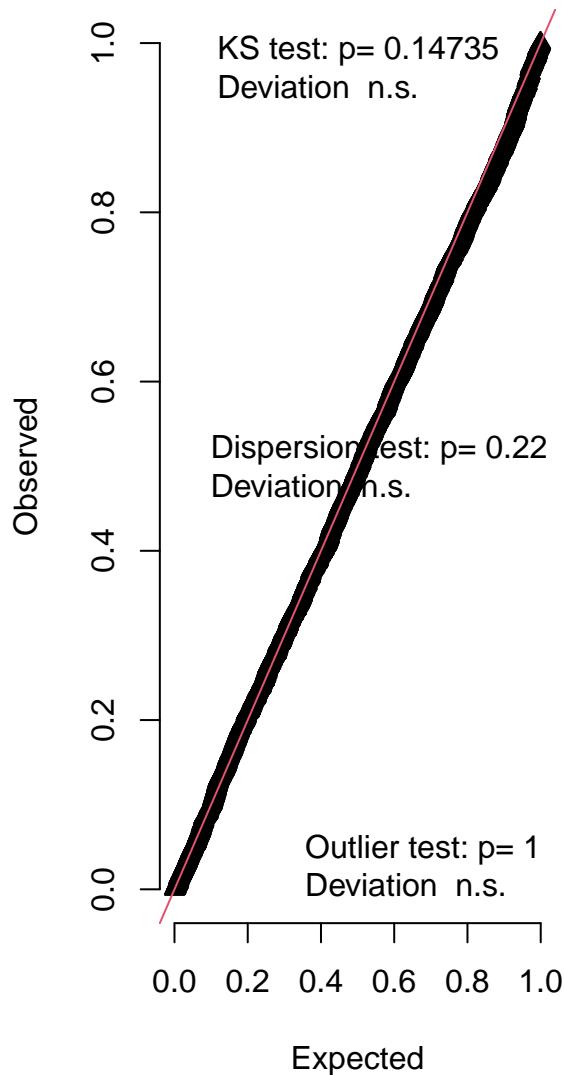

Residual vs. predicted

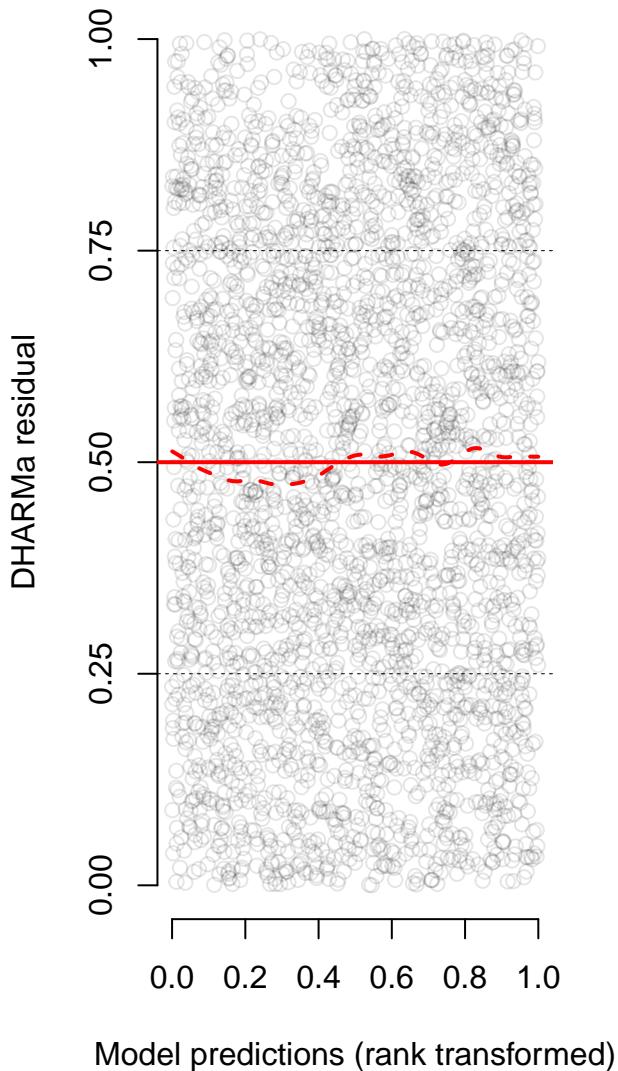

Utricularia inflata

QQ plot residuals

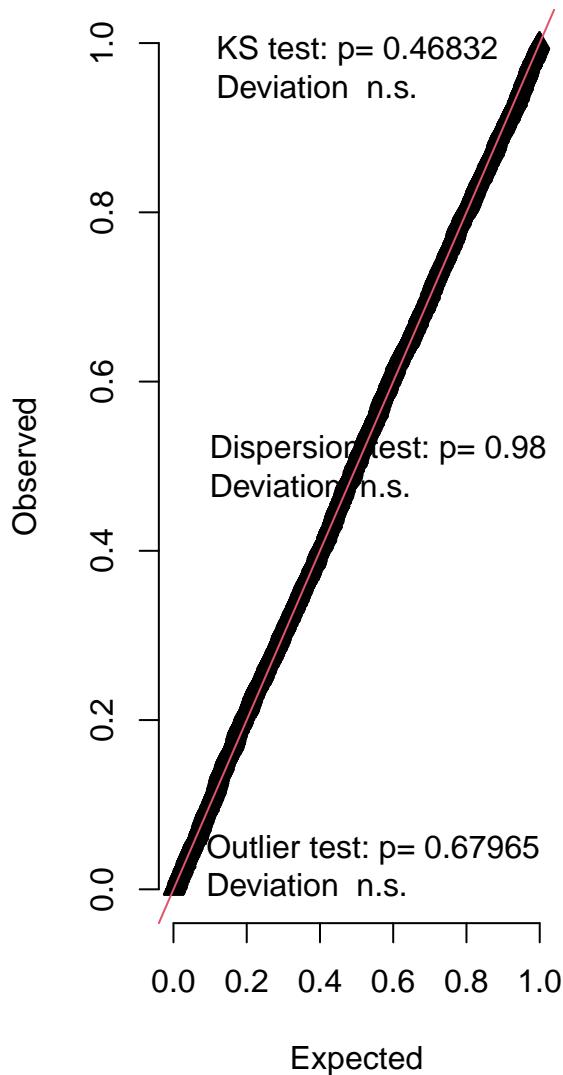

Residual vs. predicted

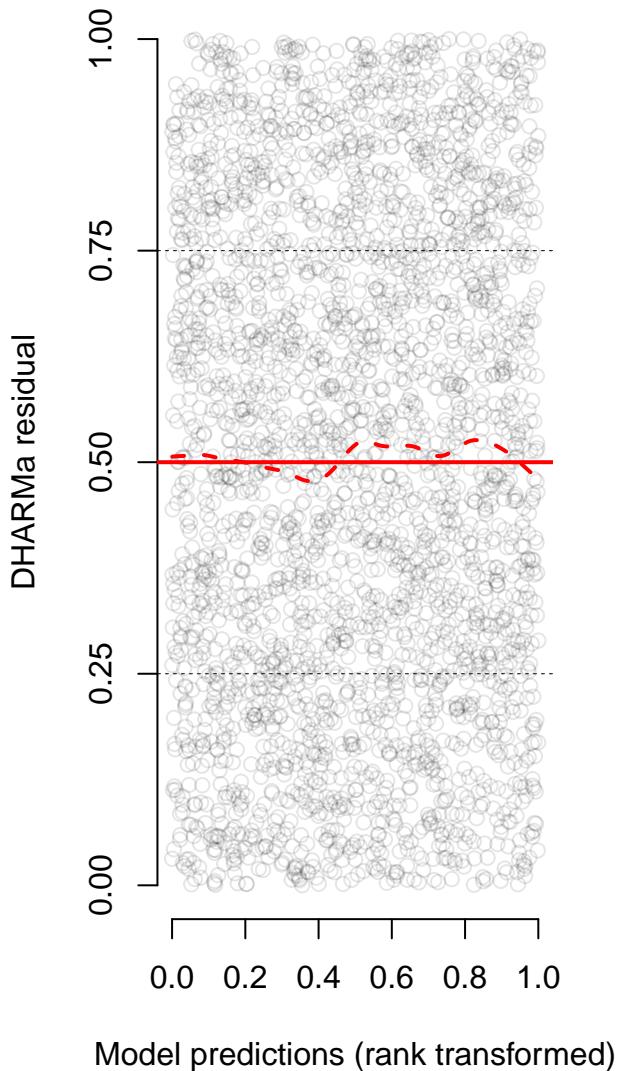

Utricularia purpurea

QQ plot residuals

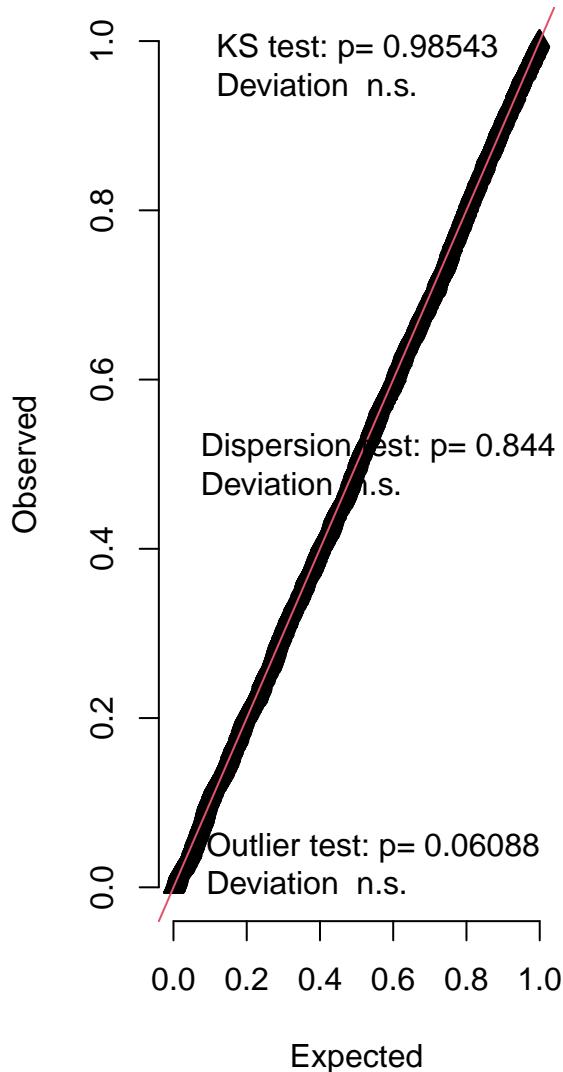

Residual vs. predicted

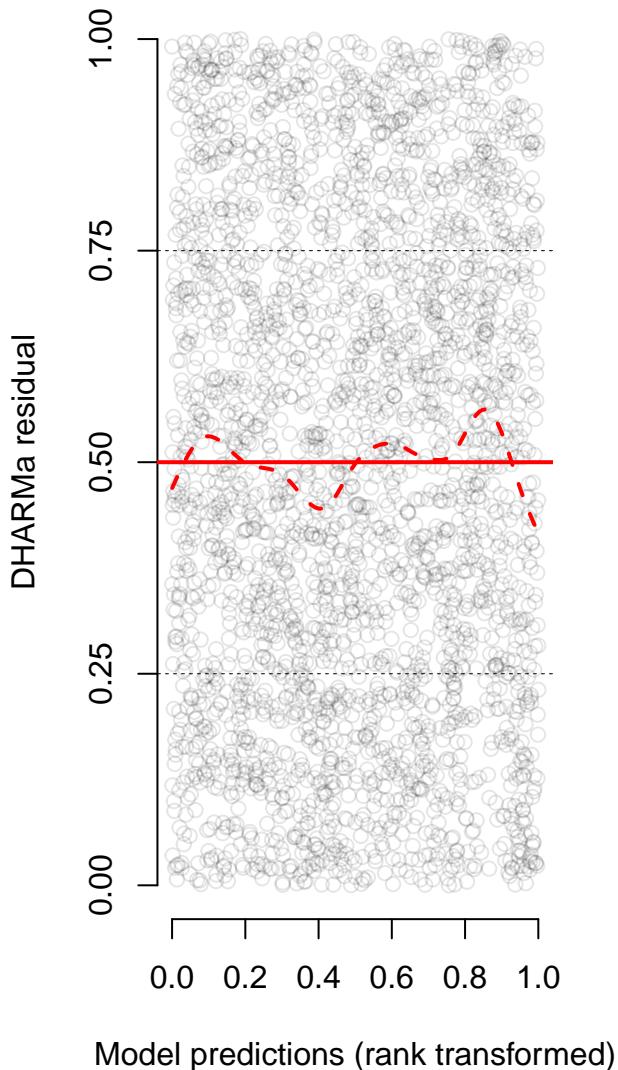

Vallisneria americana

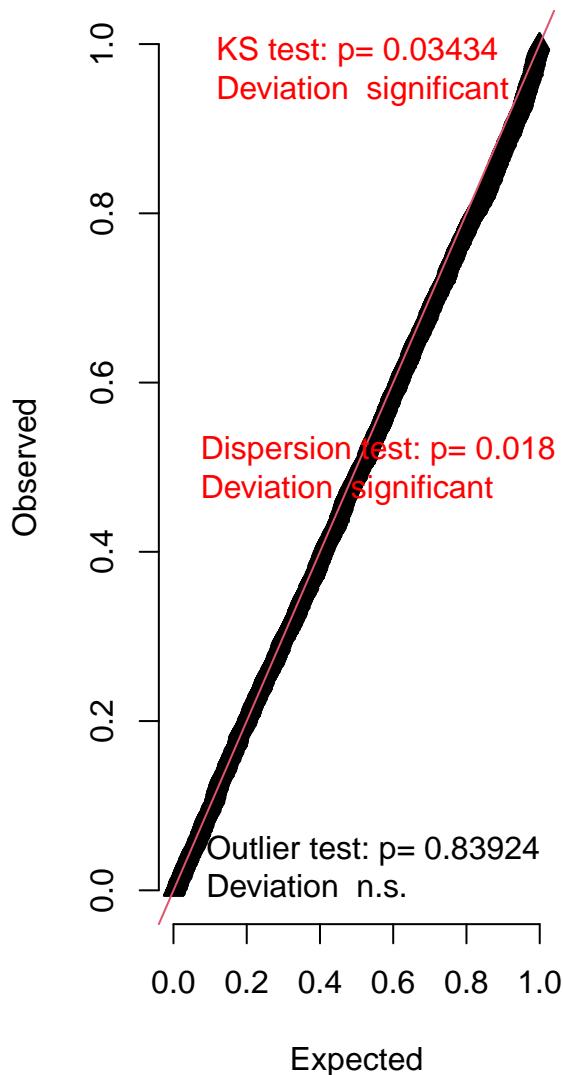

QQ plot residuals

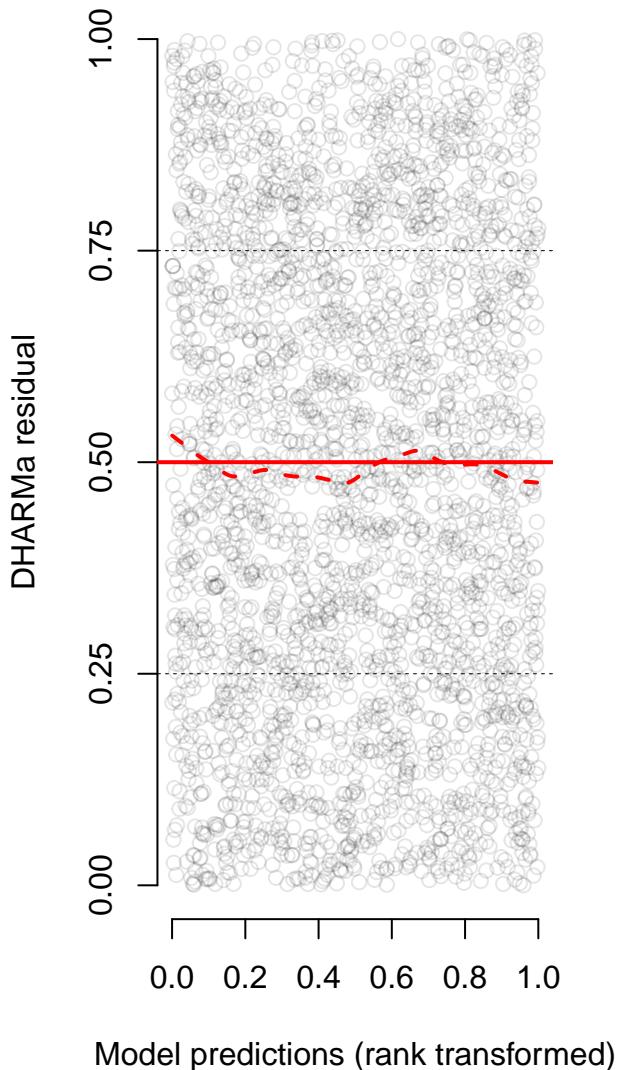

Residual vs. predicted

QQ plot residuals

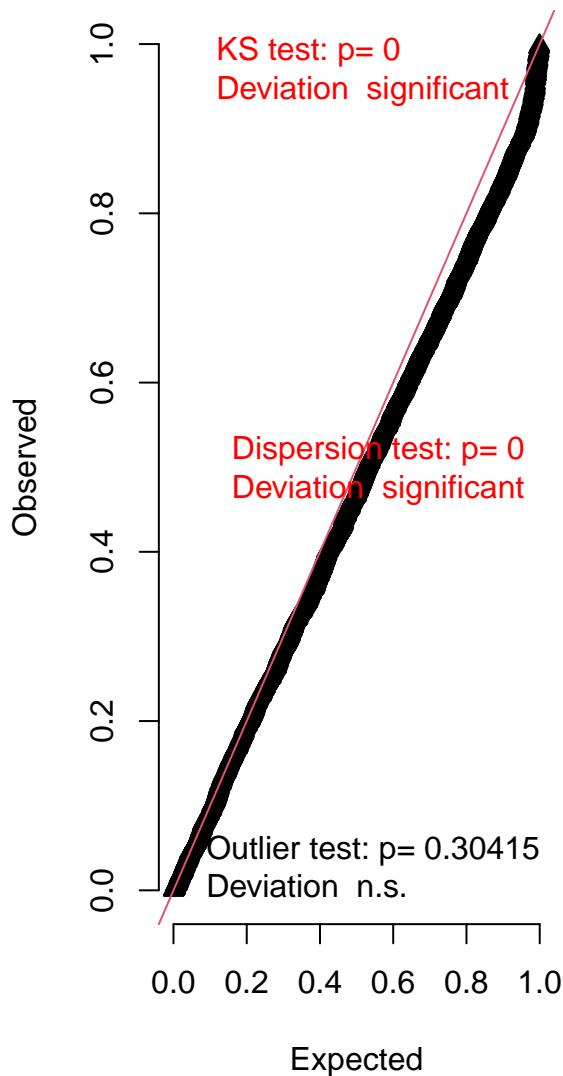

Residual vs. predicted

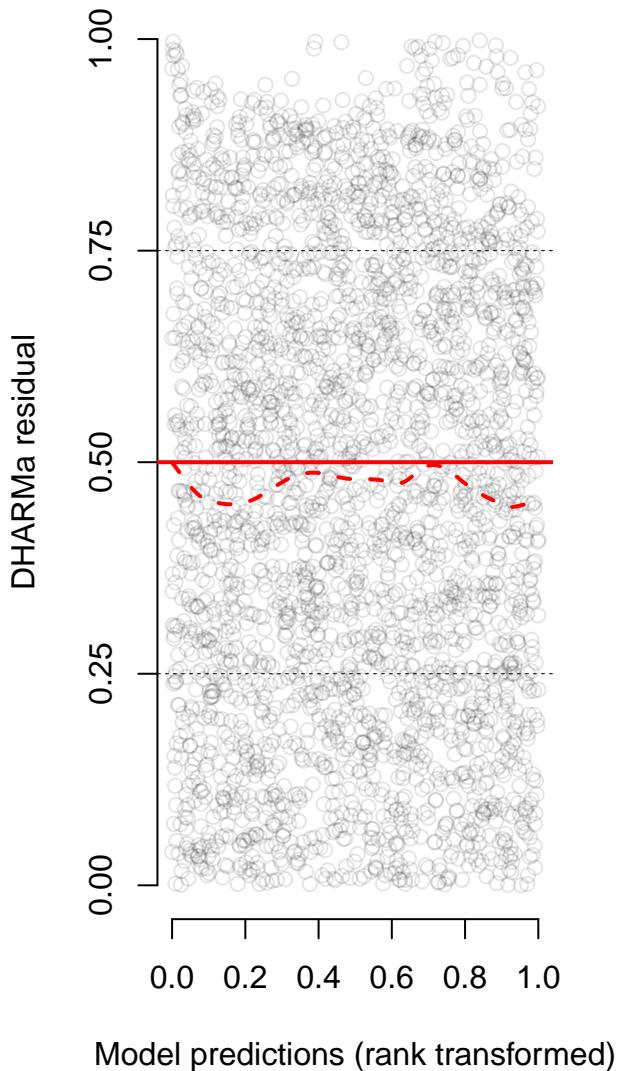

Zizania aquatica

QQ plot residuals

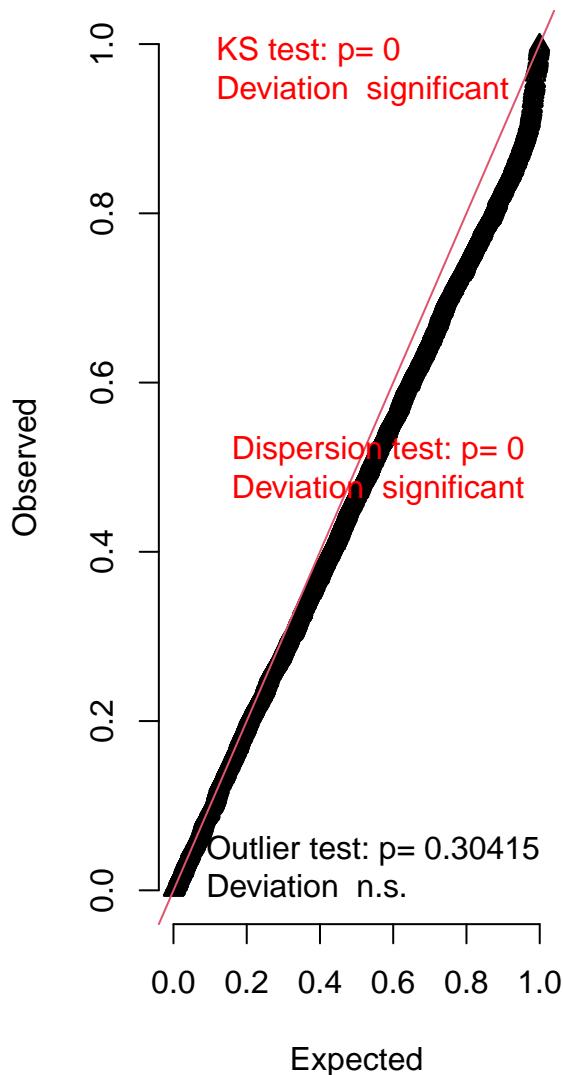

Residual vs. predicted

Zizaniopsis miliacea

QQ plot residuals
